It's Apple Fest Time

Crowning of Queen, parade kick-off Huron's big weekend

It's Apple Festival time in New Boston Huron.

And the folks out in the township want to extend an invitation to you and the family to come on out "to the heart of New Boston"—that's on I-275 to Sibley and enjoy some of Michigan's finest apples.

There's just too many apple orchards in this fine township to list here, but if you and the family will drop by the Township Hall they'll give you the names of some 26 farms where the juicy and red apples can be had for eatin', cookin' and apple pies.

Moreover, while you're in Huron there is a fun-packed weekend awaiting. Such programs like "crowning of the Apple Fest" Queen, canoe races, a marathon put on by the local Rotarians, a water ball fight staged by the fire department, talent shows, clowns, a street fair, a turkey race and much, much more.

Of course, there is also the parade. What would a festival be without a parade?

"And we believe this will be one of the finest parades we've ever put on," said Paul Moore, parade chairman. "The Shriners have offered to send their three best units—the Lancers, Highlanders and Moslem clowns out here. And there will be more than 130—that's right, 130 other units and more than 1,000 people in this year's parade."

The parade will get underway at 2 p.m., Sat., Oct. 3 from the St. Stephens Church on Huron River Drive and take a straight route into the heart of New Boston. The long procession of festivities will come to a halt at the Sportsman's Hall.

However, there are several notable events going on before and after the parade.

On Saturday, between 11 a.m. and 3 p.m., St. Paul's will host a luncheon held in the church area on Craig and Ellis Streets.

Also on Sunday, between 8 a.m. and noon, the local Rotarians will host their annual pancake breakfast to be held at

Local briefs

Local serviceman injured in Italy

A Romulus serviceman was among the four who were injured at an air base blast that claimed the life of a Maryland airman in Bari, Italy last week.

According to a report, the injured resident is Dennis R. Johnson. Also injured were Sgts. William A. Frankowski, 23, of Madison Heights, Walter Surma, 35, of South Rockwood, and Milton Crasseller, 50, of Newport.

The southern Italy blast on Friday destroyed part of the airport installation and took the life of Sgt. Andrew Shenton, 34, of Baltimore, Maryland.

The five men were reportedly participating in a routine training exercise between U.S. and Italian air force personnel.

Rotarians 'return home'

The Romulus Rotary International is back in its "old home" at the Methodist Church after a temporary stay in the facilities of St. Aloysius School.

Rotary President Gil White, Jr. reported that more than 45 members turned up for the club's inaugural meeting in the newly constructed church. The church was destroyed by fire last year and had been newly built.

Rotary meetings are at 6:15 p.m. each Wednesday at the church located on the corner of Olive and Bibbins.

Methodists hold special ceremony

In the meantime, the Community United Methodist Church has scheduled its consecration ceremonies for 2 p.m., Sunday, Oct. 18, and will hold an "open house" during the special ceremony.

Ada Scott, the oldest member of the congregation, will be among the featured speakers. Former pastors have been invited to discuss the past history of the church.

The Newburgh Youth Choir is to put on a musical program beginning at 5 p.m.

Honoring volunteers

Is there a more noble deed than to give of one's time to help others? Last week, the Western Wayne Nutrition Services for Romulus Senior Citizens presented plaques and certificates of appreciation to those who volunteered their time to help seniors, and the recipients of the awards included Paul D. Govensky, Josephine Mitchell (standing from left), Phyliss Butler, Geneva Poke and Ethel LaMar, who is the nutrition manager of the service organization. Luncheons for the seniors are served Monday through Friday at the Romulus Senior Citizens Center on Bibbins. Donations for the lunch is 75 cents for seniors who are 60 and over. Those who are younger must pay $2. "We really appreciate help from our volunteers who aid in serving and cleaning the lunch room," Mrs. LaMar pointed out.

Board rejects busing

Parents argue children shouldn't walk on dangerous roads

It's like the school busses in Huron themselves.

The issue of whether to bus children living closer than 1½ miles from school continues to go round and round, and no one knows for sure where it will stop.

Over 100 concerned parents and citizens turned out for last week's School Board meeting to discuss the emotionally-charged issue. The Board voted 5-2 that it could not afford to bus children living closer than 1½ miles from school.

About 511 students are affected.

Parent pointed out poignantly the dangers in having children walk to school along the busy thoroughfares where most of the district's schools are located. "Cars come along at 45 miles an hour, and there are no sidewalks. And it's worse in winter," said one parent.

Another citizen mentioned the dangers from molesters who could easily hide in the weeds along the road and drag the children off. "What is your regard for our children?" she asked.

Edward Umin, School Board president, answered that of course the Board was concerned for the children. "We're here for each meeting."

He emphasized, however, that it was a matter of money. The School Board could not afford to bus all the children unless something else was cut, and the district had already made many cuts in their budget.

Trustee Bill Manny added: "What's disturbing is that people complain about busses but not classes being cut.

"Nobody doesn't want good bus service," he said, but he pointed out that tax revenues are down.

In past years, all students were bussed because the Board could afford to absorb the loss. They can no longer afford to do so.

The primary villain in the controversy apparently is a state law that reimburses school districts for each student bussed further than 1½ miles, but penalizes them for any riders who live closer than 1½ miles.

Distance is measured from the center line of the entrance to the student's residence, to the nearest service entrance of the school, by ruling of the state attorney general.

And the Board is saving more than just the penalty by eliminating the bus service. Curtis Bartz, Superintendent of Schools, said that 10 busses have been cut from the fleet this year, leaving a total of 14. He explained that the penalty payment to the state would only be about $2100, but a total of $53,000 will be saved by cutting the bus service. This amount includes the cost of drivers, mechanics, and other miscellaneous items.

Bartz mentioned that other budget cuts will have to be made soon, too, in view of Gov. Milliken's upcoming tax reductions. He doesn't want to see Huron "fall further behind."

"Saftey is important, but so is education," Supt. Bartz said.

"We've already cut 40 teachers, laid off custodians, cut supplies," Board memeber Jim Pershing told the audience.

"If we succomb to your pressure, we must come up with $50,000," said board member Larry O'Kelley.

Many of the Board members placed blame on the 3-1 failure of the school millage election last spring. "What we forecast does come true," said Pershing.

The motion to reinstate the bus service "as it was before, with whatever refinements they can make, with the safety of the children in mind," came from trustee George Angel. Angel contended that the Board should be able to cut somewhere else, "because it's our responsibility to get the kids to school."

He said that without the bussing, the township would have to pay for crossing guards. "Whether through the township or through the schools, we'll be paying," Angel said.

Angel's motion was seconded by John Watson, who felt "a teacher" should be cut. Umin interjected that it wouldn't be that simple.

"With unemployment costs, we'd have to cut two teachers," Umin said. "Then we'd have more upset parents. It's an unending battle."

Several parents asked it their children could simply walk to an area outside the 1½ mile limit. Harold Wade, of the transportation department of the Wayne County Intermediate School District, said that that would be against the state law.

Another mother asked if she could pay to put her daughter on the bus. O'Kelley explained that that would be discriminatory against children whose parents couldn't or wouldn't pay.

Discussion was very heated at times, but two possible courses of action emerged. Several citizens expressed plans to circulate a petition to have a special millage election for the $50,000 to reinstate the bus service.

Umin said he would love to see it on the ballot — "to see what this township is made of!"

Two other citizens are considering a class-action suit against the state. They felt that the law should have a different provision for rural areas than for cities, because of the lack of sidewalks.

Man's body is found in parkway

By TOM MOORADIAN
ANP Staff Writer

Van Buren and Romulus police officers have what appears to be two unrelated homicides on their hands today.

A badly torched body of a white male was discovered Monday afternoon by Huron Metropark police officers at the north end of the park, and police are seeking information to the victim's identity today.

Det. Sgt. James Tuttle of the Ypsilanti State Police Post said "that we believe that there is no connection between the murder of the victim discovered in Van Buren to that of the one in Romulus.

"We have not been able to identify the man here," Det. Tuttle added, "we still are awaiting an autopsy report. We just got the body late last night (Monday)."

Tuttle said that the victim was "torched beyond recognition," however, we can say that he was a white male."

Police said that some evidence was found at the scene, "however, they chose not to reveal it until a later time."

"The victim was too badly burned, but there are some things we have that I would rather not say at this time," Tuttle added.

In the Romulus incident, the victim apparently was dumped in the area of I-94, just west of Inkster Road. The body was discovered by persons who were in the area hunting mushrooms.

Romulus Police Chief Donald Flood said the man has been identified as Robert Alexander Bargeon, 30, of Dearborn.

Death was caused by strangulation, Flood said.

Police said Bargeon was described as a drifter who had lived in an apartment in Wyandotte, but whose family came from Dearborn. The victim had been arrested for narcotics violations, according to police.

"There was no identification on the victim's body," Chief Flood added, "and we speculate that he was killed elsewhere and dumped here in the city.

School Bd. president resigns

In an unexpected and surprise move, Edward Umin, president of the New Boston Huron Board of Education, submitted his resignation last week.

Umin, a well-known figure who has championed drives for raising funds for high school sports programs in the school district, offered as a reason for his resignation "that the job was taking him away from his family."

"I would like to spend more time with my family," Umin said, who was elected to the board in June.

The board has 20 days by law to fill the position, according to Curtis Bartz, Superintendent of Schools.

"We regret that Mr. Umin has decided to step down," Supt. Bartz said, "however we can understand his position."

Supt. Bartz said that the township has already advertised for letters of application and resumes. The potential candidates' qualifications will be reviewed by the members of the board, then a decision will be made on who the successful candidate is after a personal interview.

The successful candidate will serve on the school board until the next regular school election which will be conducted in June of 1982.

Belleville postmaster's busy

Post Office to observe National Stamp Month

"Discover Stamp Collecting - The Hobby of a Lifetime," is the theme of the inaugural National Stamp Collecting Month, to be observed October 1 through 31, Postmaster Patrick J. Tobin, of Belleville, said today.

"The fall observance will include issuance of a special souvenir card, unusual post office lobby displays and philatelic items especially designed to attract newcomers to the hobby," Postmaster Tobin.

"Millions of Americans recognize that stamp collecting generates increased knowledge of geography, biography, history and science. Children who engage in this hobby have a good time acquiring new or used stamps, and the hobby stimulates their intellectual growth. Teachers tell us that boys and girls frequently use their stamp collecting information in preparing and presenting class projects."

The Postal Service is sponsoring the month-long observance in cooperation with the Council of Philatelic Organizations (COPO) which includes national regional and local organizations involved in all aspects of stamp collecting. A number of local collateral activities are also being planned by Belleville adult and youth stamp clubs, school and library administrators, community service organizations and government leaders.

"An adult who introduces a youngster to the hobby is giving that child a lifetime gift, "Postmaster Tobin said, "because stamp collecting does not depend on age, stamina or the weather."

"Many families treasure stamp collections, work on them together, and pass them along from generation to generation. In an age when all too many of us spend our leisure time solely as spectators, stamp collecting is a hobby in which everyone can participate. That's the message the Postal Service wants to get across next October during National Stamp Collecting Month," Postmaster Tobin concluded.

Black kids need parents

The regular quarterly meeting to find black adoptive parents is scheduled for 7 p.m. Wednesday, Oct. 14, at Catholic Social Services, 9851 Hamilton, Detroit.

Ten tri-county adoption agencies unite to sponsor these meetings at which social workers show slides of children waiting for permanent adoptive families.

A black couple who adopted three children — one retarded, and two with brain damage from abuse — will talk of the satisfactions and problems, involved.

Linda Whitfield, adoption specialist at Children's Aid Society, will chair this meeting and explain what is involved in the adoption process.

"There is by no means a test," she says. "We are more interested in how people manage their money than in how much they earn. One couple manages comfortably on a limited income while another couple making three times as much is in debt over their ears. You do not have to own your homes. Persons living in apartments adopt chil-

Birds of a feather...

If it's true what they say about birds and their feathers, well there'll be a lot of flocking this weekend at the annual Huron Applefest which includes many interesting and exciting events, including a canoe race down the Huron River, a marathon race, a turkey flying contest and, of course, plenty of delicious Michigan-grown apples. You and your family will find it all there in New Boston which is decked out in holiday fashion.

Police identify murdered victim

Dearborn man's body dumped in Romulus

(Continued from Page 1)

Chief Flood urged that anyone who had information about the slaying to contact the Romulus Police Department at 941-8400.

In an unrelated incident, a 9-year-old Romulus youth lost his life Sunday evening when he was struck by a car on Eureka Road, just west of Inkster.

The victim, Michael James Penn, of 15531 Orchard St., was riding his bike with an older brother when the accident occurred. Michael was a fifth grade student at Halecreek Elementary School and was described by the teachers there as an "above-average student."

The driver of the car, also from Romulus, told police that the sun had blinded his view and that he couldn't stop in time to avert the tragedy. The driver was heading west on Eureka when the mishap occurred.

The Penn boy was the third person to die on Romulus Roads due to car mishaps in recent months.

'Super' athletes to compete

A dream of lifetime has become a reality for four "super" Detroit area athletes, who have been invited to represent Michigan in Japan and compete in its 17th Commemorative National Sports Games for the Disabled from Oct. 20-27.

The invitation has been extended because of Michigan's sister-state relationship with Shiga Prefecture, and its capitol Otsu, the site of the games, and also because 1981 is the International Year of the Disabled Person. There will be 900 Japanese athletes, 100 from Southeast Asia and four from Michigan.

The four world class Michigan athletes selected to participate are Karen Donaldson, a wheelchair athlete from West Bloomfield; Joane Guardiola, a Cerebral Palsy athlete from Lincoln Park; Lou Cherwak, an amputee from Troy, and Gary Kupper, a Cerebral Palsy athlete from Detroit. They will be coached by Mike Mushett of Westland.

Joane, who has Cerebral Palsy and is hearing impaired, holds the national record in the 400-meter dash and also stars in the 100-meter dash. She also collected two medals in the 1980 International Cerebral Palsy Games in The Netherlands.

Gary's forte is track and field and served as captain of the 1978 U.S. team, which competed in the International Cerebral Palsy Games in Scotland.

Karen holds a number of national records in track and swimming and has competed all over the world as a wheelchair athlete.

Lou, an amputee, has yet to compete internationally. He competes in both track and field and swimming and also is a top flight competitor.

Moores gets sports medicine center job

Jack F. Moores, Jr., of Romulus, is now serving as program director of the new Sports Medicine Center for Riverside Osteopathic Hospital in Trenton, Michigan.

The Center is geared to provide all athletes in the downriver area with the special health care needs their activities require.

Moores, 40, has been a Romulus resident for 15 hears. He has been active in several community affairs.

He attended Royal Oak Shrine High, and graduated from Port Huron High in 1960. He twice received all-state honorable mention in basketball and also played baseball, football and golf.

Before accepting the position at Riverside, Moores served as director of sports medicine and head athletic trainer at University of Detroit for 10 years. He holds a master of science degree with major emphasis on athletic training from the University of Michigan.

Moores is a certified athletic trainer and member of the National Athletic Trainers Association.

Among the many professional athletes he has treated for injuries are Bob Lanier, Ron LeFlore, Curtis Rowe, Dave Bing, Terry Tyler and John Long.

JACK F. MOORES, JR.

Riverside Osteopathic Hospital, 150 Truax, Trenton, is a division of the Detroit Osteopathic Hospital Corporation which also owns and operates Detroit Osteopathic Hospital, Highland Park; Bi-County Community Hospital (Osteopathic), Warren, and Stony Creek Osteopathic Medical Center, Shelby Township.

Van Buren treasurer attends seminar

By VALERIE HIGGINS
(Special Writer)

The world of finance is always changing and in precarious economic times, one has to be fully aware of those changes.

So last week Thomas Welty, Van Buren Township treasurer, had an opportunity to sit in on some dialogue on fiances at the annual Michigan Municipal Treasuer's Institute held at Kellogg Center on the campus of Michigan State University.

"I really enjoyed meeting the treasurer's from all the areas of Michigan," said Welty," and I felt that the seminar

TOM WELTY

was very beneficial and educational."

Some of the classes Welty attended included: "Principles: Understanding the Dynamics of Organizations," "Understanding the Communication Process," "Living with Machine Processing of Data," and "Records Management and Design."

The treasurers seminar consists of a 3-year program providing one week of at least 33 hours of instruction each year.

Upon completion of the three session sequence, Welty will have fulfilled the educational requirements for certification by the Municipal Treasurers Association of U.S. & Canada.

The course of instruction complies with the organization's standards in the areas of public finance administration, social and interpersonal concerns and skill development. Mr. Welty has just completed his second year and will receive a certification certificate in 1982.

The seminar was paid for by the township with the board's approval at their Aug. 25, Township board meeting.

Dedication ceremonies set for Oakwood

The dedication and open house of the Oakwood Hospital Canton Center, which will provide primary care medical services and emergency services, will be held Thursday, Oct. 8, with open houses for area citizens planned for both Saturday, Oct. 10, and Sunday, Oct. 11.

Located at the corner of Canton Center and Warren roads, Canton Township, the $1.5 million, 13, 325 square-fopot facility will complement existing health care resources in the Canton-Plymouth area and provide an organizational focal point toward the development of a comprehensive and coordinated local health delivery system.

"With the dedication of the Oakwood Hospital Canton Center, Oakwood is taking another step forward toward meeting the needs of providing comprehensive health care services to the communities we serve," said Gerald D. Fitzgerald, president of Oakwood Hospital.

"Our services and programs will be tailored to the specific needs of this area. The new facility provides medical care and a 24-hour emergency care capability," he said.

"It also provides a Maternal and Child Health Care Clinic, which emphasizes eary identification and care of high-risk mothers and infants from the beginning of pregnancy through labor, delivery and post-natal care," Fitzgerald said.

Fitzgerald said as the dedication date approaches, he would like to thank those who have "worked so long at making the Canton Center a reality," including members of the Canton Community Advisory Committee and local officials.

"The Canton Center is another example of Oakwood Hospital striving to meet the health care needs of persons in western Wayne County," Fitzgerald added.

At the Oct. 8 dedication and open house, scheduled speakers include Fitzgerald, who will give the welcome; M. William Davis, chairman of the Oakwood Hospital board of trustees; Rosser L. Mainwaring, M.D., chief of the Oakwood Hospital medical staff; and James Poole, township supervisor.

The open houses for citizens will be held Oct. 10 and 11 from 1-5 p.m. Refreshments will be provided.

The Canton Center includes the following services:

- The 24-hour emergency care department;
- Seventeen examination rooms for primary medical service and specialty clinics;
- Radiology services, including fluoroscopy;
- Laboratory services;
- Pharmacy; and
- A community health education service.

The emergency department includes two trauma rooms with monitors, an isolation room, two general examination rooms, an orthopedic room for fractures, a pediatric room and an obstetrical/gynecological room.

All minor emergencies and many major emergencies which do not require immediate hospitalization can be handled in the Emergency Department. Anyone requiring hospitalization will be transported to a hospital of their choice.

Citizens do not need to know a physician to use the services of the Canton Center. If, for example, an individual has recently moved to the Canton-

(Continued on Page A-5)

New Boston-Huron Police are investigating a holdup, in which one patron was shot in the arm and several patrons robbed of wallets late Saturday night.

According to Police Chief Joseph Carney, two men — one black, the other white — entered the McNasty's Saloon at 19300 Waltz Road and ordered the patrons and the owner of the bar to lie on the floor.

The robbers pointed their weapons to back up their demands for money. As one of the men rifled the cash register, the other gathered in wallets from about a dozen of the patrons.

At one point, the robber fired a shot and hit a patron in the arm.

"We don't know at this time whether the shot was fired deliberately or accidently," said Chief Carney.

The white male is described as around 30 years old, 5-8, 180 pounds and having a scar on the left side of his face. He had a blue steel revolver in his possession.

The second robber, a black with a large Afro, also was about 30 years old, 6-foot, 165 pounds and carried what appeared to be an automatic weapon.

Showdown on Oct. 1

Will county commissioners get rid of sheriff Lucas?

While waiting for the appearance of Sheriff William Lucas on Oct. 1, the Wayne County Board of Commissioners continues dealing with Sheriff's matters having additional fiscal impact.

Lucas is under subpoena by the Board to explain the unauthorized spending halted only by a recent court order, but meanwhile the commissioners have been considering jail staffing, and possible restoration of the Metro Airport security detail and a secondary road patrol function.

The airport contingent and part of the secondary road patrol measure were previously handled by the defunct Road Patrol and Investigation Division of the Sheriff's department which Lucas maintained since February without authorization—up to the court order.

Tentatively, proposals for resumption of these duties appear defeated, but it seems likely that the Sheriff will be permitted 45 additional positions to enable opening of three more cellblocks in the Jail Detention Annex in anticipation of increased occupancy common during the fall of each year.

The additional positions were recommended by the Board's Ways and Means Committee on Sept. 24. Costing $239,000, final approval is required from the full Board.

Also on the 24th, in a meeting of the Board's seven-member Public Safety and Judicary Committee, the road patrol and airport issues were considered but tabled. The airport proposal was tabled almost without discussion, but the road patrol matter was deliberated in part because it would be funded altogether by the state.

In the past, however, the airport security furnished by the Sheriff was funded by the County Road Commission.

Speaking against restoration of the road patrol were Commissioners George F. Killeen, from Detroit; Mary E. Dumas, Livonia; and James J. Rashid, Dearborn. Killeen, who made the motion to table the issue said, "Our Corporation Counsel needs more time to study it. Judge Moes' (Circuit Court Judge Harvey W. Moes from Hillsdale County) opinion is that it is not a mandated service, and if we decide to seek secondary road funding we're thumbing our nose at the court.

"My background with the road patrol goes back farther than most commissioners. I wanted to stop the road patrol because I believe that the money could better be used at the jail to rehabilitate the offenders there."

Said Rashid, "I've had a change of heart. Until now I thought we should save all the jobs we could and obtain all the grants possible that would fulfill that thinking; however, now I think our job is to carry out our responsibility to the public by saving money, by balancing the budget.

"I don't think we're in the business to make jobs or continue jobs. After all, grant monies are funds provided by the taxpayers and just because secondary roads are state-funded does not necessarily follow that we must spend it."

Mrs. Dumas expressed concern over eligibility for the state funds, with the conflict of authority between the Board and the Sheriff, and the security of equipment since Moes' court order.

"We have a serious constitutional question here involving not only Wayne County, but every other county in the state, and since we have reduced service below the 1976 level we might not fall within the guidelines."

"Also, I am told that the auditors have been unable to locate 17 vehicles and some squad cars with their weapons have been found unlocked and unguarded."

Those against tabling the two issues were Commissioners Jackie L. Currie and Delores Bennett, both from Detroit. "I'm against tabling," said Bennett. "It saddens me to have to lay off people. I realize we have a budget and must live within it, but we are dealing with people and they should be considered—not just service."

Wanting to "pass for the day" rather than tabling the issue, Mrs. Currie said, "Tabling will kill it and I don't want it killed. It's better to accept the grant than to lay off people." Passing for the day is procedural means whereby the matter is routinely reconsidered on the next agenda, but tabling puts the issue aside indefinitely and requires a majority of the committee vote for its resurrection."

Killeen later said that he was "among the first," as early as 1973, wanting to dispose of the road patrol. In 1974 he was chairman of a subcommittee of the Public Safety and Judiciary Committee which recommended discontinuance of the patrol in communities unwilling to contract with the Sheriff and pay for the service.

Although at that time the road patrol was funded for only nine more months to allow for contractual negotiations, several of the communities threatened lawsuits and the patrol has since existed through monthly and yearly extensions.

Hospital ready to serve needs of the ill

The Oakwood Hospital Canton Center, located at Canton Center and Waren roads, will provide primary care medical services and emergency services that are fully integrated with the resources of Oakwood Hospital in Dearborn. The dedication and open house of the Canton Center will be held Thursday, Oct. 8, while open houses for area residents will be held Saturday, Oct. 10, and Sunday, Oct. 11, from 1-5 p.m.

'Teddy Bear Squares' find a new home

Van Buren dancers will also use Wayne facilities

It won't be "only on Sunday" for the 'Teddy Bear Squares' dancers.

The Van Buren square dancers, who lost their bid to dance on Friday and Sturdays at the Van Buren Township Hall, have found homes in neighboring Wayne.

"For three years we had the use of the township hall on Friday and Saturdays," said Jack LaPan, "but other groups wanted and received from the township board our time slots. So, we had to find other halls for dancing, and we have been successful in doing so."

LaPan, who has been the caller for the group in the last three years, said that square dancing has gained in popularity in the township to the point where approximately 100 persons, young and old, join in the fun and classes.

"The township asked me to teach these peopple, and I obliged, however, it appeared that some of the other groups wanted the facility Saturday and Friday nights, so the township decided to accommodate them.

"However, the township did allow us to use the facility every Sunday," LaPan added.

The new schedule and sites for the "Teddy Bear" dancers are as follows:

Beginner squares will be held from 4 to 5:30 p.m., starting Oct. 4, every Sunday, at the Van Buren Township Hall. Also there will be one or two workshops set for 7:30 p.m.

The beginner squares will meet every Wednesday, starting Sept. 16 at 7:30 p.m. at the Moose Lodge, Michigan Ave., in Wayne just west of Newburg Rd., and across from the Ford Assembly and Truck Plant.

Every Thursday, there will be a Beginner Rounds that will start at 7 p.m., Oct. 29 at the U.A.W. Local 900 Hall, also on Michigan Ave., in Wayne.

The New Mainstream Club - "Krackerjax" will meet the second and fourth Fridays at 8 p.m. at the U.A.W. Local 900 Hall, and the "Teddy Bear Squares" are scheduled for get togethers on the second and fourth Saturdays - Plus II - rounds at 7:30 p.m. and squares at 8 p.m. at the St. Mary's Catholic Church, Michigan Ave., in Wayne, just east of Wayne Rd.

The "Teddy Bear Squares" should note however, that in December there will be a change in their dance nights to the first and third Saturdays for the rest of the dance season. St. Mary's will be the host for the dancers.

Beginners classes are also scheduled to open before the end of the month.

Further information may be obtained by telephoning Jack or Kathy LaPan at 699-2202 or Leona at 697-0661.

'Good citizen'

Michigan Bell technician Jim Scarlett has been named the telephone company's "Good Citizen Award" winner for coming to the aid of a disabled co-worker. Working with other Michigan Bell employees, Scarlett helped raise $6,800 for the family of a fellow worker injured in a motorcycle accident.

Good citizen award goes to technician

Jim Scarlett of Wayne, a Michigan Bell cable splicing technician in Ann Arbor, has received the company's "Good Citizen Award" for coming to the aid of a disabled co-worker.

Scarlett, 31, was honored recently at a luncheon in Ann Arbor hosted by Donald J. Gillard, Michigan Bell assistant vice president.

The good citizen program honors one Michigan Bell employee a month for contributions and service to the local community. Recipients receive a $100 savings bond and a framed certificate. Scarlett is the second employee to receive the award.

Scarlett's friend and fellow cable splicing technician, Mike Morio of Ypsilanti, was in a motorcycle accident in Florida early last year. He suffered a broken neck and shoulder and a collapsed lung.

It wasn't until he spoke to Morio's wife, that Scarlett learned his friend had been paralyzed and would spend the rest of his life in a wheelchair.

"Something had to be done to help," Scarlett recalled, and that's when he started making things happen.

Working with other Michigan Bell employees in the

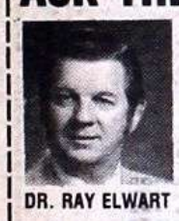
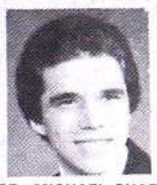
ASK THE CHIROPRACTOR



DR. RAY ELWART

DR. DAN ELWART



DR. MICHAEL SHAFT

Q: Dear Dr. Elwart, What is a Dynamometer used for?

A. This was the instrument pictured in last week's column. A Dynamometer tests differences in the strength between the left arm and the right. If both sides aren't equal (having taken into account which arm is used more) the muscles in the weak arm aren't functioning up to its fullest potential. This could be a clue to a nerve that is giving weak or distorted signals to the muscle in your weak arm. The muscles won't be able to contract properly.

A major nerve circuit called the brachial plexus is the nerve supply to your arm and if the nerves in the brachial plexus are pinched in your spine by a misalignment (subluxation) any number of problems can result, such as bursitis, numbness, tingling, a burning sensation across the shoulders as well as weakness.

Q: Dear Dr. Shaft, does insurance cover chiropractic care?

A: Yes, all major insurance carriers and Blue Cross, Workmen's Comp., Medicare and Medicaid cover chiropractic care.

NEXT WEEK: ARTHROMETER
Do you know what this instrument measures???

OUR PATIENTS DO!!!

3 Romulus students earn merit honors

Joel R. Carr, principal at Romulus High School today released the names of seniors who are being commended in the 27th annual (1982) National Merit Scholarship Program.

Letters of Commendation will be presented to Serenna Lloyd, Barbara Wynn and Bonnie Wyan, who placed among the top 51,000 participants in the current competition, according to principal Carr.

A spokesman for National Merit Scholarship Corporation (NMSC), which conducts the Merit Program, stated, "To be designated a Commended student is an oustanding attainment, deserving of public recognition.

"The nation will benefit from the continued educational and personal development of students such as these, for they have shown exceptional promise.

"We sincerely hope that the able young men and women being honored will receive whatever assistance is necessary for them to achieve the high goals they set for themselves."

Of some 1.2 million students who entered the 1982 Merit Scholarship competition by taking a qualifying test in 1980, about 36,000 are being commended this month, as they begin their final year of high school.

These participants scored high, but slightly below students in their respective states who qualified as Merit Program Semifinalists.

A real champion

One of 23 delegates representing Wayne County, Romulus' Lisa Michelle Joseph captured a coveted first place Gold Medal in the state in a costume class and a 7th place ribbon in Western Pleasure on her horse "True Surprise" in the 16-year-old class in competition held for the Registered Quarter Horse section. Lisa had earned a 1st place at 4-H Achievement Days at the Wayne County Fairgrounds to qualify for the state 4-H Horse Show. The horse show was broken up into 13 sections dividing up the different breeds of horses. There were 480 delegates from 54 out of 82 Michigan Counties represented. The state show was held at Michigan State University, Lansing, Michigan.

Oakwood Hospital dedication is set

(Continued from Page A-3)

Plymouth area, or would just like to visit a physician who is closer to home, the person can call and make an appointment.

The Canton Center, which was designed by Hobbs and Black Architects, of Ann Arbor, with A. Z. Shmina & Sons Co., of Livonia, as contractor, has been designed to be energy efficient.

In the main corridor and waiting area, skylights in the roof area provide for natural sunlight. The lights automatically are activated when darkness falls. The earth berm around the structure is up to four feet, providing for additional insulation, while extra insulation is also provided in the walls and ceiling areas.

Playing a main role in the ongoing communication between Oakwood Hospital officials and the Canton community were members of the Canton Community Advisory Committee. The committee helped communicate information on the facility to the community while also providing input to hospital officials.

Committee members include the Rev. Edward J. Baldwin, pastor, St. John Neumann Catholic Church, Canton; John Flodin, Canton Township clerk; Lynn Labell, a housewife, of Canton; Frank A. McMurray, president of the Canton Chamber of Commerce; Larry R. Oldford, an insurance agent, of Canton; Catherine Price, a housewife, of Canton; John Schwartz, a businessman, of Canton; and Flossie Tonda, a housewife, of Canton.

David Ippel, administrative assistant at Oakwood Hospital, is the administrator of the Canton Center.

As part of its service to western Wayne County, Oakwood Hospital also broke ground in March on a $1.1 million primary care facility in Brownstown Township. The facility will offer a core program of preventive and family medical services to the downriver area. Its dedication is planned for spring 1982.

'All-Saver' certificates go on the market

Sale of tax-free "All-Savers" certificates, starting Oct. 1, apparently will do little to provide prospective home owners with lower mortgage interest rates, according to the Western Wayne Oakland County Board of Realtors (WWOCBR).

Part of the Economic Recovery Tax Act of 1981, the certificates will be issued by various savings institutions with interest equal to 70 percent of the investment yield of the previous month's auction of 52-week Treasury bills.

Interest earned on the certificates by savers will be exempt from federal income tax up to $1,000 on single returns and $2,000 on joint returns.

"We pushed for passage of this provision in the belief that the inflow of funds would enable savings and loan institutions to offer home mortgages several percentage points below prevailing interest rates," said Robert D. Shimmin, WWOCBR president.

"The law provided that 75 percent of the net proceeds be used for residential financing or agricultural loans. It now appears, however, that many institutions will meet this requirement by purchase of one-year securities offered by the Federal National Mortgage Association."

FNMC, popularly called "Fannie Mae," is a stockholder owned private corporation split out from an original government agency in 1965. It provides a secondary market for existing mortgages by buying those originated by lending institutions. It's purchases are financed by selling of government-guaranteed debentures.

"It was the obvious intent of Congress and all of us who fought for passage of this law that All-Savers certificate funds be used by depository institutions directly for home and farm loans," Shimmin said.

"While the action being taken by the institutions qualifies as residential financing investment, we fell it avoids the real intent of the law to provide lower cost home financing."

He said expectations that the certificates, which will be available only through Dec., 1982, would have major impact in lifting the housing market may have been displaced.

Leave the driving to...

Southeastern Academy announced this week that Terri Grieve, a recent graduate from Romulus, has joined Greyhound Rent-A-Car of Orlando, Florida, as a Rental Agent.

Terri has worked toward this goal by training extensively in all areas of the Travel Industry. In addition to comprehensive travel studies, Terri met requirements in career and personal development.

Southeastern Academy is located in Kissimmee, Florida and offers specialized career training in Travel-Tourism and Fashion Merchandising.

ON TOOTHPICKS

The next sentence may surprise you: Toothpicks are okay! Not recommended to be used in public, they do have value in helping to keep teeth clean and gums healthy.

The history of toothpicks is rather interesting. They were used as early as 3500 B.C., in the form of twigs, reeds and pieces of grass. A wealthy, ancient Greek would probably carry a ring with several impressive looking toothpicks dangling from it. These toothpicks might be made from gold, silver, ivory or ebony. Others were delicately carved or embedded with jewels.

Dentists object to the abuse of toothpicks, not their use. They should be used gently or they will injure your gums. A dentist should really instruct you on how to use them.

A toothpick can be a lifesaver if you've just finished a steak and can't reach that maddening spot. A soft, flat wooden toothpick, not a bobby pin or sharp instrument, can free the debris stuck between your teeth and make you feel instantly more comfortable.

Pvt. Gray takes part in 'Reforger '81'

Pvt. Spencer Gray, son of Perry Gray of Romulus, and Shirley J. Gray also of Romulus, has participated in "Reforger '81" a series of training exercises conducted by the North Atlantic Treaty Organization (NATO) forces in Europe.

Gray, an Infantryman with the 7th Infantry Division, Fort Ord, Calif., joined with members of his unit to provide vital support for the United States and allied forces taking part in this annual exercise.

The 13th of its series, Reforger '81 tested mobility, plans, capabilities and support agreements between military and civilian transportation agencies of both the United States and its NATO partners.

The exercise, stated Department of Defense officials, provided soldiers and airmen the best possible peacetime training for performance of duty under simulated combat conditions.

Nearly 17,000 people along with 27,000 tons of equipment were sent to Europe from the United States in support of Reforger '81.

He is a 1980 graduate of Romulus Senior High School.

Army Pvt. Stephan M. Insco, son of Mr. and Mrs. Donald H. Insco of 1300 Will Carleton Drive, Carleton, also participated in "Reforger '81," a series of training exercises conducted by the North Atlantic Treaty Organization (NATO) forces in Europe.

Insco, a tank turret repairman with 1st Infantry Division at Fort Riley, Kan., joined with members of his unit to provide vital support for the United States and allied forces taking part in this annual exercise.

He is a 1979 graduate of Huron High School, New Boston, Mich.

His wife, Audrey, is the daughter of Mr. and Mrs. William Kemeny of 27117 Bell Road, New Boston.

Airman Jeffrey L. Taylor, son of Donna J. Taylor of 6346 N. 47th Ave., Glendale, Ariz., and Jack L. Taylor of 48150 Hull Road, Belleville, has graduated from the U.S. Air Force air armament course at Lowry Air Force Base, Colo.

Graduates of the course studied the maintenance of defensive fire control systems on heavy bombers, and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Taylor will now serve with the 379 Munitions Maintenance Squadron at Wurtsmith Air Force Base, Mich.

He is a 1981 graduate of Apollo High School, Glendale..

Pfc. Dwayne C. McLaughlin, son of Mr. and Mrs. Ben C. McLaughlin of 48875 Martz Road, Belleville, has arrived for duty at Baumholder, West Germany.

McLaughlin, an infantryman, was previously assigned at Fort Ord., Calif.

Airman Brian E. Lyons, son of Mr. and Mrs. Phillip Lyons of 23266 Inkster Road, New Boston, has graduated from the U.S. Air Force avionics communications systems course at Keesler Air Force Base, Miss.

Graduates of the 20-week course learned how to install and repair airborne communications equipment, and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Lyons will now serve at Bergstrom Air Force Base, Texas, with the 67th Component Repair Squadron.

2. Motion by Rush, supported by Block, to approve minutes of the regular meeting held September 1, 1981. Ayes — Banks, Rush, Raspberry, Cantrell, Yeramian, Block. Nays — None. Motion carried unanimously.

3. None

81-317

4A. Motion by Yeramian, supported by Block, to let bids for Galvanized Pipe. Ayes — Yeramian, Cantrell, Rush, Banks, Block, Raspberry. Nays — None. Motion carried unanimously.

81-316

4B. Motion by Cantrell, supported by Yeramian, to adopt resolution 81-318:

Agreement Between the City of Romulus and the County of Wayne to cooperate in the 1982 Community Development Block Grant Program.

WHEREAS: Title I of the Federal Housing and Community Development Act of 1974 provides that urban counties may receive entitlements for community development funds; and

WHEREAS: The County of Wayne, Michigan may qualify as an urban county as specified in the Act; and

WHEREAS: Act No. 18, Public Acts of 1933, Executive Session, as amended being Section 125.651 et, seq., of the Michigan Compiled Laws Annotated and Act. No. 344 Public Acts of 1945 as amended, being Section 125.71 et. seq., of Michigan Compiled Laws Annotated is the basic State legislation authorizing the County of Wayne to undertake essential community development and housing assistance activities within its boundaries provided it has an intergovernmental agreement with the specific community; and

WHEREAS: The City of Romulus wishes to join with the County of Wayne in the planning and implementation of this program.

NOW, THEREFORE, BE IT RESOLVED: This 8th day of September, that the City of Romulus hereby agrees to participate in this program under the auspices of the County of Wayne, for the period of three (3) years from the time of approval of the County's 1982 application by the United States Department of Housing and Urban Development, and

BE IT FURTHER RESOLVED: That the City of Romulus agrees to allow the County of Wayne to use its population and other demography as specified in the Act and Administrative Regulations governing the use of funds under Title I of Act for qualification to participate in the program.

BE IT FINALLY RESOLVED: That the City of Romulus agrees to cooperate with the County of Wayne in undertaking, or assisting in undertaking, essential community development and housing assistance activities, specifically urban renewal and publicly assisted housing, as contained in the 1982, 1983 and 1984 applications.

Roll call vote showing: Ayes — Cantrell, Raspberry, Yeramian, Banks, Block, Rush. Nays — None. Motion carried unanimously.

Motion by Cantrell, supported by Yeramian, to accept Mayor's Report. Roll call vote showing: Ayes — Cantrell, Raspberry, Yeramian, Banks, Block, Rush. Nays — None. Motion carried unanimously.

81-391

5A2. Motion by Yeramian, supported by Raspberry, pursuant to P.A. 116 of 1974, as amended (Farmland and Open Space Preservation Act), to approve for a period of ten (10) years the application for Farmland Agreement filed in the City of Romulus on the 12th day of August, 1981, by Frederick and Helen Hay. Roll call vote showing: Ayes — Raspberry, Block, Yeramian, Cantrell, Rush, Banks. Nays — None. Motion carried unanimously.

81-320

8. Motion by Raspberry, supported by Rush, to direct the Clerk to forward a communication to U.S. Senators Riegle and Levin, Congressman Ford, and the Senate Subcommittee on Social Security, i.e., (William Armstrong, David Durenburger, John Danforth, Robert Dole, Daniel Mynihan, Russell Long, David Boren) and the House Subcommittee on Social Security (i.e. J.J. Pickle, Andrew Jacobs, William R. Cotter, Richard Gephardt, Frank Guarini, James N. Shannon, Bill Archer, Willis Gradison, John Rousselot, Philip M. Crane) opposing proposed budget cuts in those Social Services areas affecting the poor and aged; specifically, Social Security, Education, Unemployment, Medicare for Seniors, and Food Stamps for the destitute. Roll call vote showing: Ayes — Raspberry, Cantrell, Banks, Rush, Canejo, Block, Yeramian. Nays — None. Motion carried unanimously.

9. None

81-321

10. Motion by Rush, supported by Yeramian, to pay Warrant 82-5. Roll call vote showing: Ayes — Rush, Canejo, Banks, Block, Yeramian, Abstain — Cantrell, Raspberry. Nays — None. Motion carried.

Motion by Rush, supported by Cantrell, to adjourn the meeting. Roll call vote showing: Ayes — Raspberry, Cantrell, Canejo, Block, Banks, Rush, Yeramian. Nays — None. Motion carried unanimously.

Respectfully submitted,
Linda R. Choate, Deputy Clerk
City of Romulus

I, Linda R. Choate, Deputy Clerk for the City of Romulus do hereby certify the foregoing to be a true copy of the minutes of the Regular meeting of the Romulus City Council held on the 8th day of September, 1981.

CITY OF BELLEVVLLE COUNCIL MINUTES

SEPTEMBER 21, 1981 REGULAR MEETING

A regular meeting of the City Council for the City of Belleville, County of Wayne, and State of Michigan was called to order by Mayor Emerson, with Councilmen Stinehour, Tontalo, Loria present. Councilman Carlson absent.

Also present: B. Ward Smith, James White, John Hoops, Burma Wertz, Steve Sheldon, Harley Simmons.

Motion by Loria, supported by Tontalo, to excuse Mr. Carlson from this meeting.

Motion carried unanimously.

Motion by Tontalo, supported by Loria, to approve Council minutes of September 8.

Motion carried unanimously.

Motion by Tontalo, supported by Loria, to receive Planning Commission minutes of September 15 noting denial of rezoning requested for Lot 118, Assessor's Belleville Plat #4.

Motion carried unanimously.

Motion by Stinehour, supported by Loria, to receive Treasurer's Report for August.

Motion carried unanimously.

Motion by Tontalo, supported by Loria, to confirm the mayor's appointments to the Board of Canvassers: June Roberts, term ending December, 1983, Suzanne Stevens, term ending December, 1981.

Motion carried unanimously.

Motion by Tontalo, supported by Loria, to postpone action on sewage disposal rates until October 5th meeting.

Motion carried unanimously.

Motion by Tontalo, supported by Stinehour, to place on file letter from Wayne County Road Commission regarding fuel and vehicle registration funds.

Motion carried unanimously.

Motion by Stinehour, supported by Tontalo, to adopt resolution supporting the Wayne County Charter with an elected executive.

Motion carried unanimously.

Motion by Tontalo, supported by Stinehour, to authorize Keith Bruder Landscape proceed with landscaping project at Library in amount of $670.00.

Motion carried unanimously.

Motion by Tontalo, supported by Loria, to postpone until October 19 meeting request by Senior Citizens to use Fire Hall for weekly meetings.

Motion carried unanimously.

Motion by Loria, supported by Stinehour, to pay bills as presented with the exception of Belleville Jaycees.

Motion carried unanimously.

Motion by Stinehour, supported by Loria, to adjourn meeting at 8:30 p.m.

Motion carried unanimously.

Romulus' finest

Romulus police officers Joseph Wedesky and Robert Zarras proudly display the trophies that the Romulus Police Running Team won at the 1981 Dearborn Police Department 10,000 Meter (6.2 miles) Bust Race. The team competing in its first race together came in third place in Class C. Team members not pictured included William Davenport and Timothy O'Neil. There were 267 runners, Davenport finished 36th with a time of 38:59' Wedesky came in 79th at 41:47, Zarras was 122nd with a time of 44:23 and O'Neil was 259th with 57:39.

Old New Boston School up for sale

A community center or flea market?

Pushing "civic pride," the Huron Township Recreation Committee urged the Huron School Board to let them lease the old New Boston School as a community center.

The School Board, however, had received an offer to purchase the building. They directed their realtor to meet with the interested party.

"It looks like we'll sell if we get a reasonable offer," said Curtis Bartz, Superintendent of Schools.

Supt. Bartz pointed out that revenue from the sale of the school had been "strictly earmarked" last spring for maintenance and repair of district school buildings. "Roofs are leaking and heating systems need to be corrected," he said.

The tentative buyer wishes to turn the building into a giant flea market. School Board members at last week's meeting agreed they'd rather see a community center, but they had to consider the revenue which the sale of the building would bring.

Township treasurer Christine Gamber, who represented the Recreation Committee, said she was "begging" the School Board for the building to house community groups such as senior citizens, youth groups, Rotary, and to use the facility for commuunity purpose functions.

The township would have to levy third-quarter mill the first year to renovate the school, but much of the financing would also come from block grants. Later it would cost half-a-mill per year to operate the facility.

"I realize the schools need a lot of maintenance," Mrs. Gamber said. "It's a shame the community center wasn't proposed earlier.

"It would be such an asset to the township."

Board protests new sewer rate hikes

Sewer rate increases were accepted "under protest" by the Huron Township Board.

"There should be a uniform rate for all the sytems in Wayne County," said Supervisor Richard Sullivan at last week's Board meeting. "It isn't fair that we have to pay more than other communities."

Because Huron and Flat Rock are served by what they believe is an inefficient Flat Rock Plant, sewage disposal services are more costly for them than for other communities in Wayne County.

"We originally went into a general Wayne County sewer system," Sullivan explained. Wayne County "districted" sewage treatment in 1973, however, and connected Huron to the Flat Rock Plant.

"This is not fair," said Sullivan.

The cost increase is to $1450 per million gallons, from the existing charge of $1250, effective Oct. 1.

Board members agreed that the increase should be paid "under protest" while Sullivan worked for a change in cost distribution.

Trustee Gary Bates believed that the Board should not pay the increase at all. "We should take an aggressive posture," he said. "Put the money in escrow and tell them we're paying more than our fair share." He was out voted.

Real estate in 80's

Market vocabulary over 2 year span changed drastically

BY HOWARD R. STINEHOUR, BROKER

H. R. Stinehour Real Estate Co.

The Michigan mortgage market has changed dramatically in the last two years. Trade language, such as "Buy Down", "Wrap Arounds", "Renegotiables", or "Blended Rates" are new terms to the Real Estate world.

These mortgages are a little more complicated than the old "Fixed Rate" 30 year mortgages we've known, but they do give the prospective buyers an alternative to the highest interest rates in history! A few of the alternatives are:

"BUY DOWN PLAN" — The "Buy Down" introduces discount points to the conventional mortgage field. Contrary to F.H.A. and V.A. loans, the purchaser or seller can pay the points, or the points can be divided between the two. The mortgage rate varies with the number of points paid and with the length of years to payoff and also vary from one lending institution to another.

"BLENDED RATE MORTGAGE" — The Blended Rate is not available on all homes. Where it is available, the purchaser applies for a new mortgage at the same lending institution where the seller has his present mortgage at a much lower interest rate. The lender adjusts the new rate somewhere between the going rate and the old rate. Many variables are considered in determining the new rate such as: mortgage balance, number of remaining years, present interest rate, the going interest rate, the down payment etc.

"FNMA BLENDED RATE" or "FNMA BUY DOWN" These plans work with the same principals as the regular Buy Down or Blended Rate EXCEPT the Seller must have a FNMA mortgage on his home at the present time. The rates offered are considerably LOWER than a regular Buy Down or Blended Rate.

"RENEGOTIABLE RATE MORTGAGE" This term is misleading. There is no renegotiating. The lender adjusts the interest rate up or down, depending on the rise and fall of the so called "going rate" on straight conventional mortgages, however, there is a limit to the percentage of rate increase AND the starting interest rate is lower than it would be on a "Fixed Rate" 30 year mortgage.

"WRAP AROUND MORTGAGE" In the Wrap Around, the seller, or a Mortgage Co., holds a second mortgage and the purchaser assumes the seller's first mortgage. This type of financing is a lot less popular than the good old Land Contract that has been used sparingly in urban areas in the past, but has always been used in rural areas to sell vacant land or as a financial investment for the seller.

"LAND CONTRACT" Land Contract is the most flexible type of financing. The down payment, interest rate, monthly payment, quarterly payment, semi annual payment, number of years financed and balloon payments are negotiable and can vary depending on what the purchaser and seller might agree upon. The only limit is the 11% per anum interest rate set by Michigan Law.

"MORTGAGE ASSUMPTION" This is a good way to purchase a home and some times the interest rate stays the same as what the seller is paying. Some lenders raise the interest rate to 5 or 6% LOWER than the current going rate. The purchaser pays the difference between the selling price and the balance oweing on the present mortgage. "Closeing Costs" are very little.

The Real Estate world has changed from a sellers market to a buyers market and while most news media report the negative features regarding todays mortgaging...they do not report the various avenues of financing available and anticipate being in it for many years to come, keep ourselves educated on different financial methods. I hope this article will help the prospective home buyer and inform them of the advantages of creative financing!

International Year of Disabled Persons 1981

Hello autumn

"Hello Autumn", a family nature walk, will be held at the Nature Center of Oakwoods Metropark near Flat Rock on Sunday, October 4 at 2 p.m.

Naturalist Gerry Wykes will conduct this walk through a fall woodlot during nature's most colorful season. Say "hello" to the rich autumn colors of red, yellow, and gold — the crisp fall air — the red squirrel storing a winter supply of acorns and hickory nuts — and the tree that flowers at the wrong time of the year.

Along the way, persons will learn how the Indians ground "acorns" and why some animals prefer to say "goodbye autumn". Maybe we'll run into Jack Frost along the way and find out his true identity.

This program is "free", however, advance registration is required.

For information/registration — contact the Nature Center of Oakwoods Metropark — Phone 697-9181 (Belleville).

A vehicle entry permit is required (Annual: regular - $7 or senior citizen - $2 or daily - $2).

Our opinions

'Red ink' isn't always bad

When you look out of your fiscal windows, even on a clear day nowadays, everything seems foggy. The President is telling us he has to make all of his billion dollar cutbacks to balance the budget, and in order to do so he's giving everyone an across-the-board tax decrease.

The relief is good, but, as we see it, it doesn't make sense. He's also cutting out a lot of programs like food stamps and social welfare payments and-or you've read about them, and on the other hand offering the rich and the wealthy corporations hefty tax breaks.

Reagan argues that if the rich have the money, they'll create more jobs, therefore, more people will be back on the job and less in the unemployment lines.

That sounds good, too.

But, major corporations, through many, many loopholes usually find a way out of paying taxes, anyway. And, according to statistics, this country has been carried economically by the "average" guy and woman who week after week gives tribute to Caesar by no, not handing it to him, but through payroll deductions.

And now that most of the "average" workers find themselves in trouble, so does Uncle Sam.

It's a vicious economic cycle, and none of the people at the top have been able to solve the problem. If so, how do they explain the trillion dollar deficit this administration is attempting to eliminate.

The push for that envious and elusive balanced budget should be commended, however, what administration in the history of this country has ever been able to accomplish what is and appears to be an impossible task.

Since none have, why is Reagan trying?

When will Presidents and their administrations — forget about the balancing of budgets for they are meaningless — and get down to creating the jobs that are necessary and have been created by unbalanced budgets?

Presidents should remember that the wealth of this nation is determined by the sum total of its people and resources. And that is unlimited.

We believe in deficit spending. If it was good for our forefathers, it has to be good for us.

Handicapped need jobs not sympathy

Being disabled does not mean unable. However, it often does mean that if you're a job seeker with a disability, you may have to try harder to find a job.

National Employ the Handicapped Week (NETHW), October 4-10, is perhaps a good time for disabled job seekers to re-assess their attitudes when looking for a job.

Employers' attitudes toward hiring workers with disabilities has improved, but discrimination has not disappeared.

The task of looking for a job can be tough for anyone, but it can be particularly disheartening for those with a disability, especially after you've been turned down for a job for which you felt qualified.

A negative attitude or low self-image is an emotion that is often impossible to suppress. If you don't have confidence about yourself and your abilities when looking for a job, it is more likely that the employer won't feel good about you during a job interview.

In the final analysis, it clearly follows that if you can learn to effectively communicate a positive attitude about your skills and not a negative attitude about your disability, the employer just may decide that you are the best choice for the job.

Strike up the band

Another viewpoint

Canton farmlands-- where do we go from here?

EDITOR — I was pleased to see the letter from Commissioner Robert Shefferly in the papers recently, regarding the upcoming election on the purchase of "Farmland" in Canton.

This issue has been around for several years now and only continues to cost us taxpayers money. Hidden tax dollars, because of all of the "small" studies conducted by the Township Board, to see if it's "feasible" to purchase Farmland.

Many, many hours have been spent on this topic. There was a deadline on May 31, 1981, that the people were supposed to give "another" indication (vote), which is now several months past this deadline. The Township Board is finally responsible for giving the people another chance. Who wants another change?

Why does the amount of "Farmland Acreage" keep changing? The first amount was over 7,000 acres. Then, 5,000 acres and now, who knows? The first cost determinations were over $20 million. Now we are down to $5 million.

When will the governemnt wake up?

It is sure nice to see open fields of corn and wheat. Many people moved here to share in the openesss of Canton's natural surroundings. As long as someone else owns the property, we will look at its beauty. Is there a disguised plot here? Are you ready to pay to preserve these open areas?

This "Farmland" issue started out as a means of "Growth Control"; many people will argue this point. Then, things were changed. The people involved disguised the issue as a means to help the farmer with his taxes and to insure no growth west of Canton Center Road. At the same time they are saying we, here in Canton, should be the pioneers in saving Farmland.

Many Canton homeowners cannot sell their homes today if they wanted to. Inflation, high interest rates and an ever increasing tax base, face all of us. There will be very little building of homes west of Canton Center Road, because of sewer capacity. We are limited. Just ask.

Just ask why the commercial and industrial tax base is not anywhere near 50%? An ideal split should be 50% residential, not 90%. Ask why your roads are not improved? Ask yourself if the government should be allowed to proceed with buying Farmland? An ad says, "Pay me now or pay me later".

It is my opinion that many other priorities should be considered first, and as much time and money should be spent on improving your tax base, not further spending. What do you think?

The Other Side of the Meridian

Jail was pleasant

Once in a while there comes along a story that we really enjoy writing.

Like the one told about the Inkster man arrested in Wayne who wrote a "thank you" letter to safety director Ray LeCornu about "how nice the jail accommodations were".

The dramas and traumas in jail, prisons and their like have been recorded since the beginning of time, but the note from Inkster has to be one of its kind. Since our readers feel there usually isn't news to smile about, I figure I would pass this gem on to them, omitting the letterwriter's name.

Let's pick up the dialogue with Director LeCornu's discussion and subsequent message to City Council. It goes like this:

"I received a telephone call from a man who identified himself as.....

"He informed me that he was arrested on 8-19-81 after midnight and held approximately 30 to 45 minutes in jail. He said he was arrested by an officer in Car No. 443.

"The purpose of his call was to let me know how pleased he was with the way that he was treated by the officer and the lieutenant after he was brought into the station. He said that you both were very courteous and cooperative.

"He said there was no hollering or screaming and that you permitted him to use the telephone and that you were very kind to his wife.

He said that he was arrested for "traffic". He said you did your job, but you were very professional in the way that you did it.

"He said that he just felt so good about the way that he was treated that he wanted me to know. He did not know your names.

"I expressed my appreciation to him for taking the time to call and inform me of his satisfaction in the way that each of you performed your duty.

"I have also been informed that he called City Hall and similarly expressed himself to the City Manager's office. I am forwarding a copy of this communication to City Manager Daily.

"I am always pleased to receive reports that officers of the Wayne Police are performing their duties in a professional manner. We too, appreciate your work."

See you next week.

PART II

When government can't find the taxes to pay for services

Macon County, Ill. will lose 20 jailors' salaries now paid by the Comprehensive Employment and Training Act (CETA). The sheriff needs to keep 13, but the county says it can't pay them.

An Atlantic County, N.J., strike settlement increased payroll, so Executive Charles Worthington recommends eliminating the court counselors, phasing out a nursing home, a boarding home for the handicapped, eliminating weekend meals served to the elderly at 10 nutrition sites and closing one site entirely. He has instituted a hiring freeze, 10 nutrition sites and closing one site entirely. He has instituted a hiring freeze.

Despite a new tax levy, this year Multnomah County (Portland), Ore. will cover fewer people under its nationally-recognized insurance program "Project Health." Eleven clinics will consolidate into six. A regional park is open only four days a week. A state-funded community residence program for nonviolent offenders has been closed. Jailing these people usually cost more per day.

Erie County (Buffalo), N.Y., school districts are selling schools — not because of reduced enrollment — as an economy measure , according to Commissioner Albert N. Abgott.

Duval County (Jacksonville), Fla. reduced its operations budget 5 percent. Loss of a $53 million federal grant for water treatment and sewer repair will defer that project. The county has deferred a $5 million airport refurbishment. Loss of $7 million from the Economic Development Administration will kill an urban parks program.

Pima County, Ariz., has started construction on a $4.2 million water treatment plant formerly subsidized by a U.S. Environmental Protection Agency grant. The grant has been reduced to about $200,000, so they must use local funds instead. Prima County is not filling many vacancies. Swimming pools and parks are being operated four days a week. There will be no trash pick up on the median strips of county roads.

Shelby County (Memphis), Tenn., will drop or defer $161 million in capital improvements, including improvement of 37 parks, a library, museum, court building, police station, retail center, old theater, clinics, county buildings, penal farm and fire station. The county has eliminated jobs of 113 health educators. A vocational education program at the penal farm has been closed. Loss of funds from the U.S. Community Services Administration will require consolidation of nine outreach offices into four. In lieu of advocacy, remaining staff will seek jobs unemployed. The buzz words are no longer "Help the poor," says Cliff Tuck, a local official, they're "Help the economy." On a positive note, because of hard times, Memphis and county politicians are again talking "consolidation."

In Shawnee County (Topeka), Kan., they are phasing out a psychiatric day care care center for 50 to 60 formerly institutionalized people.

San Diego's $218 million solid waste recycling plant will be deferred.

New York City Assistant Budget Director James Brenner is one of the few local officials who has made an analysis of forthcoming loss of federal funds. He estimates it at about $308 million. Based on the $2.6 billion revenue forecast for the city for 1981, this represents a 12 percent reduction, assuming there will be no change in the distribution of newly-created block grants. Furthermore, he says, if the state either shifts the distribution received by the city — or retains a greater share for its own use — the local impact would be much greater.

Loss of services is, obviously, just the tip of the iceberg. It is a sign that indicates local governments are beginning to lose their ability to respond to local problems, to bring about economic revitalization, protect physical infrastructure and improve the quality of life for citizens.

Unfortunately, this trend will probably continue unless local, federal and state politicians can resolve an age-old federal battle. They must determine what service is to be provided by each level of government and properly assign appropriate taxing powers along with it.

Why do schools always want money?

EDITOR — This is an open letter to the City of Romulus, Romulus Board of Education, and the Associated Newspapers.

As a parent and a citizen of this community, I protest the way the Romulus School District handles education of taxpayers. Cutbacks are made due to lack of funds, yet no real, detailed explanation is given to the public.

There is a money problem.

During the eight years I have lived here, repeated requests have been made for millage increases and renewals.

Inflation and deflation have taken their toll. They have become a fact of life, affecting us all.

Everyone is striving to cope with money shortages. We must do without some luxuries and postpone some necessities.

Sometimes we seek ways to increase our income. Measures must be taken to live within our budget. It is easy to understand that the school system must operate on its income.

What is not understood are the facts concerning the district's problems.

Why is more funding needed? Why is there a shortage of operating funds? Why are all the changes being made in the individual schools? Why must the children be denied opportunities and privileges which were a part of the education of past years? Will further cutbacks be made in the months to come? When will conditions improve?

Because the school children of today are the leaders of the future, why doesn't this newspaper take the initiative to make the facts more available to the public?

The City of Romulus has a great stake in the children of Romulus. Why do you allow the School District to flounder in distress?

The City-School newsletter is commendable as an effort to communicate news to citizens. However, this does not address the money problem the schools have.

There should be a concerted effort to find a solution. If the only (?) answer is the taxpayer, then why is there no attempt to make taxpayers more understanding of these needs? Why is there no effort to get citizens more involved in a solution?

If the School Board loses its battle to give a full, well-rounded program which fills the needs of every child, then ultimately we all lose, don't we?

A concerned person,
PAT DITSCH
Romulus

WCCC says 'thank you'

EDITOR — To all the many people including educators, business owners, unions, newspapers, local service clubs and individual supporters of Western-Wayne County, we, from Wayne County Community College extend to you our sincere appreciation for your support in promoting the opening of the Western Center.

I, personally, wish to thank you and the members of my staff for creating such tremendous awareness to your community about the Western Center.

Now that the college is open, it is our job to serve the community by teaching our students the knowledge and skills necessary for their life's personal achievements and goals.

Again, your past cooperation has been very much appreciated.

JULIUS BROWN,
Dean
Western Region

Candidate sets things straight

EDITOR — In response to a letter in September 24, 1981 issue, "Politics in Westland", by Bob Watkins.

I like Tom Brown as a person, but about two months ago people through-out Westland were telling me about Mr. Brown getting a pension from the state and needing a few more years to get a pension from the city.

So, a lot of people in the city knew about it but I did not talk or print it until I could prove it past hearsay, Mr. Watkins, that's fact!

As for Mr. Charles Griffin, I noticed that Mr. Watkins talks only about his past and not about what I feel is insulting and demeaning to people while passing what ever the administration wants, no matter if it is good or not!

As for Kenneth Mehl being a mouthpiece for the city hall? When the paving program was brought to the Planning Commission some of its members told the Mayor that the way it was put together it would not hold up and was priced out of line for its benefits to the people.

To this the Mayor said if you don't pass it I'll find someone who will, but not Mr. Mehl, he passes it, FACT!

And as for being a member of the Wayne-Westland Bowling Association qualifies for making non-bowling decisions leads me to one of two conclusions, (1) that someone wrote the letter for Mr. Watkins and put his name on the letter. The Westland Homeowners Against the Paving Program, (W.H.O.A.P.P.) elected me as its President when they formed, (not appointed) and, my friend, we're in court and not stuck with a cheap paving job.

I stepped down as W.H.O.A.P.P. President and am running for City Council now, fact!!!

JAMES R. DAVIS
Westland

Swimmers appreciative

EDITOR — The Belleville Tiger Swim Club would like to say a sincere thank-you to the merchants in Belleville who allowed us to put up posters and to Atchinson's Ford Dealer, Flags Restaurant and Goofy's Car Wash for their part in advertising our registration and making it a wonderful success.

A special thank-you goes to Dr. Barden and his staff for making sure all our swimmers are in top shape for the new season.

PATTI MERRITT
Belleville

Poole wants Canton on map

EDITOR — I am writing to express my concern over the failure of having the Canton community identified on the Official State Highway Map.

Canton, the third most populous township in the state with over 48,000 residents, does not appear on the map. Yet, so called "settlement communities" with no organized government are found on the map. e.g. (Denton, Salem, Dixboro and Waltz in our vicinity).

Many times Canton residents and businesses have related to me instances where travelers and/or deliveries had great difficulty reaching their destination in Canton utilizing the state map.

I would support the policy of placing townships or communities on the map upon reaching some threshold population level, such as 25,000.

I firmly believe that person utilizing state transportation maps, be they travelers or truck drivers, deserve to have major population centers identified.

Canton is a complete community with our own Police, Fire, Administration Building, Interstate interchanges, Zip Code and more. General Law or Charter Townships should not be penalized because of the form of government they have chosen to serve its residents.

I would appreciate any and all efforts in assisting Canton and similar communities in achieving our (their) much needed and deserved identity.

Sincerely,
JAMES E. POOLE
Supervisor of Canton

School bussing is a problem

EDITOR — Perhaps your newspaper can look into the situation which exist in the Van Buren School System regarding its bus routes and its schedules.

The transportation director seems to be uninterested in the safety and welfare of the students of the district.

As a parent of children in the District I am appalled at the fact that children in this district, particularly students at Elwell school, are riding school buses as long as an hour to reach home.

Buses are crammed with wall-to-wall students as cut-back measures once again cause the students to suffer. Discipline problems are rampant on these buses, which drivers are unable to deal with. After all they are paid to drive the buses with expertise and skill not be paid babysitters.

Numerous bus drivers would be most willing to discuss the mental stress, strain and aggravation they are forced to suffer, should YOU choose to ASK them.

Why is it that our children are forced to spend long periods of times on these buses, and furthermore why is it this year more and more students are being FORCED to WALK long distances to reach buses. Who will take responsibility should some tragedy take place while these innocent victims of the times try to reach Van Buren School buses.

Many parents, particularily parents living in Sumpter Township object vehemently.

Who better to tell you of the situation than the drivers themselves. Drivers are telling parents here that the buses are too crowded and they simply cannot handle the discipline problems which exist throughout the school bus system.

The problem should be looked into without haste before someone is hurt. The parents of the district are now meeting amongst ourselves to apply pressure to a lackadaisical school board and a non-caring Mr. Buss.

Thank you for your reading interest and I would appreciate a board opinion on the transportation system as it exists in the district.

Letterwriter lauds Mrs. Pokerwinski

EDITOR — It is very refreshing to meet a competent, young lady like Mrs. Sharon Pokerwinski, with self-esteem, demonstrating knowledge and such dedication to her job.

As a property owner in Sumpter Township, I congratulate the township board and the supervisor, Mrs. James Reeces, his office and its efficient functions.

AVIVA APEL,
Sumpter

'From Canton with love'

EDITOR — I am writing to thank you for your participation in the Canton Country Festival. Your direct contribution and personal contact with the community, through your involvement in the Festival, added significantly to the success of the event and the happiness of all participants and on-lookers.

I sincerely appreciate your participation and your help and willingness to make this a happy event.

A lot of people thought it would be another small town, hick rinky-dink affair. After seeing a Parade 1½ miles long, the Cow Chip Fling, and numerous other activities for three days, and viewing it on three television stations, hearing about it on seven radio stations and reading about it in six newspapers, I believe everyone got a lot more than they really expected. Maybe they will now believe that it is truly the second-largest Parade in Michigan.

Thanks again. We look forward to your participation again next year.

I hope that your involvement was as personally satisfying and rewarding to you as it was having your help.

JAMES E. POOLE

Another writer says 'thanks'

EDITOR — I would just like to take a moment to say "thank you" to the fine merchants in the Wayne/Westland community for there support of our first annual softball tournament.

Without their fine generosity we could not have had such a success as we did.

I would like to thank the teams that came out to play for their fine effort for such a good cause. Special thanks goes to Vic Chiasson at the Wayne Parks and Rec Center for all his help and support he gave me through all of this.

Ed Rowe, again thanks for hooking up the lines so we could sell and announce to the public.

The City of Westland for donating there power pack to us so we could be heard at the fields. Also I would like to say thank you to all the spectators who braved the weather last weekend to watch their team play.

SANDY McGLADE

Water tower coverage great

EDITOR: I would like to offer my sincere thanks and gratitude to the Associated Newspapers for its fantastic coverage of our recent project to paint Belleville's Historic Water Tower.

Your photograph's and articles were great and really informed the public of our progress and the problems we encountered.

I would also like to thank the Heroes of the project, the tower painters, Mike Kohut and Gary Gladhill who are both area residents and who work at GM, their ground crew was made up by Roger Suter, internal Vice-President of the Belleville-Van Buren Jaycees and Pete LaFramboise - the past President. I would like to thank as well the Belleville City Council for their cooperation, the Belleville Police Dept., and the various fine Belleville area people and businesses who contributed to this historic project.

TED CLAYTON
President,
Belleville-Van Buren Jaycees

Festival panel appreciates help

EDITOR — We would like to take this opportunity to thank all of those people who contributed so generously in making the City of Wayne Old-Fashioned Homecoming Festival a success.

Concessionaires, city officials, Wayne merchants, carnival workers and many volunteers all worked together to help make the Festival something of which we can all be proud and which brought enjoyment to many.

Sincerely,
Festival Commission
(P.S. We're already starting on plans for next year's Festival and would like to hear from you.)

Kindness was appreciated

EDITOR — A-special thank you from the family of the late Mrs. Ada Mae Miller.

Our sincere thanks to all of our relatives, good friends and neighbors for all their help, kindness and blessings in the recent loss of my mother and loved one.

A special thank you to the doctors, nurses, and entire staff of University of Michigan Hospital, Ann Arbor Mich.

MRS. GLADYS ERQUHART
Inkster

America

AMERICA IS MORE
THAN A GREAT LAND BENEATH THE SKY,
WITH GRASSY PLAINS BELOW
AND RUGGED MOUNTAINS HIGH.

A PLACE WHERE ALL HUMANITY
HAS DREAMED SINCE LIFE BEGAN,
TO EXERCISE THE DIGNITY
THAT'S BORN IN EVERY MAN.

IT GAVE THE WORLD A LESSON
THAT MEN HAVE EQUAL RIGHTS,
NOT ONE ABOVE THE OTHER,
LEST WE GAIN WITH SACRIFICE.

EVERY MORTAL OF THE EARTH
WHO WANTS TO TAKE THEIR PLACE,
EXPRESSING THEIR CONVICTIONS
TO A CAUSE THAT WE EMBRACE.

WE'LL TAKE THE TORCH OF FREEDOM
WITH ITS FLAME HELD HIGH AND BRIGHT,
SO NO DARKNESS WOULD CONCEAL
THE TRUTH OF HUMAN RIGHT.

ED KIND

Reflections

A Jewish mother's love

JOYCE HAGELTHORN

One afternoon at a wedding reception I sat with an elegant, gold-bedecked woman from Washington, D.C. The sun had obligingly slipped out from behind the clouds and was bathing the rolling yard with radiance, and soft breezes stirred the leaves, playing with our hair and touching our cheeks, cooling them and refreshing them.

"I always had one goal in life," she was saying in her elegant eastern accent, "and that was to be a good Jewish Mother."

Before I could answer she waved her hand at me and said, "Oh no, I'm not Jewish, but I have always wanted to be a good Jewish mother. Do you know why? Because they APPROVE of their kids.

Did you ever hear a Jewish mother say her kid was a creep, or a klutz ...oh no, they would say 'so, he is a creep, he is the best creep in the world. And I will hire someone to make sure he becomes the most famous of all creeps'. You think he is a klutz...he is just growing...there is nothing klutzy about him."

She leaned back and laughed.

"My best friend was a Jewish mother. She was the strongest woman I've ever known, and her kids still come back to her to drink of that strength. You can't tell a Jewish mother there is anything wrong with her kids. She knows better. She believes in them."

What a tribute!

I thought back over the years of raising kids and I wished I had met her before. I have always believed in my kids, but there are times...

Take today for instance. I was sitting at my typewriter with the itchy keys, day dreaming out of the window, when the door flew open with a crash, bang, and my youngest came rushing into the room carrying two pairs of shoes.

"Mother, I need help," she said. "I need you to tell me which pair of shoes look best with these jeans."

"Is there something different about those jeans?" I asked.

"Mother-r-r-r-r," with the exasperation showing.

So I turned around in my chair and watched her strap on a pair of heels.

"Now look," she said. "Do you like these?"

"I've always liked them," I answered.

"That's not what I mean," she cried. "Do you like them with these jeans?"

In her twenty years I have learned better than to say I DON'T like something she obviously likes.

"I want your honest opinion," she will urge, but she doesn't really mean it. And so I looked at my tall, slim daughter, and I looked at the long slim legs, encased in jeans with high heeled shoes, and I told her I liked them.

"Good," she beamed. "Now do you like these better?" And she thrust her feet into low-heeled. "Which does she want to wear?" I thought frantically to myself, and then I said, "Frankly, honey, it depends on where you are going."

"You KNOW I'm going to school,? She said with that scathing tone she saves for mothers.

"Then, I think I like a low-heeled...."

"Oh, so you think colleges have dress codes," she retorted.

"For heavens sake," I cried. "What do you want me to say. They BOTH look good. You look good. You can't go wrong with either."

"Oh mother, you are impossible!" And she banged out of the room.

I watched from the window as she got into her car. She had neither pair on. She had on a pair I had never seen.

I wonder what a good Jewish-mother would have done?

Mona Grigg

Oh, no Here comes typo

MONA GRIGG

Ah, me...

I mean, why me?

Here I was, last week, talking about typographical errors and bad grammar and deletions when who should appear but my old nemesis, Typo Marx.

Talk about embarrassing!

But I should have known... whenever Typo thinks I think I'm getting too big for my britches, he appears out of nowhere and louses things up for me.

Typo, who claims to be a distant cousin to Groucho, Harpo, et al (and who's to doubt him? There's a lot of the little devil in him), really loused things up for me this time.

Somehow he got into the printing room, got hold of my column and deleted two whole lines, inserted a few typographical errors (for which he's famous) and thereby destroyed any credibility I may have had with the unknowing.

Up to now I've been patient with Typo, mainly because of his impish charm — but he's not going to get away with it this time. So I'm afraid you're just going to have to bear with me while I make right his wrongs. It's my only defense against the little twerp.

See, what happened was that I was talking about this funny sentence in a newsletter a kid I know brought in from school. The sentence read, "A card will come home with your children," and not being ones to let a thing like that pass, we just took it one step further:

"Hey, Mom, this card came home with me. Can I keep it?"

"No! You've got enough pets!"

"Well, can I at least feed it?"

"If I've told you once, I've told you a thousand times — People food isn't good for cards!"

Typo obviously didn't think it was funny, because when it appeared in print, it was minus the two middle lines.

Then I was talking about kids who should be hung by their thumbs for saying "I don't got none", and Typo must have thought that was pushing it, too, because somehow a stray "n" appeared in "got", making it "I don't gont none" — which, come to think of it, is no worse than "I don't got none."

Then, toward the end, I talked about a box of toy soldiers I have in my possession that is the gem of all bad-grammar boxes (which I happen to collect, along with bad-grammar assembly instructions). In one sentence on the box there were three fine examples: "... during the 2rd World War they fighted against the germans and the japaneseses."

Well, didn't Typo take "2rd", which is hilarious (well, maybe not hilarious) and turn it into 2nd, which isn't the least bit funny? He did leave in "fighted" and "japaneses", though, I'll give him that.

I guess you think I'm nitpicking, but listen — this isn't the first time he's done this to me.

Once, in a column called, "If I Were to Graduate This Year", he made the entire last phrase of a sentence disappear. I had written, "... you were probably eligible for a scholarship, which entitled you, if you were on the poor side, to on-the-job training busing tables in the cafeteria.

Which wasn't all bad, because, unless you were going to be an engineer or a teacher (back then all boys who went to college were engineers, all girls were teachers), it was about the only practical experience you were likely to receive in college".

When it appeared in print, everything beyond, "all girls were teachers" was gone. Which, now that I think of it, wasn't all bad, because that sentence doesn't make one bit of sense! (so you see, Typo, I can louse things up very well on my own without any help from you.)

Another time he took a perfectly good title, "Whose War was it, Anyway?" and, turned it into "Who's War..."

And another time... no, I don't want to antagonize him any more — I'll be on his list forever — suffice it to say I got my revenge ... but if, as you read this, you find some really blantant errors, you'll know Typo's getting his...

Photo by ANP Chief Photographer Lothar Konietzko.

The Battle of the canoes

One of the highlights of this weekend's Huron Applefest will be a canoe race, which is sponsored by the Huron Township Recreation Commission. The race is scheduled for 11 a.m., Sunday, Oct. 4. Drawing attention, with little difficulty to that event are Chris Gamber, township treasurer, (from left), Linda Dyer, Cookie Kowalski, and Debbie Bowman, who figure to be in the thick of the race. There is still time to sign up for the race and other fun-filling events for the three-day activities. Persons are urged to contact the township offices for further information.

Good citizen

(Continued from Page A-4)

Ann Arbor area, Scarlett organized a raffle, dinner dance and a bake sale — raising $6,800 to aid the Morio family.

"Jim got the ball rolling by meeting with all 50 employees of the construction department," said Grace Publiski, a co-worker and one of more than 100 Michigan Bell employees who volunteered time to the effort.

"And he kept the ball rolling. He lettered posters used to promote the raffle and dinner dance, and he even used some of his vacation to tie up loose ends before the drawing and the party."

Scarlett's friendship and concern for the Morio family provided all the incentive he needed to follow through with the projects.

"Mike and I got to be pretty close friends after I transferred from Detroit to Ann Arbor in 1975," Scarlett explained. "We used to shoot pool together and tinker in his workshop — Mike was an ace mechanic. It just got to me that he'd never be able to use his hands like that again.

"I learned that Mike would need a custom-made electric wheelchair, a special ramp built onto his house and modifications to the bathroom, not to mention help with a month's worth of motel and airline bills his wife ran up during the time she spent with him in Florida after the accdient," he continued.

"But, hey, I didn't do it all alone," he pointed out. "Nothing could have been accomplished without help from the people I work with."

Scarlett's efforts did not go unappreciated by Morio, who attended the award luncheon honoring his friend.

"Jim was instrumental in helping me get back to Michigan from Florida and he was a big help to both me and my wife in the period following the accident," Morio recalled.

"When you have an accident like I did, you don't know who you will be able to count on," he continued.

"Jimmy really came through for me."

In Huron Township

Volunteer firefighters to receive pay hike

The Huron Township Board has authorized pay increases for members of the volunteer fire department, "to make them comparable to neighboring cities."

At the urging of fire chief Frank Marvaso, volunteers will earn $12 for the first hour at a fire and $7 for each hour thereafter. They will also receive $7 for each training meeting they attend.

Pay for rescue work was left at $5 an hour.

The board also authorized the purchase of a "trauma kit" for each firefighting training school graduate. This special medical kit would be carried in the volunteer's car, and used to administer first aid until the rescue truck arrived on the scene.

Ten kits would be needed, at a cost of $175 each. Marvaso said that unused block grant funds would cover much of this expense. The kits would be the property of the township.

The Board also approved the fire department's purchase of an aluminum boat for water rescue. The slightly-used craft, which retails for $500, was purchased for $225. The department is making their own draglines.

Because fire trucks appreciate in value, insurance coverage will be looked into and possibly revised, the Board decided. Insurance on the volunteers themselves will also be investigated.

The Board also agreed to have a roofer examine the roofs of both community firehouses, and give an estimate of how much it would cost to repair them.

Newlyweds cruise Caribbean; take up residence in Iowa

Cedar Rapids, Iowa is the new home for the newly-wed Jonathan D. Juchartzs who took up residence there after a 10-day honeymoon cruise through the Caribbean.

Patricia A. Russell, the daughter of Don and Betty Russell of Farmington Hills, became Mrs. Juchartz in a summer ceremony at Nardin Park Methodist Church in Farmington Hills.

Some 200 assembled relatives and friends, including the bridegroom's parents, Don and Doris Juchartz of Belleville, witnessed the seven o'clock rite conducted by The Rev. William A. Ritter.

MR. AND MRS. JONATHAN D. JUCHARTZ

The bride's cousin, Jackie Juchartz, was accompanied at the organ by Melvin Rookus as she sang "The Wedding Prayer" and the "Wedding Song."

Escorted to the altar by her father, the bride appeared in a lace-trimmed A-line peau de soie gown fashioned with sheer, full sleeves and a rounded neckline. Her silk illusion veil, which drifted to mid-back length, was secured by a headdress of silk white flowers which matched those contained in her cascade bouquet of white silk gardenias.

Toe-touching peach-colored frocks with sheer floral bodices were worn by the quartet of bridal attendants: Diane Russell, the bride's sister, who was maid of honor; Mary Russell of Berkley, Linda Russell of Farmington and Debra Juchartz of Belleville, all sisters of the bridal pair.

They wore combs of silk peach flowers in their hair and carried arrangements of matching silk blooms.

As his brother's best man, Dave Juchartz of Belleville, headed the corps of ushers which included Kevin Antonishen of New Baltimore and Jeff Fogarty and John Landoski, both of Belleville.

For the occasion, the bride's mother donned a full-length blue dress with a pleated skirt and Mrs. Juchartz, the bridegroom's mother, selected a pale green ensemble with a sheer flowered jacket. Both were honored with corsages of silk flowers.

Behnan Hall in Southfield was the setting for the reception which followed.

The new Mrs. Juchartz, who holds a bachelor of science degree in agricultural engineering from Michigan State University, is employed by General Mills in Cedar Rapids. Her husband graduated from Belleville High School in 1976 and from MSU in 1980 where he earned his bachelor's degree in landscape architecture. Now working for Combined Insurance Company in Cedar Rapids, he formerly was manager of the design department at Green Ridge Nursery in Northville.

The rehearsal dinner, hosted by the senior Juchartzs, was held in Farmington Hills at Botsford Inn.

Jacobs-Blackburn vows read at Deerfield Baptist Church

The Deerfield Primitive Baptist Church was the setting July 11 for the candlelight wedding which joined Sandra Jean Blackburn and David Lee Jacobs in holy matrimony.

The bride's grandfather, Elder John H. Blackburn of Red Jacket, W. Va., performed the ceremony assisted by Elder John Jacobs, father of the bridegroom.

Organist Mrs. Neetcie Buell accompanied David Hager, brother-in-law of the bride, as he sang "There is Love" and "The Time is Now" which he had written especially for the young couple.

The daughter of Mr. and Mrs. Harold Blackburn of Fenton, the bride was given in marriage by her parents. For her wedding day, she donned a gown of Chantilly lace and satin designed with a sweetheart neckline and long, tapered sleeves.

Her bouffant veil of silk illusion was banded in scalloped lace and her bridal bouquet was comprised of peach and white silk roses.

Sharon Hager, sister of the bride, was matron of honor in a floor-length gown of polyester over satin. Others in rainbow colors were Darlene Gent, Karyn Johnson, Pam Strawser and Sharon Jacobs, sister of the bridegroom.

Their bouquets of silk lilies and daisies blended with the peach, blue, mint green, lilac and pink of their dresses.

Heather Thibault, the flower girl, wore a little yellow frock and carried a basket made of yellow silk daisies filled with rose petals.

Sherman Hager, nephew of the bride, carried out the role of ringbearer.

A cousin of the bridegroom, Mike Smith, served as best man. Groomsmen included Joe Thornsbury and Richard Visingardi, both cousins of the bridegroom; David Thacker, brother-in-law of the bridegroom, and Rob Lintner.

Mrs. Blackburn wore for her daughter's weding a gown of baby blue nylon and lace over satin while the bridegroom's mother appeared in a white polyester street-length frock with orchid accents.

At the reception at Land O'Lakes Country Club, which followed the ceremony, a buffet dinner was served by Jean Arner, Ruth Amos, Lucille Partin and Robin Blackburn. Mrs. Nanette Thacker and Vicki Smith had charge of cutting the cake for the 250 guests including the bride's grandparents, the Miles Colemans of Kimper, Ky. and the John H. Blackburns of Red Jacket, W.Va. and the bridegroom's grandmother, Mrs. Ethel Thacker of Canada, Ky. as well as other out-of-state relatives.

The bride is a graduate of Fenton High School and her husband an alumnus of Belleville High School now employed at Contract Welding and Machining.

The newlyweds honeymooned in the Pocono Mountains of Pennsylvania and are now residing in Belleville.

The rehearsal dinner, given by the bridegroom's parents, was held at Bowmen Hall in Land O' Lakes.

MRS. DAVID L. JACOBS

potpourri

By Lee Smith -- *Suburban Living Editor*

Only two days had passed since my dissertation on canning and preserving, lauding those "pioneer" women for their prowess and productivity when I learned rather graphically that those gals really had nothing on their modern counterparts. Hardships and inconveniences, yes, but ambition, perseverance, stamina and thriftiness, I found, still surge through the economy-minded women of today.

After witnessing the swearing-in of the new postmaster in Hillsdale that same day, those in attendance were invited to a cook-out at the lakeside home of one of his peers.

It was there, in the shelf-and-cupboard lined garage (where picnic tables had been set up) that I had my revelation. Finding the area filled with row upon row of canned goods, I wandered over to take a closer look. There they were, the old standbys -- tomatoes, beets, corn, carrots -- but it was the "etcetera" that prompted me to call our hostess over for an explanation. She answered my queries about some of the "strange" jars by introducing me to eggplant pickles, zucchini pickles, pumpkin and squash, chutney, apple and pear butter, beans -- navy, kidney, lima, green, wax -- vegetable and tomato soups and juices, you name it!

Ah, but that was only PART of it, our Julia Childs of the preserving set told me, as she threw open the doors to a double pantry. It held, not only a stuffed freezer, but still more shelves of jams, jellies, preserves, marmalades, pears, peaches, cherries, plums and the remainder of the crop.

Her daughter, who'd latched on to our little "tour" then put us wise to the "storage porch" where still another freezer held sides of beef, pork, veal, and the 'fridge spewed forth that wonderful aroma of smoked hams and slabs of bacon.

"Good grief," I proclaimed (so very originally) "how big a family do you have?" Just one son still at home, I was told. "But," daughter added, "there WERE six of us at one time and Mom just got in the habit of doing all this and can't seem to stop. She's slowing down some, though, she didn't quite make the 2,000 jars of stuff she's done in years past."

Amen!

— — — —

OH, DO I HAVE A GEM for you this week? Talk about ease and convenience, this little condiment is "it"! Brought to "potpourri's" attention by none other than "our gal, Diane" at the E-R office, it has now been tried and tasted, smeared on toast and English muffins, and has passed the culinary test in the homes of our little office staff and a smattering of their kindfolk as well.

When letting (allowing) folks to sample this, however, DON'T let 'em know the secret ingredient, at least 'till you've made 'em guess a bit. And while they are still green tomatoes left in the garden, here 'tis.

RASPBERRY JAM

4 cups green tomatoes, pureed in blender
4 cups sugar

Cook 15 minutes, skim, add one 6 oz. box raspberry jello; stir until dissolved. Ladle into hot, sterilized jars and cap or seal with paraffin.

And -- here's the bonus, my friends, Diane went even further and experimented with strawberry and black raspberry jello and found these work as beautifully as the raspberry. Simple, isn't it?

AS AVERAGE AMERICANS • • •

• • • five of every 100 of us have done some genealogical research into our ancestry.

• • • half of us take our baths or showers in the evening, after dinner, or before going to bed. Men take a quarter of their baths or showers before breakfast. So do a third of working women. But only one housewife in 10 bathes that early.

• • • 22 in every 100 of us walk for exercise; 17 swim; 14 do calisthenics; 13 bicycle; 13 bowl; 11 jog; nine play tennis; seven play basketball; another seven hike; six play baseball and five play golf. This was found during a survey when adults were asked what sort of physical activity they do on a regular basis.

• • • a good percentage of us watch the annual Miss American contest. And here's the way she averages out: She's 5 feet, 7 inches tall; has measurements of 35.7, 23.4 and 35.5; is 20 years old; 14 times out of 18 her hair is brown; one eye is brown, one green (that's what happens when you average out eyes) and she is most likely to hail from the Midwest or the South. She is unlikely to be from the East.

• • • our first-time brides these days are 21½ years old while the average bridegroom is 24.

— — — —

ONE DAY ADAM was taking a walk with his two boys, Cain and Abel, when they saw a beautiful garden in the distance.

"I wish we could live there," said Cain.

"We did," answered Adam, "until your mother ate us out of house and home."

— — — —

THE BOTTOM LINE: Never lend money; it gives people amnesia.

Vickie Adams installed as Worthy Advisor for Rainbow

The 101st installation of officers of Belleville Assembly No. 49, International Order Rainbow for Girls, was held at the Masonic Temple Sept. 21. The Assembly was called to order by the Mother Advisor, Frances Cothern, and the address of welcome was given by Ruth McAtee, Associate Matron of Belleville Chapter No. 73, OES.

Introductions included the following: Mrs. Linda Freimann, Supreme Deputy of the Supreme Assembly International Order of the Rainbow for Girls in Michigan; Mrs. Roberta Pond and Mrs. Rose Ann Welt, Rainbow Arc and Sunshine Committee; Denise Welt, Special Chairman; Roberta Welt, Junior Executive Committee; Irene Harpet, Orange Ray Reporter; Nancy New, Grand Worthy Advisor; Gina Hunt, Grand Representative to Airzona; David Tomey, Worshipful Master of Myrtle Lodge No. 89, F&AM; William Similo, Dad Advisor; Harold Bullock, Master Councilor, and members of the Advisory Board.

Installing officers were: Retiring Worthy Advisor, Lola White; Installing Chaplain, Cheryl Viers; Installing Marshal, Lori Williams; Installing Recorder, Ruth McAtee; Installing Officers, Denise, Roberta Welt, and Mimi Welt; Installing Musician, Richard Carey, and Installing Soloist, Susan Featheringill.

Officers installed included: Worthy Advisor, Vicki Adams; Worthy Associate Advisor, Rhonda Claxton; Charity, Irene Harper; Hope, Angel Cooper; Faith, Jeannie Richard; Recorder, Deborah Smendra; Treasurer, Cheryl Viers; Chaplain, Tina Samsel; Drill Leader, Lola White; Love, Rachel Collins; Religion, Jane Aldridge; Nature, Robin Young; Immortality, Chrissy Brandon; Fidelity, Robin Burke; Patriotism, Tracy Similo; Service, Diane Wilson; Confidential Observer, Mimi Welt; Outer Observer, Joelle Manzer; Prompter, Julie Gulliman; Associate Drill Leader, Tammy Francis and Choir Director, Penny Wilson.

The retiring Worthy Advisor was presented with her jewel and the new Worthy Advisor with her Bible.

The new Worthy Advisor, Vickie Adams, chose for her theme, "Faith is to Believe." Her colors are yellow and white; her flower, the yellow rose and song, "He Touched Me."

Later, refreshments were served in the dining room at tables appropriately decorated.

Blood donors needed for Oct. 19 BPW drive

Monday, Oct. 19, is an important date for all of us! It signals the Annual Blood Drive in the Belleville-Van Buren community.

Once again the Belleville Business and Professional Women's Club (BPW) is joining the Red Cross in an effort to help meet the blood needs of your community by sponsoring a bloodmobile visit at Belleville High School aduditorium from 2 to 7:45 p.m.

The goal of the sponsors is to collect at least 200 pints of blood, a goal which can be met if everyone takes just a little time to donate.

The importance of donations cannot be stressed often enough. Blood is a lifesaving substance available only through our donations. There is a critical blood shortage in Southeast Michigan according to the Red Cross. Please help provide an adequate supply for those who might need it in this area. Sign up now to give.

Past donors will be called ffor appointments and later sent postal cards as reminders. But new donors are always needed and most welcome. Please call Margaret Saunders at 699-9710 or Midge Artley at 697-5761 to volunteer.

Remember, the Red Cross doesn't need blood—people do.

BPW marks 34th year at dinner

The Belleville Business and Professional Women's Club (BPW) celebrated its 34th anniversary Sept. 14 at Faith United Methodist Church in Denton.

The Ypsilanti BPW, Belleville's parent club, was represented by eight of its members. Five other guests; Cora Horton, a Belleville member from Battle Creek, and the two remaining charter members, Irene Whalen and Marie Artley, were also in attendance.

The membership committee was in charge of the program and had Kathy Irons of Wayne County Community College as guest speaker. Her subject was "Woman's Resources" with emphasis on the displaced homemaker, women's studies and a focus on women.

The BPW Fall District Meeting will be held Sept. 30 in Grosse Ile when the Belleville club will co-hostess the evening with the River Rouge BPW.

Diane Thompson, Howard Spence plan to marry

The engagement and autumn wedding plans of their daughter, Diane Patricia Thompson, and Howard W. Spence are announced by Donald and Dorothy Hartung of 1121 Orchard Dr., Marshall.

Miss Thompson, who resides at 6239 Rick St., Ypsilanti, holds a teaching certificate from Western Michigan University, was formerly with Van Buren Schools, and is currently doing post graduate work at Eastern Michigan University.

Her fiance, the son of Mr. and Mrs. William D. Spence of 142 Southwest St., Hillsdale, attended Northwestern and Eastern Michigan Universities and is now serving with the U.S. Navy at Chanute Air Force Base in Illinois.

In the community

Waters descendants, 61 in all, gather in Milan

Mr. and Mrs. Albert Dolph and the Jerry Dolph family were members of the Waters family who gathered at the home of the senior Mrs. Dolph's sister and husband, Margaret and Jack Butler, at Milan for a family reunion Sept. 20. The 61 persons present included the ladies' mother, Mrs. Hildur Waters of Marine, Minn.

Others were present from Pickford, Huntington Woods, Ann Arbor, Saline, Milan and Belleville. The 87-year-old mother came the farthest and was the oldest member present, the youngest being 16 months old.

Tom Hession of Six Lakes was a guest of friends, Mr. and Mrs. Ollie Hunter for several days last week.

Mr. and Mrs. Arlo Roth of Enon, Ohio were overnight guests last Friday of the latter's sister and husband, Mr. and Mrs. Lloyd Orr. A brother and wife, Mr. and Mrs. Donald Johnson of Millington were also Friday evening guests.

Mr. and Mrs. Russell Wilson, their daughter Janice Whitehouse of Dearborn, and Russell's sister, Helen Cunningham of Plymouth, recently enjoyed a trip to Sault Ste. Marie where they crossed the international bridge into Ontario. Driving on to Cochrane, they took the train trip to Moosonee on James Bay.

Returning home through WaWa to the Soo, they stopped to visit the Wilson's son, Dennis and family at Caro. They report delightful weather and beautiful scenery.

Mr. and Mrs. Thomas Sevens were recent guests of friends, Mr. and Mrs. George Schoenheide, at their home on Lake Erie near Colchester, Ont. They enjoyed lunch together at King's Landing in Kingsville and later visited Jack Miner's Bird Sanctuary.

A long-time friend, Mrs. Robert Fahey, from Key West, Fla. has been a guest this past week at the home of Mayor and Mrs. Justin Emerson. Son, Richard, with wife, Mindy, son, Michael of Lansing were also weekend guests.

Guests this past week at the home of Mr. and Mrs. George Robson were friends, Mr. and Mrs. Fred Schiller of Stratford, Conn. and Amanda Mac Lean of St. Catharenes, Ont.

Mr. and Mrs. Harry Goodwin of Pickford were weekend guests of their cousins, Mr. and Mrs. Albert Dolph.

Mrs. Paul (Verna) Artley of Sault Ste. Marie spent the past weekend visiting relatives in Belleville and Flat Rock.

Mrs. Ruth Roulo accompanied her sister, Norma Nagle of Dearborn, and the latter's daughter, Beverly Stahl of Warren, to Saline on Sunday where they enjoyed dinner and visited an antique show.

Dr. and Mrs. J. H. Tator and Sharlene enjoyed dinner on Sunday in Three Rivers with their son, Robert, in celebration of his birthday.

The annual "Ingathering" of the Ypsilanti Chapter DAR was held at the home of Mrs. Russell Seaman Sept. 18. At this time over 150 pounds of clothing were packed to be sent to Tamassee, S.C. for support of the DAR school for girls and boys.

Following lunch the regular monthly meeting was held. Members, Mrs. Daniel McGuire and Mrs. Richard Warner, gave interesting talks on the United States Constitution, it being constitution week.

Mr. and Mrs. Russell Wilson were guests last Sunday of relatives, Mr. and Mrs. Dale Starkey and Mr. and Mrs. Herbert Moore at Napoleon, Ohio.

Mr. and Mrs. Homer Cothern and the former's brother, Ivan, were in Pana, Ill. recently to attend the 31st Cothern family reunion at Kitchell Park.

It's a date

It's that time again — christmas bazaar planned

BELLEVILLE — The Belleville Band Boosters will hold their next meeting at 7 p.m. Oct. 5 at the Red Apple Restaurant on Main Street.

BELLEVILLE — A Millionaire's Party is being planned by the Belleville Tiger Booster Club for Oct. 24 at St. Anthony's Folta Building. Donation for the 8 p.m. to 1 a.m. event is $7.50 per person in advance and $9 at the door and will include free beer and pop and bogus money for the various attractions. Call 697-8241 for further information.

BELLEVILLE — The regular dinner meeting of the Belleville Business and Professional Women's Club (BPW) will be held at 6:30 p.m. Oct. 5 at Faith United Methodist Church in Denton. Charlotte Adams, state coordinator for ERA, will speak. Reservations may be made by calling 697-1691.

(**EDITOR'S NOTE:** It's a Date is Open to all local non-profit organizations free of charge. Information for the column should be submitted by phone or mail by 2 p.m. on Thursday of the week before the issue in which it is to appear. Call Lee Smith, Suburban Living Editor, at 697-9191 or mail to 116 Fourth St., Belleville, 48111. Items will be repeated until outdated.)

Deborah Filer receives $750 nursing scholarship

Deborah Filer, a junior at Eastern Michigan University where she is working toward her BSN in the school's nursing program, was the recipient of the $750 Clark Sawyer Memorial Scholarship. Awarded Sept. 16 at the Grand Hotel on Mackinac Island, the presentation was made by the Michigan Health Care Association of Lansing.

Criteria for the scholarship included work with the elderly in a nursing home; a grade point average of 3.77 and potential in a chosen field.

The daugher of Delbert and Louise Filer of Holiday Woods Park, Belleville, Miss Filer is employed at the Van Buren Convalescent Center.

MISS FILER

Huron Senior Citizens set for color tour trip

The Huron Township Senior Citizens are planning a Michigan Color Tour on Oct. 22 with Charter Bus Unlimited, Inc. booked for the trip which will include lunch at Coral Gables.

Those planning to participate are to meet at 7:30 a.m. at the Romulus City Hall parking lot. The cost of the outing is $22.52 per person with $5 of that amount being paid by Huron Township. Registration and payment in full must be made no later than Oct. 6 between 9 a.m. and 4 p.m. at the Huron Township Hall or at the Senior Citizens luncheon between 12 and 1 p.m. Monday through Friday at Center Junior High School.

For further information, contact Mary Butz, coordinator, at 941-0379 or 699-3239.

Waltz-Huron Sr. Citizens to celebrate

The Waltz-Huron Township Senior Citizens will celebrate October birthdays Oct. 6 in the Waltz Community Center. Those to be honored are: Katherine Charlesworth, Oct. 1; Edna Neal, Oct. 6; Gladys Doede, Oct. 31; Walter Sikorski, Oct. 19 and Clara Sutton, Oct. 17.

Members are to bring their own sack lunch for the meeting which will include cake and jello and a card session.

Members are reminded of the Senior Citizens Fair to be held at 10 a.m. Nov. 6 at the Waltz Community Center.

Suburban Living deadline Thursday — 2 p.m.

Slides shown at Study Club

The Belleville Junior Study Club held its first meeting of the new club season at the Sunset Lane home of Diane Wilson. Fifteen members answered roll cell with two guests, Pat Antonelli and Ruth Woody, being introduced.

Don Vilnius, manager of Wayne Disposal, was guest speaker for the evening and presenting a slide show on the operations of the landfill, telling of the effective and safe disposal of both hazardous and non-hazardous waste, and fielding questions from the group.

During the business session, conducted by Cathy Horste, the resignation of Phyllis Smith, a 14-year member, and the request from Peggy Voigt to go inactive were accepted.

Plans were laid for the club to act as hostess once again at the November Ingathering at Girlstown on Quirk Road. Arrangements were also made for eight members to attend the Michigan State Federation of Women's Club's Southeastern District Convention at Kingsley Inn on Sept. 22.

The MSFWC Junior Fall Conference, slated for Oct. 3 at Meadowbrook Hall in Rochester, was also on the agenda as were reports on the club activities, the Strawberry Festival and Shoplifting Seminar, which took place during the summer.

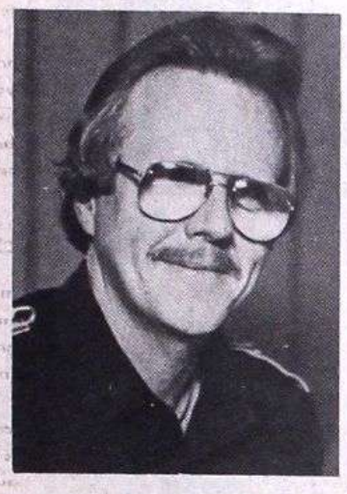
VOL. 1 NO. 1 THE VOICE OF GRASSAM CHIROPRACTIC LIFE CENTER OCTOBER 1981

Our Senior Citizens — They Deserve Better



IAN A. GRASSAM, D.C.

Who's the forgotten citizen in today's society? Too often it's the senior citizen or other persons living on fixed incomes. In a world of double-digit inflation, shrinking services and soaring interest rates, our seniors and those on general assistance programs have been left unprotected in too many instances.

Sure, everybody complains about taxes and inflation, but how many of us have tried to cope living on a fixed income? For many of those 65 and over it's a time of retirement they've looked forward to and dreamed about for years.

Now that retirement is here, the financial security of life in 1981 has put a damper on those dreams. Runaway inflation has a way of dehumanizing those unable to keep pace. What a poor way to treat the very people we should be thanking for their lifetime of contributions towards our government, our schools and our churches.

The senior citizens I've come in contact with aren't looking for charity or some kind of handout. They just want a chance to live a life of dignity and I certainly think they've earned that sense of dignity.

For the month of October the Grassam Chiropractic Life Center will show its appreciation of today's senior citizens. We want those on Medicaid, Medicare and other general assistance programs to know that we understand the difficulty of their plight.

During October all Medicaid and Medicare expenses normally paid for by the patient receiving chiropractic care will be absorbed by the center. There will be no charges for any deductibles, including office call and annual deductibles, nor any charges for examination or required x-rays normally picked up by the patient.

In short, no out-of-pocket costs will be incurred by Medicaid or Medicare patients.

The thought of a senior citizen, or anyone for that matter, continuing to suffer from such ailments as back and leg pain, headaches, allergies, deafness, stiff neck and numerous other conditions simply because they financially trapped is appalling. Chiropractic care is the way to a healthier life — and that's priceless.

During October our staff will show those on fixed incomes how chiropractic can change their lives. Medicare, Medicaid, A.D.C. and general assistance patients should simply call the center at 422-7800 for an appointment.

We don't consider this health care as charity. It's our way of helping those most affected by the economic realities of today.

It's also our way of saying "thank you" to those senior citizens who have given so much to improve our standard of living. Those of us at the Grassam Chiropractic Life Center have not forgotten about you, the senior citizen.

We look forward to seeing and treating you in October.

GRASSAM WAIVES FEES FOR MEDICARE and MEDICAID

Patients covered under Medicare and Medicaid programs will receive chiropractic treatment at no individual expense during the month of October at the Grassam Chiropractic Life Center, it was announced today by Dr. Ian Grassam.

All expenses not paid by these programs will be waived, including all deductible charges, examination fees and costs for any necessary x-rays, Dr. Grassam said. With this offer, senior citizen patients (aged 65 and older) and those on general assistance plans will incur no out-of-pocket expense for their chiropractic health care.

"These difficult economic times in Michigan have found many of our breadwinners and their families on general assistance, A.D.C. and Medicaid," the doctor pointed out. "It's time to give a hand to those who can use it.

"We don't want anyone to take a chance with the health of their family because of finances."

Those interested in the program for Medicaid and Medicare patients should contact the center at 422-7800. The Grassam Chiropractic Life Center is located at 6721 Merriman in Garden City.

Dr. Grassam noted that many people suffer needlessly today from such ailments as back and leg pain, headaches, allergies, stiff neck and numerous others even though chiropractic care can alleviate their health problems.

Medicare insurance currently only covers 80 percent of services rendered after a $60 yearly deduction on each Medicare patient. Patients also must assume the expense for required x-rays.

Medicare, Medicaid, A.D.C. and general assistance patients who are treated at the Grassam Chiropractic Life Center during October will not pay any out-of-pocket office call or annual deductible fee nor any charge for x-rays.

"What happens for workers when the TRA benefits run out?" Grassam declared. "People on fixed incomes are obviously greatly affected by today's economy.

"But one's health is a precious commodity," he emphasized. "That's why we'll absorb the costs for those who are most in need financially. If this starts a trend with others offering assistance to those on fixed incomes, that's fine. How can we expect institutions to help if people don't help other people?

"All we have is each other."

One of the country's most respected chiropractors, Dr. Grassam has won several honors and serves on the board of trustees on two chiropractic colleges. His center was the first in the area to implement a family health care program.

Those seeking further information on "no-out-pocket expense" program for Medicaid and Medicare patients can call 422-7800.

The Grassam Chiropractic Life Center has become one of the busiest chiropractic facilities in the nation since its doors opened 10 years ago at 6721 Merriman in Garden City (between Warren and Ford Road). Equipped with the latest health care technology, Dr. Grassam and his staff will be treating those under Medicaid and Medicare coverage at no out-of-pocket expense to the patients during the month of October. Dr. Grassam was the first area chiropractor to implement a family health care program and remains active in chiropractic research, serving on the board of trustees at two chiropractic colleges. His Life Center is open Monday thru Friday from 8 a.m. to 8 p.m., Saturday from 8 a.m. to 5 p.m. and starting in October on Sunday from noon to 3 p.m. Call 422-7800 for an appointment.

A NEW ADDITION TO YOUR HEALTH CENTER

THE VIDEOSCOPE VASCULAR ANALYZER

Dr. Dore (center), Dr. DeGrace (left) and Dr. Grassam (right) discuss information revealed by the new analyzer.

We are excited with our latest addition to the Grassam Chiropractic Life Center, the videoscope vascular analyzer.

This very sensitive machine is used for several functions, the most important being used to determine the flow of blood to the extremities (hands, arms, legs, feet) of the body.

With the information recorded, we can determine if the blood flow to the extremities is affected, or minimized to a blockage. We can further establish whether that blockage is due to a pinched or blocked nerve or if veins or arteries are blocked, and then determine the best possible solution to follow at that time.

The new analyzer is being used exhaustively in research study at all accredited chiropractic colleges. It has opened a new avenue of knowledge that will help both the patient and the doctor.

Stop by at your next visit and take a look at our new marvel.

Belleville's JSC is honored as 'Club of the Year'

Nine members of the Belleville Junior Study Club attended the 63rd Annual Convention of the Michigan State Federation's Women's Clubs South-Eastern District as honored guests.

The convention was held at the Kingsley Inn, Bloomfield Hills.

The Southeastern District is comprised of the 50 federated clubs in the counties of Wayne, Washtenaw, Oakland, Monroe, Jackson, Ingham, Livingston, and Lenawee.

The Belleville Junior Study Club was honored as the District's "Club of the Year" . . . the most outstanding club in those counties in the fields of Conservation, Art, Home Life, Education and international and public affairs.

Those members in attendance were: Cathy Horste - President of the Belleville Junior Study Club and Crime Reduction Chairman for the Southeastern District, Nancy Sawyer, BJSC Vice President, Connie Etter - BJSC Treasurer, Reia Clark - BJSC Secretary, Suzie Druker - BJSC Community Improvement Chairman, Sharlene Tator - club Parliamentarian, Rosita Vance - FREE Enterprise Chairman, Delphine Dudick - BJSC Home Life Chairman, and Mrs. Maxine Lane - a member of the Belleville Junior Study Club who also serves as President of the Southeastern District.

Club members who attended the day long session attended workshops in the areas of Community Improvement, Legislation, FREE Enterprise, and Shoplifting Reduction, the later being taught by BJSC member Cathy Horste.

The club also won several other awards - for its work with CARE, and Girlstown, and a special silver commemorative certificate recognizing its 25th Anniversary as a Federated Women's Club.

Here's Huron Apple Fest program

(Continued from Page A-1)

Miller School, located on Hannan School.

St. Paul's will start its chicken dinner at 12:30 p.m. on Sunday as well. There will be plenty of good home-made food, including a heap of apple pies.

Kicking off the festival, Friday evening at 8, the pageant for the crowning of the Huron Applefest Queen and Johnny Apple Seed will take place on Stage No. 1, located across from the township hall near Huron River Drive.

State No. 2 will be located on Huron River Drive across from Violet Street.

Here is a list of events for the 1981 Applefest:

Saturday, October 3

ONLY FIRST FEDERAL'S ALL SAVERS CERTIFICATE COMES WITH A SILVER LINING.

UP TO $2,000 IN TAX-FREE INTEREST.

Effective October 1, First Federal will pay you the highest interest yield allowed by law on your All Savers Certificate. You have a lifetime exemption of up to $2,000 in interest from federal and Michigan income tax on a joint return. (Up to $1,000 on an individual return.)

ONE-YEAR* ALL SAVERS CERTIFICATE

Minimum deposit $500

12.61%** per year

Available October 1 and October 2, 1981.

Call our hot line, 965-2020, on October 2 for new rate effective Monday, October 5, 1981.

*Early withdrawal of any part of the principal eliminates the tax-free status of the entire account and subjects the amount withdrawn to substantial penalty.

**Interest, which is "annual," is paid at maturity only. For other interest payment options, please talk with any of our branch office personnel.

FREE SILVER PIECES, TOO!

Then First Federal adds a bonus unmatched by any bank or other savings and loan: magnificent silver-plated serving pieces and accessories free or at fantastic savings.

You're eligible for this bonus if you:

- **... open a new one-year All Savers Certificate for $500 or more.**
- **... convert your First Federal 6-Month Money Market Certificate to a new All Savers Certificate. (New federal regulations now permit most certificates to be converted prior to maturity without penalty.)**
- **... open a new NOW interest-earning checking account with $500 or more.**

Only an extraordinary opportunity has made it possible for us to offer you such glorious gifts. They were crafted by the world-renowned International Silver and Lenox companies. So whichever gift you select, you know it will be serviceable and beautiful. The only problem you'll have is deciding which one to choose!

Open your All Savers Certificate right away, and start enjoying tax-free interest on your savings and beautiful silver on your table.

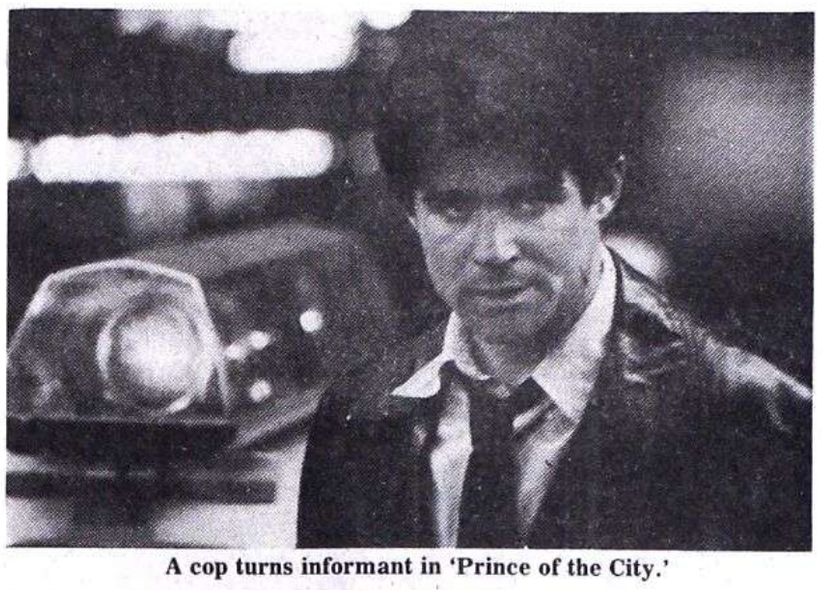
Self-defense course set

A self-defense program for all ages, Jishukan-Ryu Jujitsu, will be offered starting from 7 to 9 p.m. Oct. 1 by the Van Buren Parks and Recreation Department.

Jishukan-Ryu Jujitsu is a Japanese art originated by Grand Master Dr. Shuko Sugita, who lives in Japan. Ping Shihon, a Ypsilanti resident, heads the program in the United States. Members of the Ping Shihon studio will serve as instructors for the Van Buren class.

A number of martial arts are combined into Jishukan-Ryu Jujitsu, including Judo, Kempo, Aikido, Jo-Jitsu, Jeute and Kendo.

Registration for the seven-week class is being conducted at the recreation offices at Van Buren Township Hall. (phone number 699-2001). A $25 charge will be assessed each student.



A cop turns informant in 'Prince of the City.'

McNichol and Mason can't revive laughless script.

MOVIES

'Prince' should smile when awards given

"Prince of the City" From Warner Bros. Directed by Sidney Lumet. Written by Jay Presson Allen, Sidney Lumet. Starring Treat Williams, Jerry Orbach, Richard Foronjy. Rated "R." ★★★

By J. T. YURKO
Special to Playtime

No one else besides Sidney Lumet could have or would have even attempted to create a movie such as "Prince of the City."

First of all, there are those who might say, "Who needs another story of police corruption?" Then there are the logistics involved in the film, numerous characters, places, events — as it turns out, over 100 locations, 280 individual scenes, and 126 speaking parts.

Needless to say, the film runs over two-and-a-half-hours.

Th prognosis for this film at the box-office is questionable — it should do well enough to turn a profit but not much more. But stand back when awards time comes around. This "Prince" will have its arms full.

Based on the true story of Bob Leuci, a member of the elite Special Investigative Unit of the New York City Police force, the film offers an extraordinary look into the world of a policeman, as well as a look at who polices the policemen.

Leuci had a touch of idealism about him. He saw the corruption of lawyers, judges and bail-bondsmen and thought he could do something to straighten out the system. The system, however, nearly destroyed him.

Although he said he would never rat on a fellow cop, of the 70 men Leuci called his buddies in the Special Investigative Unit, 52 were indicted, two committed suicide, and one went mad.

This film examines law and justice far better than the implausible fireworks of a film like "And Justice For All," covers police corruption in greater depth and complexity than even Sydney Lumet's own "Serpico," and hits home with more impact than any other three police movies. But all of this takes time to happen, and the film demands patience from the viewer.

Director Lumet does all he can to make it easy, such as breaking the film down into several chapters or flashing police identification cards on the screen. The I.D. card is a clever device that not only familiarizes us with characters names and faces but serves as a counter-point to the man behind the badge and the gun.

Treat Williams gives the performance of the year as the cop who turns informant and gets chewed up and spit out by the system. The rest of the performers are too numerous to mention, but suffice to say that from lead role to bit part the acting is uniformly remarkable.

"Prince of the City" takes time to get rolling, has some slow spots and motivations which are either unclear or simplistic, but in the end the sheer force of the true story has a very potent kick.

Simon's laughless script leaves a hurt

"Only When I Laugh" From Columbia Pictures. Directed by Glenn Jourdan. Written by Neil Simon. Starring Marsha Mason, Kristy McNichol, James Coco. Rated "PG'."★

By J.T. YURKO
Special to Playtime

Neil Simon's previous effort, "Seems Like Old Times" was an amiable bit of fluff, a none-too-fast or frenzied farce, but with a Simon script and the likes of Goldie Hawn, Chevy Chase and Charles Grodin delivering the lines, the film was a pleasant diversion, and seemed like old Simon.

"Only When I Laugh" is another species, however, as it may easily be Simon's most laughless script to date. This is perhaps intentionally so, as even the title indicates a darker side to the proceedings with the implied ironic prologue, "Does it hurt?" to which comes the answer, "Only When I Laugh."

There is indeed a lot of hurt going on here, but with the jokes either not present or not working, little is left behind in their wake, and a near wake it is.

Marsha Mason plays an actress whose recent relationship ended and ended up putting her into an alcoholic rehabilitation program. Soon after emerging from the therapy, the old beau calls her up to ask her to star in a play he has written about their affair. Thus she will essentially play herself. (If this sounds familiar it has the near redundant ring of Mrs. Neil Simon (Mason) playing herself in "Chapter II.")

Kristy McNichol is her daughter struggling with her own premature New York sophistication to cope with her mother's problems and a few of her own. James Coco may be the saddest of all, this indicated by the fact that he has most of the funny lines; his quips are a cover-up, his self-deprecating jokes an attempt at comedy as exorcism. One can almost hear "Smile, though your heart is breaking. . . " playing in the background.

Somewhere in this

(Continued on C-3)

What's That Sound?

By STEVE O'LEARY

Recording 'wore them out'

BRYAN ADAMS
"You Want It, You Got It"
(A&M)

Make no doubt about it, Bryan Adams is the best thing to come out of Canada since 222's, playing a brand of rock 'n' roll that's hotter than the proverbial hell.

Witness Adams' own comment on the recording of the title track, which is a torrential rocker. He admits it "wore us out.When we finished that one, our fingers were bleeding, the drum sticks were broken...I wanted to check into a hospital!" One listen and you'll agree that it couldn't have happened any other way.

If you've got to classify Adams' music, then call it Heavy Metal with personality, which is the main ingredient left out of most bands in the genre. With a great voice and great songs, what else was there for Bryan Adams to do but get some of the best musicians around to do justice to the music.

And they do. Adams himself handles most of the guitar chores (quite nicely too, thank you), but guest axemen Jamie Glaser and G. E. Smith add their touch to the festivities. The rhythm section of Brian Stanley on bass and Mickey Curry on drums more than hold down the bottom, and ex-Ian Hunter — Mick Ronson bandmate Tommy Mandel hnadles the keyboards with his usual finesse.

Even Detroit's radio stations have picked up on Brian Adams, showing unusually good taste (actually playing something by a new artist is quite a feat in this town). I'm told that stations are playing both "Jealousy" and "Lonely Nights" quite a bit, which makes sense, because both are pounding rockers with hooks that just won't quit.

They're the kind of songs you hear once, and go around humming to yourself for weeks (as opposed to Styx, who I hear once, and go around trying to forget for weeks).

And there's lots more where those came from, since nearly every cut is a standout, from "One Good Reason" to "No One Makes It Right."

Do you like hot 'n' heavy rock 'n' roll that'll melt the cover right off your speaker, and do it with class? Well, "You Want It, You Got It."

TRUE PRESENTS two week TV entertainment

© Lorillard, U.S.A., 1981

A SCHEDULE OF MOVIES, SPORTS AND SPECIAL INTEREST PROGRAMING.

PROGRAMS SUBJECT TO CHANGE

D

movies

THUR., OCT. 1

8-10PM NBC (7 Central/Mountain)
THE HARLEM GLOBETROTTERS ON GILLIGAN'S ISLAND. Several of the original castaways are joined by the famed hoopsters. Bob Denver, Alan Hale, Jr., Russell Johnson, Dawn Welles, Natalie Schafer and Jim Bacus. Fun on that ole South Pacific atoll.

9-11PM ABC (8 Central/Mountain)
THE MANIONS OF AMERICA. (Part 2). Saga of the immigrant generation that put down roots, that grew and flourished into what is today hailed as "the American spirit".

10-11PM NBC (9 Central/Mountain)
THE SOPHISTICATED GENTS. (Conclusion). A murder investigation threatens to mar the reunion of nine members of a black athletic-social club honoring the coach who inspired them as youths. A test of loyalty and comradeship.

FRI., OCT. 2

9-11PM ABC (8 Central/Mountain)
THE MANIONS OF AMERICA. (Conclusion).

9-11PM NBC (8 Central/Mountain)
JET PILOT. John Wayne and Janet Leigh as two military fliers... one American (guess which one) and one Russian... working to carry out espionage for their respective nations until they fall in love.

SAT., OCT. 3

9-11PM CBS (8 Central/Mountain)
RED FLAG: THE ULTIMATE GAME. A fictional account of the incredibly realistic aerial war games routinely staged by the Air Force at Nellis Air Force Base in Nevada... the most realistic fighter-pilot training short of actual combat. An action-packed drama with Barry Bostwick, Joan Van

Ark, Fred McCarren, Debra Feuer, George Coe, Linden Chiles, Arlen Dean Snyder and William Devane. Enemy tactics and combat lore.

9-11PM NBC (8 Central/Mountain)

Brooke Shields

TILT. Light-hearted adventure about a teen-age pinball whiz and her association with a struggling rock singer. Brooke Shields is the "whiz" nicknamed "Tilt" (hummm???) and Ken Marshall portrays the vocal entertainer. Charles Durning steals the show in this TV movie premiere.

SUN., OCT. 4

7-8PM ABC (6 Central/Mountain)
THE WAVE. A chilling story of a teacher's experiment to prove that the horror of the Nazi youth movement could be spawned in this country.

9-11PM NBC (8 Central/Mountain)
GRAMBLING'S WHITE TIGER.

Bruce Jenner in a true story about the first white player on the Grambling College football team during a time of national unrest in 1968. LeVar Burton and Harry Belafonte co-star.

9-11PM ABC (8 Central/Mountain)
MISTRESS OF PARADISE. A beautiful Northern heiress marries a Southern plantation owner and discovers a frightening secret that threatens to ruin their love and their lives.

MON., OCT. 5

9-11PM CBS (8 Central/Mountain)
THE MIRACLE OF KATHY MILLER.

Drama based on a true story about a courageous young lady who survives a near fatal accident and went on to run "miracle miles" (10 kilometers) and receive England's Victoria Award as the world's most courageous athlete. With Sharon Gless, Frank Converse, Helen Hunt and Bill Beyers in a tale of 6.2 miles of agony and ecstacy.

9-11PM NBC (8 Central/Mountain)
SIDNEY SHORR. Tony Randall is a lonely artist who shares a loving but platonic relationship with a woman half his age... even raising her child as his own.

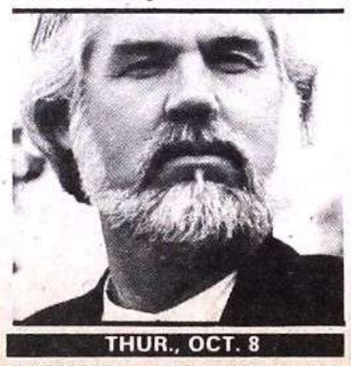
TUES., OCT. 6

Return of the Beverly Hillbillies

9-11PM CBS (8 Central/Mountain)
RETURN OF THE BEVERLY HILLBILLIES. The Clampetts and friends return in a new version of the long-running '60's hit, with a hilarious and improbable solution to the '80's energy crisis. Buddy Ebsen as "Jed", along with Nancy Culp, Donna Douglas and Imogene Coca debuting as "Granny's" hundred-year-old Maw.

WED., OCT. 7

9-11PM CBS (8 Central/Mountain)
COWARD OF THE COUNTRY. Drama set during World War II, starring Kenny Rogers as a flamboyant self-styled preacher. The script uses as its narrative springboard the lyrics from one of Rogers hit singles. How this man gets around.!!!



THUR., OCT. 8

9-11PM CBS (8 Central/Mountain)
CAGNEY & LACEY. Loretta Swit and Tyne Daly as a couple of best friends and police officers who, while dealing with on-the-job sexism, outdistance their male peers by cracking a tough murder case.

FRI., OCT. 9

9-11PM NBC (8 Central/Mountain)
KILLER FISH. Action thriller set in South America where thousands of deadly piranha spill over some waters and complicate a near-perfect jewel heist.

SAT., OCT. 10

8-9PM CBS (7 Central/Mountain)
HERBIE RIDES AGAIN. Part 1. Herbie, Walt Disney's versatile VW, performs with Helen Hayes, John McIntire, Ken Berry, Stefanie Powers, Keenan Wynn and over 50 supporting players, including three Lincolns and a ruthless '57 Mercury. Big wheelers.

9-11PM NBC (8 Central/Mountain)
ELVIS AND THE BEAUTY QUEEN. Never say die! *This* one is about the tempestuous romance between the Tennessee beauty contestant and the rock idol. Don Johnson and Stephanie Zimbalist in the title roles.

9-11PM CBS (8 Central/Mountain)

HERO AT LARGE. Season Premiere of the Saturday Night Movies with John Ritter as a young actor, who, in emulating Captain Avenger, the hero he portrays in a publicity stunt, fights for justice and good midst the evils of the big city. Good intentions nearly backfire. Anne Archer, Bert Convy and Kurt Andon co-star.

SUN., OCT. 11

BETTE DAVIS

9-11PM NBC (8 Central/Mountain)
FAMILY REUNION. (1). A heart-warmer with two-time Oscar winner Bette Davis as a New England school teacher who sets out to rediscover her family after a career of 50 years. Ms. Davis' grandson, J. Ashley Hyman, in his acting debut, portrays a former student who becomes a close companion. With B.D. (and those eyes!), how can you miss!!!

MON., OCT. 12

9-11PM NBC (8 Central/Mountain)
FAMILY REUNION. (2). Bette Davis

TUES., OCT. 13

8-11PM CBS (7 Central/Mountain)
CALLIE & SON. Lindsay Wagner as a young girl whose rags to riches climb to wealth and power is overshadowed by an obsessive love for her son. Jameson Parker co-stars.

WED., OCT. 14

9-11PM CBS (8 Central/Mountain)
THE TWO LIVES OF CAROL LETNER. Contemporary drama about a former call girl who is manipulated by the police into resuming her old profession. With Meredith Baxter Birney, Don Johnson and Robert Webber.

specials

SUN., OCT. 4

Circus features polar bear act

Twice a day five-foot tall Ursula Bottcher enters a cage with 10 polar bears, ranging in height from eight to 10 feet and weighing from 800 to 1,400 pounds.

Yet Miss Bottcher insists that she has no fear when putting the bears through their paces at the Ringling Bros. and Barnum and Bailey Circus, which will visit the Joe Louis Arena for 12 performances on Oct. 6 through 12.

"You must always be alert and never look away, even for an instant," says Miss Bottcher, whose first name is Latin for "she-bear." The Arctic animals possess lightning speed and three-inch nonretractable claws that make even a love-tap lethal.

German-born Miss Bottcher and her partner Manfred Horn will lead the bears through a series of stunts including: walk in unison on their hind legs, formation of a huge polar pyramid, a jump through a flaming hoop and various other feats.

Circus producers Irvin Feld and Kenneth Feld have added a dozen new acts in addition to the polar bears for this year's three-hour program.

Wild animal trainer Charly Baumann returns to the show to present 15 Royal Bengal and Siberian tigers in the steel cage while the multi-talented Elvin Bale provides another form of death-defying daredevilry. He will perform a series of stunts not the least of which is being shot across the arena.

Tickets, priced at $8.50, $7, $5.50 and $4.50, are on sale at the arena box office and CTC outlets. Ticket information can be obtained by calling 961-9800.

Ursula Bottcher trips the light fantastic with polar bear partner Nixe, one of the featured performances at this year's 110th edition of the Ringling Bros. and Barnum and Bailey Circus. Joe Louis Arena will be the site of 12 circus shows running from Oct. 6 through 12.

Travelogue series coming to Westland

Does a trip to Finland sound appealing? Or a scenic tour of Germany? Or Hawaii?

These and other places around the world will be visited during a World Travel Series, to be presented on Thursday evenings at the Bailey Recreation Center in Westland. Sponsored by the Wayne-Westland Arts Association, the travelogue series will feature six programs with live narration by the cameramen who filmed each production.

These travel-adventure film lectures are scheduled with the cooperation of the Detroit Institute of Arts' World Adventure Series, founded in 1933 by the late George Pierrot.

"Finland-Lapland" will open the series in Westland on October 29 as Harry Reed narrates his color presentation of these areas taken during all four seasons.

Other programs scheduled are: "Germany Wunderbar" with Ric Dougherty on November 19; "Hawaii, An Insider's View" with Willis Moore on December 10; "Spanish Main Adventure" with Col. John Craig on January 21; "Everyone! Let's Tour Britain" with Ken Lawrence, and "Alaska by Land and Sea" with Dr. Charles Forbes Taylor on March 24.

Tickets, which will be available at the door, are priced at $3 and $15 for the entire series. Further information can be obtained by calling 722-7620 or 832-2730 during business hours.

The Bailey Center is located at 36651 Ford Road.

Barry Manilow and Devo to perform in Ann Arbor

A number of music headliners will be performing in the Ann Arbor area beginning this Saturday. Following is a rundown of the concert schedule.

BARRY MANILOW — Tickets are priced at $15, $12.50 and $10 for Manilow's concert Saturday at Crisler Arena and are available at CTC outlets. Call 763-6922 for further details.

ROGER WHITTAKER — This accomplished singer and writer will perform at 8 p.m. Saturday at Hill Auditorium. Contact CTC outlets or call 763-2071 for ticket information (tickets are $13.50, $12 and $10.50).

DAN FOGELBERG — Tickets for this Oct. 11 concert at Crisler Arena are priced at $11.50 and $10.50 at CTC outlets. Starting time is 8 p.m.

DEVO — Hill Auditorium is the site for this concert at 8 p.m. on October 14. Ticket information can be obtained by calling 763-2071 or any CTC outlet (tickets are priced at $10, $9 and $8).

Simon

(Continued from C-1)

group of fertile characters, somewhere in all of Simon's dealings with actors and the stage and the blissful agony of "what I did for love" is a great script, but this is not it. Simon's text is meandering and pointless, talky and contrivedly traumatic, and ultimately an utter bore.

Simon updates his own 1970 play, "The Gingerbread Lady," expressly for Mason, and puts great weight on her shoulders.

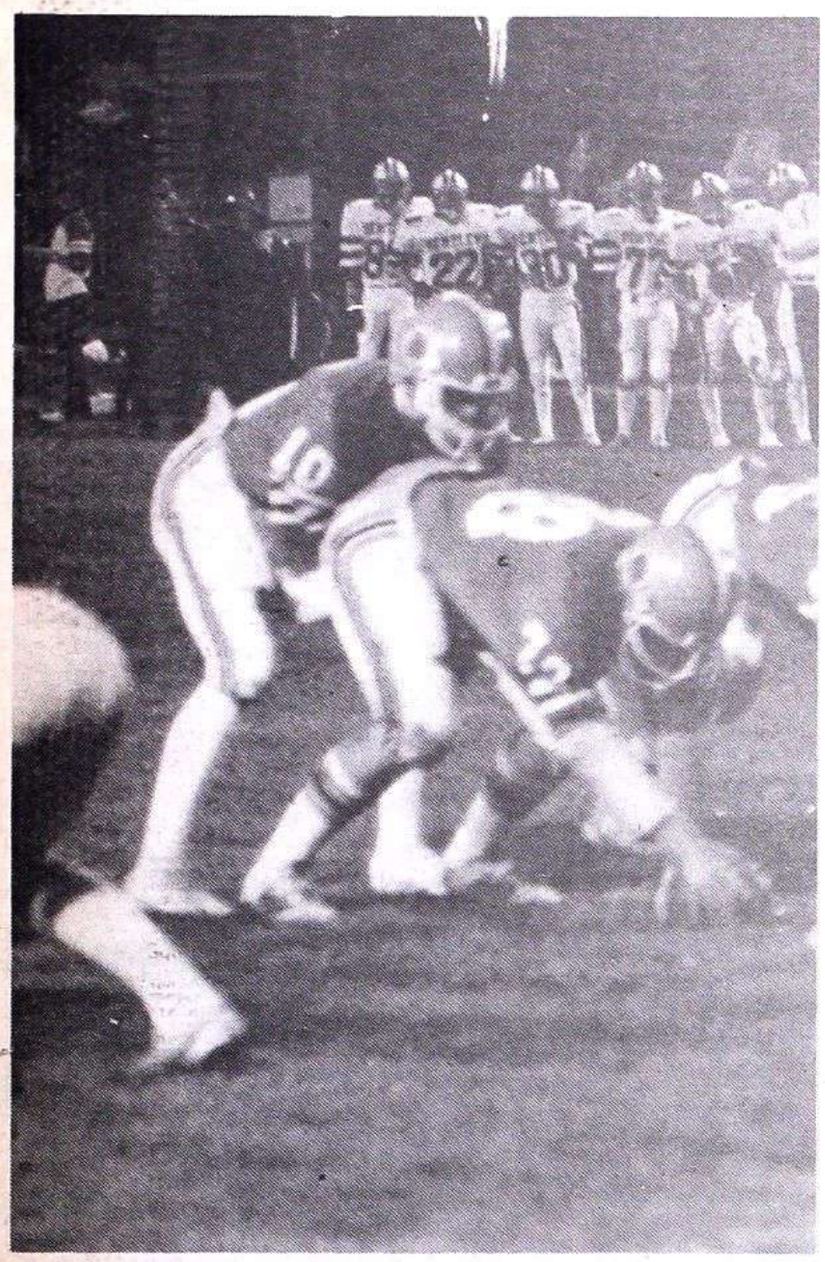
Glenn takes perfect record on road

Rockets clash with North Farmington



By ERIC GEARNS
Special Writer

Coach Chuck Gordon's Westland John Glenn Rockets will take a giant step toward the Northwest Suburban League Football Championship Saturday afternoon when they travel to North Farmington to take on the Raiders.

Glenn will take a perfect 3-0 record into the contest after soundly defeating Thurston 26-6 last week.

Glenn made short work of winless Thurston, scoring 20 points in the first half thanks to the running and passing of quarterback Rick Wilson.

The Rockets scored on their first possession when Wilson rambled 70-yards for a touchdown on the option play to put Glenn up 6-0.

Thurston fumbled the ensuing kickoff and Glenn recovered. Wilson capitalized on the break immediately as he scored from the four to put the Rockets ahead 12-0.

Wilson gave the Rockets a 20-0 halftime lead when he hit Mike Dest with a 13-yard scoring strike and then followed it up with a two point conversion.

Glenn rounded out its portion of the scoring in the third stanza as Wilson threw another TD pass to Amado Varona good for 11-yards and a 26-0 lead.

Thurston scored its only TD late in the game against the Glenn reserves to round out the scoring a 26-6.

Gordon's troops amassed 275 yards total offense, rushing for 215, while Wilson was good on six-of-12 passing attempts for 60 yards and two touchdowns. Wilson has now thrown six touchdown passes in three games to three different receivers.

Defensively, the Rockets led by linebackers Don Farchiohe and Stan Grieb, were outstanding holding Thurston to just over 100 yards total offense.

Gordon attributed the teams's awesome performance on offense to the outstanding work of his interior lineman; Tim Vuichard, center, Bryan Dye and Desi Baumann, guards, and Jack Walker and Craign Hnatuk at tackles.

Gordon feels that the team will have to be at its best this Saturday to defeat North Farmington.

"They (North Farmington) are going to be fired up after losing a close game to Franklin and they will be coming at us hard. They know they have to win all the rest if they are going to have a shot at the crown," said Gordon.

"We are physically smaller than everyone we will have to play from now on, so the kids are going to have to give it an all out effort." he explained.

The game at North Farmington (2-1) will begin at 2 p.m.

In control

With quarterback Sam Villa (10) at the throttle, and center Jim Sedlacek, Belleville's offense has been able to grind out three key victories this season and is presently sharing the top of the Suburban 8 Conference standings. It is also the first time since the state has been offering playoff points for victories that the Tigers figure in the running for a post-season playoff berth. Coach Michael Colletta and his Tigers have a crucial test Friday night at Monroe, a team with a deceptive 1-2 record. Those losses are to state powerhouses Fordson and Trenton. Above, Villa guided Belleville past Bentley for a 21-3 victory last Friday. He connected on four of six passes for 70 yards and booted three extra points.

Franklin stuns N.F., 13-7

Never count Livonia Franklin out of anything.

That is an adage that has been proven by time, and by head football Coach Armand Vigna.

Vigna's troops, down after an opening season loss to an always tough Plymouth Salem, bounced back to beat on consecutive weekends Livonia Stevenson and North Farmington.

And last week's 13-7 triumph over North, a pre-season Northwest Suburban Conference title favorite, brought applause from the usually stoic Vigna.

"Our boys played like a team and when we needed the crucial play they came through," Vigna said. "And you know our kicker has to be given a lot of credit for this one. He had some excellent ones in the last minutes that pinned North to their goal-line."

Vigna was referring to Rich Woods who booted the ball 54 yards, then came back with a 60-yarder in the last six minutes which left North inside their own 5-yard line. North didn't recover from the shock.

But it was North that struck for the proverbial paydirt first as they scored with 10 seconds left in the initial half on a 4-yard pass from quarterback Jim Franchi to Ken Winemaster. Then, Scotty Williams booted the extra point to lift the visitors in the lead 7-0.

That North TD, incidentally, covered a midfield drive which was punctuated by a pair of pass receptions.

Franklin assembled its forces for a counter-attack immediately after the intermission.

It took the Patriots a handful of plays to get to the North 39-yard line where Rich Popp and Rich Wood hooked up for the touchdown. Then Wood put the ball through the uprights to tie the score at 7-all.

The decisive touchdown was put on the scoreboard with six minutes left in the game when split end Mike DeMay and Popp combined on a 28-yard strike that caught the North defenses asleep.

Popp, who has stepped in to replace senior QB Chris Panzl, who was injured in the Salem battle, has been exceptional in leading the Patriots' offense. He's been the catalyst for the revitalization of the offense, according to Vigna.

Franklin will know Friday night just how much stock it has in the Northwest Suburban title race when it takes on Redford Union, also 1-0 in the league.

Touchdown -bound

Shoving off a couple of would-be Livonia Bentley tacklers, Belleville's Keith "Gator" Gates breaks away and heads into the endzone for one of the Tigers' touchdowns Friday night. Gates (45) chalked up 155 yards on 19 tries to lead Belleville to its third consecutive, second Suburban 8 Conference victory of the campaign at the expense of the Bulldogs, 21-3. Coach Michael Colletta's Tigers will place a 6-game (over a 2-year span) winning streak on the line when they take on non-conference rival, Monroe, at Monroe Friday night.

Belleville faces 'big test' against GL-8 power

Hey, folks, if it's a dream, please don't wake Coach Michael Colletta.

Colletta and his Belleville Tigers are on that proverbial Cloud 9 and they hope their football winning streak will reach that point before the season is over.

In the meantime the Tigers are on a rampage and on a streak, collecting their third win of the campaign 21-3 at the expense of Livonia Bentley. They also have won their last six games, over a span of the last two years.

"Our victory wasn't pretty," said Coach Colletta, who's in his third year as head coach, "but, believe me, we'll, take it. We made too many mistakes and those mistakes will kill you if not corrected in time."

Belleville will have to be at its best Friday night when they place that 6-game streak on the block at Monroe. Although the Trojans are 1-2 on the season, they are tough, very tough, warned Colletta.

"Monroe has lost to teams like Fordson," Colletta said, "and we expect them to be doubly ready for us over there. You can't look back in this or any sport and rest on your laurels. It will hurt.

"We got to correct our errors and improve with each game."

Belleville grabbed the initiative and the lead early from Bentley as Martin Donaldson scored on a 11-yard run and Sam Villa kicked the point after to give the home team a 7-0 edge. That TD came on the Tigers' second possession and Villa used up all of four plays to get into the endzone.

Also, Belleville's initial TD was set up by an excellent punt return by Carl Alexander who hauled in the ball from his own 47 and made it to the Bentley 22.

Bentley replied with a 23-yard field goal that sliced into the Tiger lead, 7-3. The score didn't change until the third period when on the second play from scrimmage Belleville's Randy Battle intercepted a Bulldog pass at midfield and returned the ball to the Bulldog 32-yard line.

That set-up Kevin Saunderson's touchdown run, a 3-yarder that capped a seven play series, which also featured running back Keith Gates' rushes.

Belleville claimed an insurance TD early in the fourth period on a drive that was launched late in the third stanza. Villa culminated a 72-yard sustained assault with Gates getting the call seven of 15 times to move to the 16 yard line where Gates plunged in for the last Tiger score.

"I was pleased by this team for managing to play over their turnovers," said Colletta. "The first two games we played near flawless ball, however we made mistakes in this one and managed to win it.

Saunderson, proving he has excellent collegiate material, rushed for 92 yards in 13 carries, while Gates again soared over the century mark with 155 yards and 28 carries. Villa completed four of his six passes for an additional 70 yards.

Romulus gridders continue skid

Maybe it would be better to play in the daylight.

Romulus hosted its first home game in over two decades last Friday night and found the going rough as visiting Ann Arbor Huron claimed an easy 36-6 victory over Coach Don Foley's gridders.

"We beat ourselves," Foley noted after his third consecutive setback of the campaign. "We made a handful of errors and Huron was ready to capitalize on them."

One of those Romulus turnovers came with the opening kickoff when the Eagles fumbled on their own 6-yard line and two plays later Fred McQuen provided Huron with a six-pointer and from there on it was all downhill for the home team.

Huron padded its 14-0 first quarter lead with a touchdown in the second period and turned a 20-0 halftime advantage into a 36-6 triumph.

Romulus averted the shutout late in the campaign when Johnny Holifield again came through with one of his dazzling touchdown runs. Holifield broke loose and raced 67-yards to score his fourth TD of the season. Matt Sullivan's attempt for the extra point was blocked.

"We made mistakes early and tried to play catch-up," Foley pointed out. "You can't do that against a fine team like Huron."

Holifield is one of the brighter spots in Romulus's dismal 0-3 record. For the third consecutive week he has rushed for over 100-yards, picking up 121 in 15 carries against the Hurons.

On defense, it was Dale Eddings' heroics that kept the Eagles going. He had six solo tackles and three assists. That gives the senior gridder 20 unassisted tackles for the season. Jim "nose guard" Barnes counted three solos and a fumble recovery, while Doug Baum also leaped on two Huron fumbles, while John Rupert had three sacks.

Although Jackson Parkside also is winless, Foley doesn't see his match-up Friday night any easier. The two will meet at North Junior High at 7:30 p.m.

"When you're both 0-3," Foley said, "you both want that first win bad."

Westland duo joins Ferris volleyball

Two graduates of area high schools will be competing on the volleyball courts this fall at Ferris State College.

Sue Kutko, a 1980 graduate of Franklin High School, returns after a successful freshman volleyball campaign at FSC. The 5-foot-9 sophomore is considered to be one of the cornerstones of a new and revitalized program at Ferris.

Kutko prepped in volleyball and soccer at Franklin High, and was named the "Outstanding Girl Athlete" as a senior. She earned first team berths on both the all-conference and all-area teams as a prep volleyball standout.

Kutko is the daughter of Westland's Raymond and Glenna Kutko.

The other local product on the Ferris team is Ann Kolnitys, a 1978 Wayne Memorial grad entering her senior year in college.

A transfer from Indiana Technological University, Kolnitys played two years of college volleyball at Schoolcraft Community College with current Ferris teammates Linda Mix and Linda Spicer. She was a key spiker on an Indiana Tech squad that rolled to a 46-5 record last fall and a state championship title.

While a prep at Wayne Memorial, Kolnitys received all-conference, all-state and team "MVP" volleyball honors. She is the daughter of Westland's Richard and Delphine Kilnitys.

6 turnovers fatal for Wayne

Fordson keeps Zebra searching for 1st win

FLOYD CARTER

There are some times when you wish you could just go back to the beginning and start all over.

That must be the way Wayne Zebra football coach Floyd Carter feels, after his team's performance in a 33-6 loss to Fordson last Friday.

It wasn't so much that the Tractors scored 33 points against Wayne, as it was that Wayne kept giving the team from Dearborn the opportunities.

The Zebra offense turned over the ball six times, five on fumble and once on an interception, and coupled with some very costly penalties took themselves out of the game.

Three of the fumbles led directly to Fordson touchdowns.

Although the lopsided score wouldn't indicate it, the Wayne defense, a problem in the first two losses, played very well. They robbed Fordson of an early score when Glenn Miller belted the Tractor ball carrier hard and recovered a fumble on the Wayne three yard line.

On Wayne's second play from scrimmage, however, a bad pitch wound up in the Wayne endzone and Fordson recovered. The extra point gave the Tractors a 7-0 lead with 4:30 remaining in the first quarter.

On the first play following the kickoff, a bad handoff in the Wayne backfield gave Fordson the ball on the Wayne 25 and Fordson used three plays to take it in and build a 14-0 lead with 2:34 still remaining in the quarter.

Wayne began to move the ball following the kickoff with quarterback Matt Korte and tailback Shawn Boyer carrying most of the load for the Zebras.

But, another Zebra fumble stopped the drive in Fordson territory. After Miller had stopped another Tractor drive with his second fumble recovery of the game, Wayne gave the ball right back with its fourth turnover of the first half.

The Tractors used just five plays to travel 85 yards with Paul Dexter going the final yard, the point after gave Fordson a 21-0 bulge with 4:22 remaining in the first half.

Wayne was unable to move the ball in their next possession, and following a punt, Fordson moved 55 yards in five plays to go ahead 27-0 at halftime.

The second half proved to be an encouraging time for Wayne fans and coaches as the Zebras outplayed their bigger opponents for the third straight game.

Fordson struck first, scoring on a sustained drive with 7:15 remaining in the third quarter to go ahead 33-0. Wayne turned over the ball on their next possession on the fifth fumble of the game, but the Zebras halted the Fordson threat when Boyer intercepted a pass on the five. It was the first time Boyer had played defense for the Zebras.

Wayne then put together a very impressive 95 yard drive in 19 plays with Boyer scoring the touchdown on a 10 yard pass from Korte on fourth down with 6:06 remaining in the game.

After Fordson was held to minus yardage on their next series, by some outstanding defensive play from Kevin Rodriguez, Wayne began another drive,

(Continued on Page 6)

3 losses in a row for spartans

'Best game by Cherry Hill not enough to stop GC West

Turning on their offense and playing plausible defense, Cherry Hill managed to play what Coach Jerry Pawloski labeled the Spartans' "best over-all game of the season" Friday night at Garden City West.

Unfortunately, West was better and the Garden City Tigers won a cliffhanging 8-0 decision over their Tri-River Conference adversaries. It was Cherry Hill's third consecutive setback, and their second league loss of the young campaign.

"We got the defense, and our offense played its best in its three games," Pawloski noted, "however, it just wasn't enough. We held West to 99 yards and when you consider we have given up more than 500 in the first two games, well that's an improvement.

"Also our ballcarriers were doing the job," Pawloski continued, "but we couldn't come up with the big play. The decisive play for a touchdown."

West scored what proved to be the only touchdown of the battle in the third quarter when tailback Terry White scampered 35 yards into the endzone. West attempted to kick the extra point and got an unexpected break when the ball was fumbled, but scooped up by White and run into the endzone for the two-point conversion.

Cherry Hill had its chances, though, using running back Guy Krikorian's ability, they managed to penetrate deep into West territory in the first quarter but that's where they stalled. At the 18-yard line, Pawloski decided on a field goal and Krikorian attempted from the 35-yard line and the ball sailed wide of its destination.

Midway in the second quarter the Spartans marched to the Tiger 30 and turned the ball over via a fumble.

In the second half, Cherry Hill's offense found it almost impossible to make a dent into West's line. Their furthest assault on Tiger territory was to the 40.

Cherry Hill's defense, led by its linebacking crew of Sam Taylor, Jeff Sheposh and Krikorian, held West to 22 yards net on the ground in the first half and minus 31 yards passing. The Tigers piled up 108 yards in the second half.

Taylor, an inside linebacker, got six solos and two assists, while he also counted two sacks of the quarterback. Sheposh distinguished himself by accounting for nine unassisted tackles and three assists, and Krikorian knocked off six ballcarriers by himself and recovered a pair of fumbles.

"When you consider that we made 35 tackles and 27 of them were credited to these three boys," Pawloski said, "you know how busy that trio was out there."

Cherry Hill quarterback Tom Michno is finding his receivers more available for action as he fired seven aerials and hit on 17 for 63 yards. Running back John Green had 38 yards for his seven rushes.

If the Spartans want to break their 3-game losing streak they have a good shot at it when they take on Dearborn Heights Crestwood, also winless in three starts. That game is in Dearborn Heights at 7:30 p.m., Friday night.

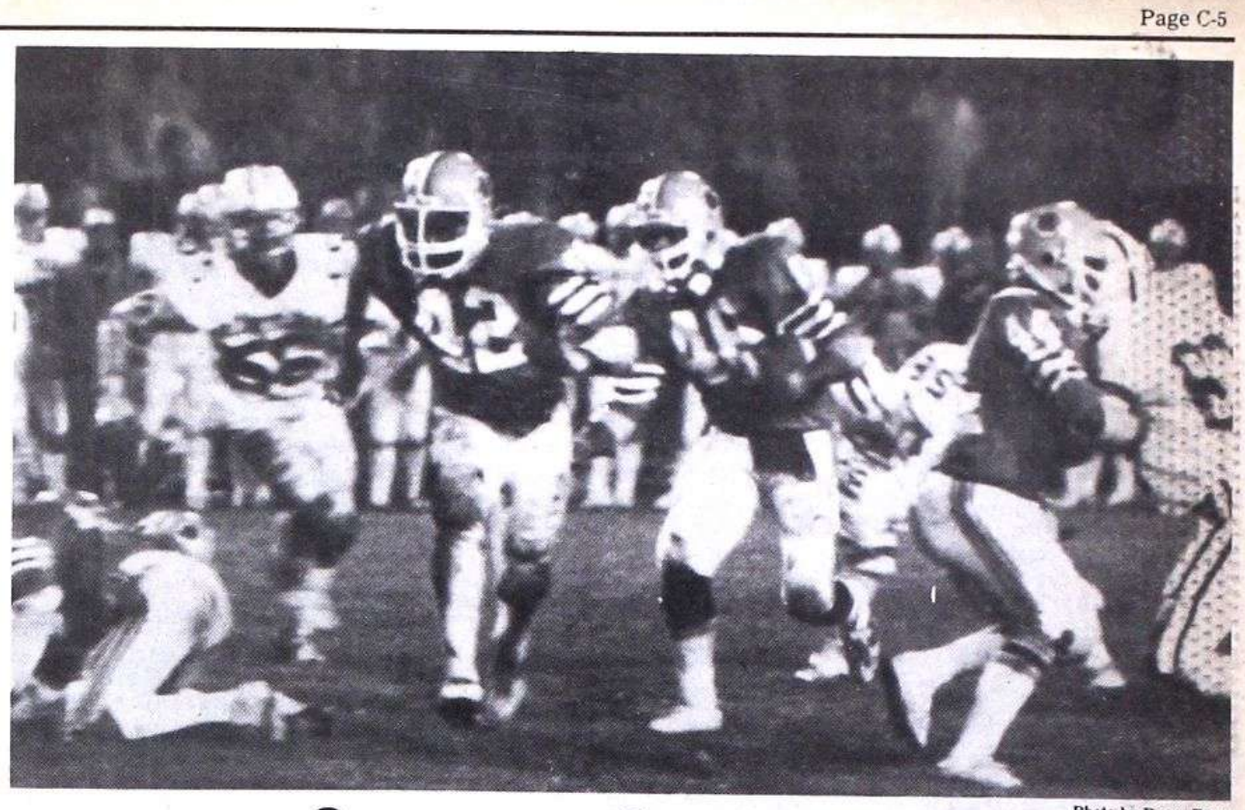

Photo by Perry Farr.

Open says Sauderson

Clearing the path for Belleville's runningback Keith Gates (46) is Tigers' Kevin Saunderson (42) who has played his role superbly this season. Belleville has won its first three, beating Bently the last time out (above), 21-3, and is setting its sights on a highly-touted Monroe contigent whom the Tigers meet in Monroe Friday night.

Tigers are 3-0 in Sub-8

Belleville runs into league title favorite, Dearborn

With pre-season title picks Dearborn and Edsel Ford lying in wait, unbeaten Belleville padded its Suburban 8 Conference cross country record to 3-0 at the expense of Plymouth Salem last week.

Rookie Coach Gary Reffitt, who replaced Dave Medley at the helm of the cross country team, is satisfied with the progress of the Tiger runner after viewing his runners' 20-35 victory over Salem.

"I feel we have run only one bad race thus far this season," Reffitt said after his team chalked up its seventh win in nine starts. "But we have some tough ones, including Dearborn ahead of us. (Belleville was scheduled to meet the Pioneers Tuesday afternoon.)

Belleville has also knocked off league rivals Allen Park, 15-40, and Livonia Bentley, 19-36, before coasting past Salem's Rocks. The Tigers also sport victories over Ypsilanti (18-37), Monroe (20-35), Taylor Kennedy (15-40) and were awarded a victory when Romulus forfeited.

The Tigers' two losses were to Wayne Memorial, 15-45, and they also dropped the season openeer, 23-32, but Coach Reffitt, pointed out "that was with only one day of practice."

Against Salem, Belleville's Dave Ciaverella led the pack, touring the 3-miles in 16:42 and crossing the finish line just before teammates Brian Tanner (16:45) and Gary Eagle. Other runners who contributed to the Belleville victory included John Fisher (sixth), Larry O'Sullivan (seventh) and Chris Doemer (12th).

Belleville runners are back in action Thursday afternoon when they clash with conference rival, Trenton.

TAX FREE
WSB All Savers Certificates pay
12.61%
You can take a bite out of taxes with the new WSB tax-free All Savers certificate. Starting October 1st, this $500 minimum deposit, one-year certificate will allow you to exclude up to $2,000 interest on your Federal income tax joint return or $1,000 on an individual return. No other savings certificate interest is tax exempt.
Highest Legal Rate - 12.61%
WSB will pay the highest legal All Savers interest rate available on the day you open your account. On Thursday, October 1 and Friday, October 2, 1981, that tax-free annual interest rate will be 12.61%. A new rate will be effective starting Monday, October 5, 1981.
WSB Money Market Certificates Converted With No Penalties
If you have a WSB 6-month Money Market certificate, you will be able to convert it, including earned interest without penalty for early withdrawal, to a tax-free All Savers certificate.
All Savers Can Bring Very High Yields
Depending on your tax bracket, you can receive a surprisingly high return with a WSB All Savers certificate based on current tax tables.
Fully Insured by the FDIC
All Savers funds are fully insured by the FDIC up to $100,000. But just as important, they are backed by Wyandotte Savings Bank's 109-year history of safety, strength and dependability. For more information on the new All Savers certificate, call or stop by your nearest Wyandotte Savings Bank office. You can "Bank On Us."®
NOTE: All Savers certificates are subject to final Federal regulations including loss of tax deductibility for early withdrawal.

Rockets are 4-0 on the year

Glenn, Cherry Hill girls' swimming teams win big

While Cherry Hill opened up its dual meet swim season last week with an impressive victory over Dearborn St. Alphonsus, undefeated Westland John Glenn stretched its winning streak to 4-0 as the Rocket girls drumped Allen Park 112-59.

Cherry Hill swept 9-of-11 events en route to a 100-55 victory, claiming both relays in their season opener. Cindy Samuels, Martha Pyror, Michelle Trudeau and Rita Julet turned in a 2:28.3 in winning the 200-yard medley relay, while Sharon Martin, Mary Formolo, Trudeau and Janean Utley posted a 4:46-6 for their victory in the 400-yard freestyle relay.

Diver Sandy Berron had no competition on the boards and contributed that event to the Spartan win column.

Chris Johnston continued her outstanding effort for the Westlanders as she carded a pair of victories against Allen Park. She touched in at 6:08 for the 200-yard freestyle, and was clocked in 2:19 for the 200-yard freestyle for her double win.

Johnston's teammate, Robina Gow, also came up with a pair of wins. Her 2:37 was the top time for the 200-yard individual medley, and her 1:23 performance in the 100-yard backstroke gave her the victory in that event.

Glenn swept the diving competition with Shon Pilarski, who gathered 178 points, followed by Rockets Linda Rajakub (150), and Chris Kociela (147).

The Westlanders also finished 1-2-3 in the 50-yard freestyle as Sandy Martinez (27.5), Dawn Nidegoda (28.0), and Paula Taylor (28.9) set the pace, and in the 400-yard freestyle relay Marinez, Taylor, Gow and Karen Scarborough produced a record-winning time of 4:10.0. The previous Glenn record for that event was a 4:11.9.

Glenn had earlier put down out-of-conference rival, Clarenceville 108-64, claiming 10 of 11 events. Johnson and Gow also took four events between them.

Coach Debbie Sanders' girls will put their 4-0 record on the line when they clash with natural rival, Wayne Memorial, in another non-conference tune-up.

Wayne

(Continued from Page C-1)

only to have it falter when the Tractors picked off an interception deep in Fordson territory.

Wayne accumulated a total of 288 yards total offense, with 234 rushing and 54 passing and 12 first downs. Fordson totaled 343 yards offense with 240 on the ground and 103 in the air and 13 first downs.

Carter felt that the Zebras performed well on defense and singled out Rodriguez and Miller for praise. Boyer led the team offensively with 124 yards rushing.

Ex-area grid stars key to SVSC victory

Former Plymouth Canton all-around athlete, Rusty Mandle, and 1980 New Boston Huron leader Joe Rice led Saginaw Valley State College to its first victory of the season last week, as the Cardinals dumped visiting St. Joseph of Indiana 35-25.

Mandle, a sophomore quarterback, led the team offensively completing nine of 17 passes for 155 yards and one touchdown, and ran in one TD himself for 18 yards.

Rice, a freshman linebacker, took care of the defense for the Cards with four tackles, one sack, two blocked passes, and one interception. Rice is a former state wrestling champ.

Saginaw Valley now has a record of 1-2, and will travel to Wilberforce Ohio this Saturday to play Central State in a non-league contest.

Football predictions

By "The Football Gypsy"
ANP Special Prognosticator

The gypsy shed a few tears after last week's action, which saw him correctly predict six games while missing on four.

Sixty percent is not an acceptable figure for the gridiron guru, so he will attempt to improve on his prognostications this week. Here are his selections:

INKSTER AT WILLOW RUN: The gypsy inadvertently missed predicting the Inkster matchup last week. This is a long and hard fought rivalry, but the Flyers of Willow Run will prevail. Pick - Willow Run by six.

BELLEVILLE AT MONROE: Belleville will be putting their perfect 3-0 mark on the line against an always powerful Monroe team. The gypsy hopes he's wrong, but sees Monroe a winner because of the home field. Pick - Monroe by one in overtime.

JACKSON PARKSIDE AT ROMULUS: The Eagles are having a very tough year, and Jackson will not make their long journey for nothing. Pick - Parkside by 6.

NEW BOSTON HURON AT GROSSE ILE: The crystal ball is very foggy on this one, please pass the coin for a flip. Pick - New Boston by one.

WAYNE AT LINCOLN PARK: Injuries are beginning to pile up against the Zebras. The LP Railsplitters are always tough at home. Pick - Lincoln Park by seven.

JOHN GLENN AT NORTH FARMINGTON: Chuck Gordon's Rockets are in full thrust, and North Farmington's home field and a Saturday afternoon starting time will do them no good. Pick - Glenn by 14.

LIVONIA FRANKLIN AT REDFORD UNION: The Patriots surprised the gypsy and North Farmington last week, but our fortune teller is still not convinced. Pick - RU by 12.

LIVONIA CHURCHILL AT NORTHVILLE: Churchill took it on the chin last week, but look for the Chargers to come back. Pick - Churchill by seven.

PLYMOUTH SALEM AT LIVONIA BENTLEY: Two tough losses have not dampened the Rocks spirit. Pick - Salem by Seven.

PLYMOUTH CANTON AT FRAMINGTON HARRISON: Canton has been playing against two opponents, themselves and the other team. They have a chance but the Hawks are already smelling a league title. Pick - Harrison by 14.

INKSTER CHERRY HILL AT CRESTWOOD: Cherry Hill let the gypsy down last week, and a good gypsy never forgets. Pick - Crestwood by six.

SEASON RECORD: Six right Four wrong 60 percent.

Van Buren to hold soccer fund-raiser

..Soccer is catching on in Van Buren. And the Van Buren Soccer Association needs funds in order to suit up all the boys and girls who wish to compete in this popular sport.

So, the Van Buren Soccer Association is organizing a spaghetti dinner to raise money for youth soccer in the township. The dinner will be held from 5 to 9 p.m., Sat., Oct. 3 at Rogalle's Lounge, located at Haggerty Road and the I-94 Service Drive.

The menu will include all you can eat spaghetti, salad, french bread and a beverage for the price of $3.75 for adults, while the price for children is $2.25 (ages 4 through 12).

This is the second dinner sponsored by the association and it is put on by the parents of the young soccer players, the associations and officials in hopes of raising enough money to pay for the cost of field upkeep, equipment, and those teams without sponsors.

For further information, please contact Sally Boetter at 697-4941.

From VA's office

Are benefits taxable?

(EDITOR'S NOTE: Following are representative questions answered daily by VA counselors. Full information is available at any VA office.)

Q—Are Veterans Administration benefits subject to taxation?

A—Almost all veterans benefits are non-taxable. However, there are two exceptions. One is interest paid on accrued GI insurance dividends left on deposit. The other is death settlement proceeds.

Q—I am a widow of a Korean War veteran who died as a result of a service connected disability before using his GI home loan entitlement. Am I eligible for this benefit?

A—Yes. If not currently married, widows of veterans of World War II and later periods who died of service connected causes are eligible for this benefit.

Q—If I encounter legal difficulties while purchasing a home using the GI Bill, will the Veterans Administration pay or provide for any legal assistance I may need?

A—No. The VA does not pay or provide for any legal assistance a veteran may need to deal with troubles encountered in the purchase or construction of a home.

Q—My husband wants to be buried in Arlington National Cemetery. What should he do?

A—This cemetery is under the jurisdiction of the Department of the Army, and burial is limited to specific categories of military personnel and veterans, except in the case of cremated remains to be placed in the columbarium. For details, write to the Superintendent, Arlington National Cemetery, Arlington, VA 22211.

Belleville sets test dates

Paul Druker, guidance counselor at Belleville High School, announced this week that services introduced last year as part of the Preliminary Scholastic Aptitude Test — National Scholarship Qualifying Test (OSAT-NMSQT) will be provided again to students taking the test on Oct. 27.

Before the test, students will receive the PSAT/NMSQT Student Bulletin which contains a complete sample test with an answer key and scoring instructions.

In December, students will receive a "Report of Student Answers" which displays the correct answers and the students' responses as well as scores. Schools will return test booklets at the same time so that students can review the original questions.

Students will also receive "About Your PSAT/NMSQT Scores," a booklet containing information on interpreting PSAT/NMSQT results and on general college planning.

The PSAT/NMSQT is cosponsored by the College Board and National Merit Scholarship Corporation. It is administered annually to more than one million students and measures verbal and mathematical abilities that are important in college work.

The PSAT/NMSQT gives students a chance to find out what the College Board's Scholastic Aptitude Test (SAT) is like, and helps them in planning for college; further, students who opt to participate in the College Board Student Search Service have an opportunity to hear from colleges that they might not otherwise learn about.

The PSAT/NMSQT is also the qualifying test for students who wish to participate in the nationwide scholarship competitions administered by the National Merit Scholarship Corporation.

He's a winner

Dwight Carroll of Belleville won the $1,000 first prize last week in the weekly Fame Game sweepstakes at the Pic-N-Pay Mini Mart, located in the Haggerty Shopping Center in Van Buren.

Tickets for the Fame Game are given to every shopper at the mart with no purchase needed to participate.

In addition to a number of instant winners, a weekly drawing is held for several cash prizes.

Instant winners receive a selection of grocery products.

TOWNSHIP OF VAN BUREN
WAYNE COUNTY, MICHIGAN
NOTICE TO RESIDENTS

Please be advised that the Township of Van Buren will begin lowering the level of Belleville Lake on Monday, November 2, 1981. The lake will be lowered between three and five feet as has been the practice followed in the past.

Due to the fact that the repairs to the French Landing Dam have not been fully completed, we will be unable to remain at the summer elevation. This determination was based on the recommendation of the project's consulting engineers, Ayres, Lewis, Norris and May, Inc. of Ann Arbor.

VAN BUREN TOWNSHIP PUBLIC HEARING MINUTES
SEPTEMBER 22, 1981

(Special Assessment District for Lake Crest Estates Subdivision.) 46425 Tyler Road - Belleville, Michigan 48111

Meeting called to order at 6:30 P.M. by Supervisor Cullin. Roll Call: Present: Cullin, Craven, Deputy Treasurer Mussehl, Domen, Wojie, Kureth, Toohey. Absent: Treasurer Welty. (Attending Seminar for Certification as Treasurer.) Also present: Attorney James, Engineer Partridge, Secretary Dudick and 15 interested citizens.

Attorney James explained the reason for the Public Hearing was to receive comments from the residents in regard to the special tax assessment. He stated that the resolution is prepared and will be presented to the Board at the Regular Meeting if they wish to take action as no action can be taken at a public hearing.

Discussion was held with resident Lawrence Haase and the Board Members in regard to the number of years the special assessment would be set for as the residents did not agree with the two (2) years that had been passed for the Belle Harbor assessment.

After explanation from Attorney James concerning the method of changing the amount of the assessment to reflect changes in cost to the township, (20% increase can be made without public hearing, should more than 20% be necessary the Board could increase beyond that amount by holding a public hearing) the Board Members stated that they had no problems with a longer term and that they would decide the length of time at the regular meeting.

Dean McCann thanked the Board for their time and effort on behalf of all the residents of Belle Harbor and Lake Crest Estates.

Meeting adjourned at 6:43 P.M.

Respectfully submitted,

Doreen Craven, Clerk

VAN BUREN TOWNSHIP FARM POND ORDINANCE

SECTION 1 — Definition. Pond

An excavation, or the altering of a water course by damming or excavation or combinations thereof, for the purpose of creating thereby a body of water greater than one-hundred (100) square feet in area, and eighteen (18) inches or more in depth, for use as irrigation source, for livestock watering, for fish or aquatic life productions, for recreational or asthetic purposes.

SECTION 2 — Prohibited Acts

No pond shall be created or built except as hereinafter provided. It shall be unlawful for any person, firm, entity or corporation to:

(a) Locate a pond closer than sixty (60) feet from any one side, lot line, or thirty (30) feet from the opposite side lot line, nor closer than thirty (30) feet from any rear lot line, (nor closer then one-hundred (100) feet from the front right-of-way, nor closer than fifty (50) feet from any principal structure).

Locate a pond closer than fifty (50) feet from any telephone, electrical or other utility line of any recorded easement.

Locate a pond closer than seventy-five (75) feet from any septic field (to be reviewed by Commission).

(b) Remove material excavated from the pond site except as provided in Sand Removal Ordinance No. 7-13-65.

(c) Construct excavated material in such a manner that runoff, overflow, spillage or seepage encroaches on property owned by another person.

(d) Construct a pond with side slopes greater than one (1) foot vertical to four (4) feet horizontal.

SECTION 3 — Procedures for Obtaining a Permit

Prior to the creation of a pond, as defined herein, a permit for said pond must be obtained from the Township of Van Buren. Each application for permit shall include those items and exhibits as required herein:

(a) Application fees as established by the Board of Trustees of Van Buren Township.

(b) Site plan providing details of sodding, seeding, drainage and landscaping if applicable of the banks of the pond and the surrounding effected areas in accordance with the standards of the Soil Erosion Control Act. The site plan shall provide further topographical information of appropriate contour intervals which clearly indicate existing and proposed finished elevations for both the pond and spoilage area. Said topographic information shall be prepared and sealed by a Registered Engineer.

(c) A letter of approval from Wayne County Health Department attesting that a soil erosion and sedimentation permit will be issued if required, or stating that a permit is not required.

(d) The estimated cost (and completion time) of the total project shall be detailed in the Permit Application.

SECTION 4

All applications for permit shall be reviewed by the Van Buren Township Planning Commission. The Planning Commission may require additional information from the applicant as needed to assure the preservation of public safety, health and welfare.

(a) The Planning Commission may require a hydrological survey which gives evidence that the pond will not detrimentally impact aqueous or subaqueous areas of the applicants property or adjoining properties. Said survey shall be sealed by a Registered Engineer.

(b) The Planning Commission may require a construction bond in the name of Van Buren Township, as beneficiary, and shall establish the amount and duration of said bond.

(c) The Planning Commission shall notify all property owners within three-hundred (300) feet of said property.

(d) The Planning Commission, by a majority vote, shall decide whether a permit shall be issued.

SECTION 5 — Requirements

(a) Ponds having a maximum depth greater than four (4) feet shall have two (2) sided warning signs (set at right angles to the edge of the pond, composed of letters at least four (4) inches in height) indicating the number of feet of maximum depth. Such signs shall be placed along the shore of said pond at intervals of not more than one-hundred (100) feet; in no event shall any pond having a maximum depth greater than four (4) feet have less than two (2) such warning signs. (Said signs shall read, "Warning No. Feet Deep").

Ponds having a maximum depth greater than four (4) feet shall be equipped with lifesaving equipment such as ring bouys, located along the shore of said pond (at the same location as the warning signs). In no event shall any ponds having a maximum depth greater than four (4) feet have less than two (2) such lifesaving devices.

(b) The permit shall be valid for a period of one year from date of issuance by the Building Department and subject to yearly renewal and inspection with fee to be set by the Board of Trustees of Van Buren Township.

SECTION 6 — Variances

Variances from the requirements of this ordinance may be granted by the Planning Commission upon a proper showing that the variance requested does not adversely impact upon the public health, safety or welfare.

SECTION 7 — Penalties and Corrective Action

Any person, firm, entity or corporation found to be violating any provisions of this ordinance shall be served with a written notice stating the nature of the violation and providing a sixty-day time limit for the satisfactory correction thereof. The offender shall, within within the period stated in such notice, correct or remove all violations.

Any person, firm, or corporation who shall continue any violation beyond the time limit provided for above shall be deemed guilty of a misdemeanor, and upon conviction thereof be fined in an amount not exceeding one-hundred dollars ($100.00) and the costs of prosecution or, by imprisonment for a period not to exceed ninety (90) days, or both such fine and imprisonment in the discretion of the Court. Each day such violation continues shall be deemed a separate offense. The imposition of any sentence shall not exempt the offender from compliance with the requirements of this ordinance.

VAN BUREN TOWNSHIP ZONING ORDINANCE REVISIONS

RE: MOBILE HOMES LOCATED OUTSIDE OF MOBILE HOME PARKS TOWNSHIP OF VAN BUREN

1. Revise Section 20.522, a to read as follows:

"a. Single-family detached dwellings, including mobile homes when located outside of mobile home parks, except that mobile homes are subject to the requirements of Section 20.361."

2. Revise Section 20.591, g to read as follows:

"g. Single-family detached dwellings, including mobile homes when located outside of mobile home parks, except that mobile homes are subject to the requirements of Section 20.361. Lots shall be subject to all provisions of this Ordinance applicable to the R-1A District, which provisions are hereby incorporated in this subsection g as though set forth here in full."

3. Add a new General Provision to Zoning Ordinance, Regulations for Mobile Homes Located Outside of Mobile Home Parks, as Section 20.361.

20.361 SECTION 4.33. REGULATIONS FOR MOBILE HOMES LOCATED OUTSIDE OF MOBILE HOME PARKS.

a. INTENT. While mobile homes offer an alternative to conventional single family housing in such areas as structural design, facility arrangement and cost, they can have potential adverse impacts on a residential neighborhood because of marked differences from single family housing in design, placement, structure and site size, and fire and wind resistance. Generally, mobile homes have been restricted to locations within mobile home parks, positioned at areas specifically zoned for them, in order to assume compatibility with nearby residential uses. However, through the application of certain standards, mobile homes and mobile home sites may be designed to more closely resemble nearby conventional housing and be permitted outside mobile home parks and within residential zoning districts. This Section presents specific conditions and standards whereby mobile homes may be located outside of mobile home parks.

b. LOCATION, Mobile homes may be located outside of mobile home parks provided that they are located in zoning districts which permit them and further subject to site plan approval by the Planning Commission in accordance with Section 20.340.

c. COMPATIBILITY IN APPEARANCE. To insure compatibility in appearance with single family housing in the neighborhood, a mobile home shall meet the following design requirements:

1. Roof - Must be pitched, minimum 3:12 slope, and shingled, with a minimum roof overhang of six (6) inches on all sides. Roof must be permanently attached to the mobile home and supported by the mobile home, rather than by external supports. Additions and accessory buildings may have flat roofs, but unattached accessory buildings must satisfy the same roof requirements as the mobile home.

2. Exterior walls - Must have wood, aluminum or vinyl siding and/or brick facing for all exterior walls, including additions and accessory buildings.

3. Eave troughs - Must be provided where appropriate.

4. Ceiling height - Minimum seven feet six inches (7'6") for all rooms.

5. Doors/Windows - Must be similar in design to single family housing. A minimum of two (2) exterior doors is required.

6. Steps - Must be permanently attached on a frost-depth foundation similar to single family housing requirements, and connected to the exterior door areas or to porches connected to said door areas where a difference in elevation requires the same.

d. CONSTRUCTION STANDARDS. Except as otherwise noted herein, minimum construction standards for a mobile home shall be those of the Mobile Home Construction and Safety Standards Act of 1974 (Title VI of PUB L. 93-383, 88 Stat. 700, 42 U.S.C. 5401, et. seq.).

e. FOUNDATION. A mobile home must be installed on a permanent foundation. As a minimum, this foundation shall include a cement block or poured foundation, not less than forty two (42) inches below the finished exterior grade extending around the complete outside perimeter of the mobile home, and shall satisfy the same construction standards as for single family housing. Further, there shall be provided a twenty (20) inch crawl space below the bottom of the floor, twelve (12) inches of which may be below finished exterior grade. The crawl space shall not be utilized for storage purposes. A basement satisfying the same standards as for single family housing, in accordance with applicable Township adopted codes and ordinances, may be substituted for the forty two (42) inch cement block or poured foundation. If the foundation or basement does not meet the mobile home manufacturer's specifications for pillar placement and imposed load capacity, adequate additional support shall be provided as specified in R125.1602 of the Michigan Administrative Code. Wheels and axles shall be removed.

f. UNIT SIZE/ADDITIONS. A mobile home, prior to any addition, shall have a minimum length of no less than forty (40) feet. That portion of the mobile home facing a public street shall have a minimum width of twenty four (24) feet. The minimum floor area requirements for a mobile home, including additions, shall correspond to the minimum floor area requirements for the zoning district in which the mobile home is located. Any additions to a mobile home must either be constructed by a licensed mobile home manufacturer or satisfy the applicable Township-adopted code and ordinance for single family residences. Any addition must be similar in appearance, materials and foundation to the mobile home itself. Any addition to a mobile home is subject to the same review procedures of this Section as for the mobile home itself.

g. ANCHORING. A mobile home shall be anchored by an anchoring system meeting the standards and specifications of R 125.1605 of the Michigan Administrative Code.

h. LOT SIZE AND COVERAGE/BUILDING HEIGHT/YARD SETBACKS. The minimum requirements for lot width and area, lot coverage, building height, yard setbacks and floor space per dwelling unit shall be the same as those required for single family housing in the zoning district wherein the mobile home is located, except that where the following minimum mobile home placement requirements are more stringent than the applicable zoning district placement requirements for single family housing, the following minimum requirements shall apply:

- twenty (20) feet from any dwelling unit on adjoining lot.
-ten (10) feet from any parking space on an adjoining lot.
- ten (10) feet from any structure on an adjoining lot which is not used for living purposes.

i. UTILITY LINES/HOOKUPS. All utility and service lines, including water, sewer, telephone, electricity, heating and cooking fuels and television service, shall be located underground, except in instances where the majority of single family residences in the neighborhood are served by above-ground lines for the particular service. Utility and service lines, except for electrical and natural gas, shall be designed for permanent attachment to the mobile home using, wherever feasible, the same designs and specifications as for single family housing in accordance with applicable Township-adopted codes and ordinances. Where the Planning Commission deems that said code and ordinance requirements are not feasible for mobile homes, the Planning Commission may permit standards as described in R 125.1603 and R 125.1932 to R 125.1940 of the Michigan Administrative Code. An exterior water faucet is required.

j. ELECTRICAL SERVICE. Electrical service installation shall be in accordance with R 125.1932 and R 125.1933 of the Michigan Administrative Code. The electrical service pedestal shall be screened from view from the adjoining street by the mobile home itself or by opaque ornamental fencing.

k. NATURAL GAS SERVICE. Natural gas service installation be in accordinance with R 125.1934 of the Michigan Administrative Code. The natural gas service pedestal shall be screened from view from the adjoining street by the mobile home itself or by opaque ornamental fencing.

l. FUEL TANKS/CONTAINERS. If permitted by the Planning Commission, fuel oil systems shall comply with R 125.1939 of the Michigan Administrative Code. Liquified petroleum gas containers and fuel oil tanks, if permitted by the Planning Commisson, shall be installed, mounted and secured in compliance with the National Fire Protection Association's 1974 Standard for Mobile Homes 501B, Part D, Chapter 4, paragraphs 4.2.3. and 4.3, adopted herein by reference. Above ground fuel tanks/containers shall be screened from view from the adjoining street by the mobile home itself, by enclosure in a storage shed or by opaque ornamental fencing.

m. STORAGE FACILITIES. A garage, storage shed and/or basement, or combinations thereof may be located on the same site as the mobile home and be constructed according to the same standards as for the mobile home itself or for single family housing in accordance with applicable Township-adopted codes and ordinances.

n. SIDEWALKS/DRIVEWAYS/PARKING. A mobile home site shall comply with the same Township-adopted codes and ordinances relative to sidewalk, driveway and parking placement, sizing and construction as for single family housing.

o. FENCING. A mobile home site shall comply with the same Township-adopted codes and ordinances relative to fencing as for single family housing.

BHS seniors urged to plan careers

The 1981-82 school year is just beginning and juniors and seniors at Belleville High School and other high schools across the country are facing some big decisions.

One of those decisions is what to do after graduation—whether to go on to school, get a job, or try to do both.

An important role in students' planning will be played by guidance counselors, parents, friends, and the ACT Assessment Program. Designed to provide guidance information for education and career planning, this national program is recommended for use by student applicants at more than 2,700 colleges and universities.

Belleville students will have four opportunities during the 1981-82 school year to make use of the program, which consists of four tests and a two-part questionnaire.

Students complete the questionnaire at home as part of the registration process. The tests are then administered at area test centers on any of four-weekend national test dates.

The four 1981-82 national test dates and the corresponding deadlines are: Test Dates - Dec. 12, 1981; Feb. 20, 1982; April 3, 1982; and June 12, 1982; the registration dates are: Nov. 12 (seniors only); Jan. 22 (seniors only), March 5 and May 14.

VAN BUREN TOWNSHIP PUBLIC HEARING MINUTES

SEPTEMBER 22, 1981

(Facilities Exemption for Huron Valley Steel)
46425 Tyler Road - Belleville, Michigan 48111

Meeting called to order by Supervisor Cullin at 7:01 P.M. Roll Call: Present: Cullin, Craven, Deputy Treasurer Mussehl, Domen, Wojie, Kureth, Toohey. Absent: Welty. (Attending Treasurers Seminar for certification.) Also present: Attorney James, Engineer Partridge, Secretary Dudick and 4 interested citizens.

Supervisor Cullin asked if any one in the audience wished to speak in opposition to or in favor of the granting of a tax exemption for the Huron Valley Steel Corporation. No one in the audience responded.

Discussion was held by the Board as to the number of years the exemption could be granted for and Attorney James stated it could be for up to 12 years.

Donna Hall stated that the resolution to grant the examption would be presented to the Board at the October 13th meeting and she requested that the Board Members please think about the number of years they would like to have placed in the resolution.

Seeing no others wishing to speak the meeting was adjourned at 7:05 P.M.

Respectfully submitted,
Doreen Craven, Clerk

VAN BUREN TOWSHIP BOARD MINUTES

Regular Board meeting, September 22, 1981.

Meeting called to order by Supervisor Cullin at 7:30 P.M. Pledge of allegiance. Roll Call: Present: Cullin, Craven, Deputy Treasurer Mussehl, Domen, Wojie, Kureth, Toohey. Absent: Welty. (Attending Treasurers Seminar for certification.) Also present: Attorney James, Engineers Levine and Partridge, Auditor Traskos, Secretary Dudick and approximately 15 interested citizens.

MINUTES: Motion Toohey, support Wojie to approve the minutes of the Regular Board Meeting of September 8, 1981 as presented. CARRIED.

Motion Toohey, support Wojie to approve the minutes of the Executive Session of September 8, 1981 as presented. CARRIED.

AUDIENCE: No one wished to speak.

APPROVAL OF AGENDA: Motion Domen, support Mussehl to approve the agenda as presented. CARRIED.

CORRESPONDENCE: Resignation of Police Officer, Daniel R. Fleming. Motion Domen, support Wojie to accept the resignation of police officer and send a letter of appreciation for his services. CARRIED.

Request to attend meeting from Senator Hertel to discuss his bill regarding mandatory sentencing for crimes against senior citizens. Motion Kureth, support Toohey to send a letter to Senator Hertel indicating when we hold our meetings and to have him, at his convenience, request to be on the agenda. CARRIED.

OLD BUSINESS: Item #. Lemontree Condominium Drainage Agreement. Motion Craven, support Domen to table the item as Attorney James stated it was not yet ready for action. CARRIED.

Item #2. Proposed Ordinances: 1. Mobile Homes outside of Mobile Home Parks. and 2. Farm Pond Construction. Motion Wojie, support Kureth to adopt both ordinances as presented and recommended by the Van Buren Township Planning Commission. CARRIED.

NEW BUSINESS: Item #1. Discussion of Sand Removal Permit for Glenn Rowe property. (W. Huron River Drive) Motion Domen, support Craven to set a $200 fee in lieu of the regular $1000 fee and waiver the requirement of the new ordinance for a topograhical of the location as this is an existing pond being re-landscaped for farming purposes. CARRIED.

Item #2. Request for support from Wayne County Road Commission re: Fuel and Vehicle Registration Funds. Motion Kureth, support Domen to note and file the request from the Road Commission. CARRIED.

Item #3. Water and Sewer Rate discussion. Auditor Traskos informed the Board of a 17% rate increase beginning October 1st from the Downriver Sewage Disposal System and after analysis of our Water & Sewer Dept. he indicated that they are now operating at a 'break even' point and a written presentation will be made at the next Board Meeting stating the necessary increases in this service to keep the department in operation. Motion Wojie, support Toohey to approve the auditor and the Engineer working out a detailed report on rates for the next meeting. CARRIED.

Item #4. Oath of Office for Police Reserve Officers. Clerk Craven swore in Director Richard Waddell, Ass't. Director Jim Haney, Officers: Connie Etter, John Orskey, Linda Hutchison and Steve Sexton. The audience greeted the new officers with a round of applause.

Item #5. Sewer System Evaluation Survey, Invoice #14. Motion Domen, support Kureth to approve the invoice (#14 Final - $2915.40) as presented. CARRIED.

ATTORNEY REPORT: Item #1. Presentation of the Resolution for a Special Assessment District for Lake Crest Subdivision for Trash Pick-up. Motion Domen, support Toohey to approve the resolution, with the addition of Lake Crest Estate Subdivision #7, Lots 111 thru 118, as presented by the attorney. CARRIED.

Motion Toohey, support Craven to extend the number of years from two (2) to thirty (30) for the Belle Harbor Estate Special Assessment District Resolution. CARRIED.

Item #2. Report on meeting with D.N.R. and Department of the Interior in regard ot their objections to exemption from Licensing for the French Landing Dam with the Federal Energy Regulatory Commission. SUMPTER TOWNSHIP BOARD MINUTES

MINUTES OF A SPECIAL MEETING
OF THE SUMPTER TOWNSHIP BOARD
HELD ON SEPTEMBER 17, 1981

Special Meeting opened by Supervisor Reeves with the pledge of allegiance to the flag at 6:00 P.M. Roll Call Showing:

Present: Supervisor Reeves, Clerk Banotai, Treasurer Duey and Trustees: Reaume, Huziak and Bevins

Absent: None

Late: Trustee Morgan

Also present: Auditor Frank Smythe and Deputy Clerk Sienko

Motion by Duey, supported by Reaume to accept agenda. Motion carried unanimously.

4. Discussion of Revision of Budget
   Auditor Frank Smythe detailed the Budget in work sheet form with the Township Board. Recommended the approval of the Budget in Summary Form. The reason for the revision is the State says you cannot exceed your budget by department. Several questions were asked by the members of the Township Board. After all the questions were asked and answered the Supervisor recommended the Budget Summary be adopted.
   Motion by Huziak, supported by Duey the Board adopt the Budget Summary of the Amended Budget as of September 1, 1981. Motion carried unanimously.
5. Supervisor Reeves read the letter of resignation of Leona Barber, Re-Hab. Co-ordinator, as of October 16, 1981. Recommended the Board advertise for new Re-Hab. Co-ordinator.
   Motion by Reaume, supported by Morgan to advertise for Re-Hab. Co-ordinator. Motion carried unanimously.
6. Motion by Reaume, supported by Banotai to adjourn. Meeting adjourned at 6:52 P.M.

Respectfully submitted,
Louis P. Banotai, Clerk

Certification

I, Louis P. Banotai, Clerk of Sumpter Township, do hereby certify that the above is a true copy of the minutes taken at a Special Board Meeting held on September 17, 1981 at the Sumpter Township Hall, 23480 Sumpter Road, Belleville, Michigan 48111.

James M. Reeves, Supervisor
Louis P. Banotai, Clerk

MINUTES OF A REGULAR MEETING
OF THE SUMPTER TOWNSHIP BOARD
HELD ON SEPTEMBER 22, 1981

Supervisor Reeves called the meeting to order with the pledge of allegiance to the flag at 8:03 P.M. Roll Call Showing:

Present: Supervisor Reeves, Clerk Banotai, Deputy Treasurer Barrow and Trustees, Reaume, Morgan, Huziak and Bevins

Absent: Treasurer Duey

Excused: Treasurer Duey

Also present: Attorney Witthoff, Engineer Wilhelmi and Deputy Clerk Sienko

Clerk Banotai asked to amend agenda. Addition near New Business, Item F — Livestock Claim of James Leffler, Jr.

Motion by Morgan, supported by Reaume to accept agenda with the addition of Item F under New Business. Motion carried unanimously.

4. Open Floor Discussion
   Dan Welch asked to speak under the Attorney's Report and Engineer's Report.
   Clement Foston questioned the work being done next to the Township Hall, also his change in classification from Ag to R.
   Juanita Wyche stated that she is unemployed and available for work.
   Floor discussion closed.
5. Minutes
   A. Motion by Morgan, supported by Reaume to approve the Regular Board Meeting Minutes of September 8, 1981 as published. Motion carried unanimously.
   B. Motion by Reaume, supported by Morgan to approve the Special Board Meeting Minutes of September 17, 1981 as presented. Motion carried unanimously.
6. Treasurer's Report - Duey
   Motion by Banotai, supported by Morgan to accept Deputy Treasurer Barrow's Report of September 22, 1981 as read. Motion carried unanimously.
7. Supervisor's Report - Reeves
   1. Motion by Reaume, supported by Morgan to accept Supervisor's recommendation to draw up a resolution and send to the Wayne County Road Commission that the Board opposes their position to Bond City Sand & Landfill to travel on Sumpter Road with a Class A load on a Class B Road. Motion carried unanimously.
   2. Pleased to report the Judge ruled in Sumpter Township's favor on the MJW Case.
   3. Motion by Huziak, supported by Banotai the Supervisor contact Senator Hertal and ask him to appear if possible at a regular board meeting. If he cannot be present at a regular board meeting, perhaps he can be present at a work shop meeting to discuss his proposed legislation to persons who commit felonious assaults upon Senior Citizens. Motion carried unanimously.
   4. Motion by Reaume, supported by Morgan to accept Supervisor's Report. Motion carried unanimously.
8. Attorney's Report - Witthoff
   Reported on the Court Hearing of September 18, 1981 on the MJW Lawsuit. Judge Reilly was asked to rule on the legality of Act 641 pre-empting any ordinance the Township may have, zoning or otherwise. Judge ruled Act 641 and license under 641 did not pre-empt local Ordinances. MJW does not have the necessary permits from the Township. Attorney stated this does not totally dispose of the Lawsuit.
   Clerk Banotai questioned the Attorney as to the Gwendolyn McClain Case. Attorney has not been contacted as yet by the Michigan Department of Civil Rights.
   Morgan questioned the Attorney as to the Berna Chenault Case. Stated he is expecting a letter from the Michigan Department of Civil Rights that she has dropped the case.
   Dan Welch questioned the Attorney on MJW's right to appeal. Stated that a meeting has been set up with the Van Buren School Board Thursday regarding Sumpter School.
   Motion by Morgan, supported by Reaume to accept Attorney's Report. Motion carried unanimously.
9. Engineer's Report - Wilhelmi
   Explained the situation that exists on the development of Sherwood Road Park and the alternatives.
   Motion by Reaume, supported by Banotai to cancel contract for Sherwood Park. Motion carried unanimously.
   Suggested the members of the Board raise the priority on the drains and let out the next contract for the drain on Arkona Road between Elwell and Sumpter Roads. Motion by Morgan, supported by Reaume to hold a Public Hearing as soon as possible to discuss the raising of the priority on the drains. Motion carried unanimously.
   Motion by Reaume, supported by Morgan to instruct the Attorney to take legal action against City Sand & Landfill for contributing to the flooding of Arkona Road. Motion carried unanimously.
   Motion by Reaume, supported by Morgan to accept the Engineer's Report. Motion carried unanimously.
10. Old Business
    A. Motion by Banotai, supported by Reaume, Supervisor Reeves and Trustee Huziak draw up specifications for Pick-up Truck for Water Department. Motion carried unanimously.
       1. Motion by Reaume, supported by Morgan to reject two bids received. Motion carried unanimously.
    B. Motion by Banotai, give Supervisor and Attorney the authority to negotiate the $38,000 in the General Fund plus $20,000 out of the Water Fund to be negotiated over a five year period. Motion withdrawn.
    Motion by Bevins, supported by Moran the Board authorize Supervisor Reeves and Attorney Witthoff to negotiate with the Harold Hess Estate and come back to the Board with a report on the negotiations. Motion carried unanimously.
11. New Business
    A. Motion by Banotai, supported by Reaume to approve the payment to the Wayne County Public Works on Series II Bond Issue, dated 12/1/69, in the amount of $26,847.36, due October 1, 1981. Motion carried unanimously.
    B. Motion by Reaume, supported by Morgan to approve payment ot Wayne County Public Works on Series III Bond Issue, dated 8/1/75, in the amount of $33,222.21, due October 1, 1981. Motion carried unanimously.
    C. Motion by Bevins, supported by Morgan to approve Richard Armstrong's filling in for Lawrence Hillmer, Electrical Inspector, October 5-9. Motion carried unanimously.
    D. Motion by Reaume, supported by Bevins to approve purchase of IBM Selectric III typewriter for Supervisor's Office. Motion carried unanimously.
    E. Motion by Morgan, supported by Huziak to withdraw $5.30 penalty from Mrs. Lillian Ray's Water bill. Motion carried unanimously.
    F. Motion by Morgan, supported by Banotai to approve payment of Poultry Claim to Ernest Michling for one rooster, in the amount of $1.00. Motion carried unanimously.
    *Motion by Morgan, supported by Reaume to approve payment of Livestock Claim to James Leffler, Jr. for one goat, in the amount of $15.00. Motion carried unanimously.
    G. Motion by Reaume, supported by Bevins to approve payment to WMECN, in the amount of $8,979.99, due October 1, 1981. Motion carried unanimously.
    H. Motion by Huziak, supported by Bevins authorize Attorney to look over the Solid Waste Ordinance immediately and as soon as possible get back with the Board and a special meeting will be called to act on just this Ordinance. Motion carried unanimously.
    I. Motion by Morgan, supported by Reaume to approve the appointment of John R. Saksewski to the Sumpter Fire Department on the recommendation of Fire Chief Donald Rochon. Motion carried unanimously.
    J. Motion by Bevins, supported by Morgan, Supervisor draw up resolution supporting Wayne Community Players in their efforts in the Sumpter Township Area. Motion carried unanimously.
12. Warrants
    Motion by Huziak, supported by Morgan to pay warrants as monies become available. Motion carried unanimously.
13. Adjournment
    Motion by Reaume, supported by Banotai to adjourn. Meeting adjourned at 9:34 P.M.

Respectfully submitted,
Louis P. Banotai, Clerk

Certification

I, Louis P. Banotai, Clerk of Sumpter Township, do hereby certify that the foregoing is a true copy of the minutes taken at the Regular Board Meeting of the Sumpter Township Board of Trustees held on September 22, 1981 at 23480 Sumpter Road, Belleville, Michigan.

JAMES M. REEVES, SUPERVISOR — LOUIS P. BANOTAI, CLERK

Publish: September 30, 1981

Romulus stages 6th annual walk-a-thon

There's a 20-mile walk-a-thon scheduled for Saturday, Oct. 10 in Romulus that will help you physically and also aid underprivileged children.

"The money we raise from this walk-a-thon," said Fred Coleman, one of the co-chairmen for the project, "is to help raise money for a children's Christmas Party. We hope to raise as much as we did a year ago."

The sponsor of the walk-a-thon, the Romulus Jaycees and Student Council at Romulus High managed to raise $4,900 a year ago thanks to "an over-all commitment by our residents, the Jaycees, and the Romulus Student Council."

There are individual prizes, including a grand prize for the person collecting the most money for the children, as well as prizes for anyone who collects more than $100 in donations.

The walk will get underway at 8 a.m. and finish approximately at 1 p.m. The participants will leave from City Hall, Wayne and Goddard and return to Romlus Senior High School. Participants should receive a minimum pledge of 10 cents per mile and all money collected should be turned in by Oct. 23.

Romulus High students should turn their pledges over to Mr. Coleman in room 426, while Romulus Junior High students should return their pledges to counselor Knight.

If there are any questions or if a participant wants further information, he or she should contact Fred Coleman at Romulus High School at 941-2170.

Careful of those innocent-looking drugs

"If your children are taking 'innocent-looking drugs' resembling diet pills and sinus capsules, they may be heading for trouble," warned Wayne County Commissioner Norbert Wisneiewski, today, following a detailed report from the County Health Department's Assistant Medical Director Jane Polkowski.

Wisniewski is sponsoring a resolution seeking legislation to control the sale of "look-alike" drugs—a fad that is sweeping the state and is threatening the health of youngsters, particularly young men, who are seeking "new highs."

The doctor's report includes newspaper clippings revealing the problem in such various communities as Paw Paw, Monroe, and Lansing.

Said John H. Deren, Director of the Van Buren County Health Department Drug Abuse Program, "These prescription look-alikes started showing up locally last summer and since then their availability has skyrocketed. Local newspapers, magazines, and dealers have advertised quick access to anyone through the mail with no questions asked. Buyers," he added, "believe they are getting amphetamines, since they look like prescription Dexedrine or Biphetamine. Some of the counterfeit pills include such common names as Speed, Double Dex, Christmas Trees, RUS, RJV's, FJ8's, Blue and Clear and Green and Clear," he said.

"I've talked to girls who have taken 10 to 14 per day for dieting. Males use them as "pep" pills. Psychologically, addiction developes," Deren said. "as their use escalates."

Attorney General Frank Kelly recently obtained a court order blocking a Monroe firm from selling non-prescirption drugs designed to look like illicit street drugs.

Substance abuse officials from around the state have been urging Kelly to ban sales. Although a Monroe County Circuit Court judge ordered the halt of mail-order stimulant drugs last May, it has had little impact since.

Lt. James Dunlap, of the MSU Department of Public Safety in Lansing, said flyers advertising the capsules and pills and asking for dealers were recently sent to the university's dorms and came from a firm called the "Universal Life Church."

A spokesman from the Attorney General's office said that one of the difficulties with curbing advertising of the drugs is that the Federal Drug Administration (FDA) does not regulate stimulants.

"Overdoses of phenylpropanolamine (PPA) and other sympathomimetics have become an increasingly common problem handled by poison control centers and hospital emergency rooms," Dr. Polkowski explained. "The major factor contributing to this has been the proliferation of OTC weight control products containing PPA. In addition to the OTC products," she continues, "another source of PPA being encountered more frequently are products variously referred to as amphetamine look-alikes, legal highs, rip-off street drugs, me-too generics, etc. Although several federal agencies are attempting to deal with the look-alike problem, the manufacture and sale of these products appears to be technically within the law," Dr. Polkowski said.

Poison control case reports submitted to the Division of Poison Control document the sharp increase that has occurred in improper exposure and poisoning in the past few years. In persons aged from 5 and older, PPA cases have increased ten-fold since 1975 and have doubled within the past year, and do not include combinations with alcohol or other drug products. Three deaths have been directly attributed to look-alike drugs.

HURON TOWNSHIP

CITY OF ROMULUS
NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF ROMULUS COMMUNITY SCHOOL DISTRICT COUNTY OF WAYNE, MICHIGAN FOR THE SPECIAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 4, 1981

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

PLEASE TAKE NOTICE that a Special School Election will be held in said School District on Tuesday, November 3, 1981, and in conformity with the "Michigan Election Law", I, the undersigned City Clerk, will upon any day EXCEPT Sunday, and a legal holiday, the day of any regular, or special election, receive for registration, the name of any resident of the City of Romulus not registered, who may APPLY TO ME PERSONALLY (or authorized substitute) for such registration EXCEPT during the time interviewing between the Close of Registration for the SPECIAL SCHOOL ELECTION and the day of such election.

Notice is hereby given that I will be at the City of Romulus Clerk's Office, 11111 Wayne Road, Romulus, Michigan on:

MONDAY THRU FRIDAY 9:00 a.m. to 5:00 p.m.

AND, THE LAST DAY TO REGISTER:

MONDAY, OCTOBER 5, 1981 8:00 a.m. to 8:00 p.m.

The following proposition will be submitted to the electors:

OPERATING DEFICIT FUNDING PROPOSAL

Shall Romulus Community School District, County of Wayne, Michigan, borrow the principal sum of not to exceed $3,000,000 and issue its unlimited tax bonds or notes as therefor for the purpose of funding the School District's operating deficit?

For the purpose of REVIEWING THE REGISTRATION AND REGISTERING such of the qualified electors in said City who shall properly apply therefore, the name of no person but an ACTUAL RESIDENT of the City of Romulus at the time of registration, entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Act 451, Public Acts of Michigan, 1976, as amended, provides in parts as follows:

"The inspectors of election at an annual or special election shall not receive the vote of a person residing in a registration school district whose name is not registered as an elector in the city or township in which the person reside."

Under the provisions of Act 451, Public Acts of Michigan, 1976, as amended, registrations will not be taken by school officials, and only persons who have registered as general electors with the appropriate City or Township Clerk of the City and Township in which they reside, or through registration at a Secretary of State driver's license bureau, are registered school electors.

Leonard J. Folmar, City Clerk
City of Romulus

Township of Huron
Notice of Public Hearing

Notice Is Hereby Given that the Huron Township Planning Commission will hold a public hearing on October 26, 1981, at 7:30 p.m. in the Huron Township Office, 37290 Huron River Drive, New Boston, MI. 48164, on the following:

Amend Ordinance No. 20 as follows:

A) Ordinance No. 20, Sections 11.20.01, 12.20.01, and 14.20.01 are amended as follows:
   01. Single-family detached dwellings, including mobile homes when located outside of mobile home parks, except that mobile homes are subject to the requirements of Section 41.70.00.
B) Article XLI is amended to add a new Section 41.70.00 as follows:
   70.00. REGULATIONS FOR MOBILE HOMES LOCATED OUTSIDE OF MOBILE HOME PARKS:
   01. INTENT. While mobile homes offer an alternative to conventional single family housing in such areas as structural design, facility arrangement and cost, they can have potential adverse impacts on a residential neighborhood because of marked differences from single family housing in design, placement, structure and site size, and fire and wind resistance. Generally, mobile homes have been restricted to locations within mobile home parks, positioned at areas specifically zoned for them, in order to assure compatibility with nearby residential uses. However, through the application of certain standards, mobile homes and mobile home sites may be designed to more closely resemble nearby conventional housing and be permitted outside mobile home parks and within residential zoning districts. This Section presents specific conditions and standards whereby mobile homes may be located outside of mobile home parks.
   02. LOCATION. Mobile homes may be located outside of mobile home parks provided that they are located in zoning districts which permit them and further subject to site plan approval by the Planning Commission in accordance with Article XLII.
   03. COMPATIBILITY IN APPEARANCE. To insure compatibility in appearance with single family housing in the neighborhood, a mobile home shall meet the following design requirements:
      A. Roof — Must be pitched, minimum 3:12 slope, and shingled, with a minimum roof overhang of six (6) inches on all sides. Roof must be permanently attached to the mobile home and supported by the mobile home, rather than by external supports. Additions and accessory buildings may have flat roofs, but unattached accessory buildings must satisfy the same roof requirements as the mobile home.
      B. Exterior walls — Must have wood, aluminum or vinyl siding and/or brick facing for all exterior walls, including additions and accessory buildings.
      C. Eave troughs — Must be provided where appropriate.
      D. Ceiling height — Minimum seven feet six inches (7'6") for all rooms.
      E. Doors/Windows — Must be similar in design to single family housing. A minimum of two (2) exterior doors is required.
      F. Steps — Must be permanently attached on a frost-depth foundation similar to single family housing requirements, and connected to the exterior door areas or to porches connected to said door areas where a difference in elevation requires the same.
   04. CONSTRUCTION STANDARDS. Except as otherwise noted herein, minimum construction standards for a mobile home shall be those of the Mobile Home Construction and Safety Standards Act of 1974 (Title VI of PUB L. 93-383, 88 Stat. 700, 42 U.S.C. 5401, et. seq.), and the United States Department of Housing and Urban Development Mobile Home Construction and Safety Standards effective June 15, 1976, as amended.
   05. FOUNDATION. A mobile home must be installed on a permanent foundation. As a minimum, this foundation shall include a cement block or poured foundation, not less than forty two (42) inches below the finished exterior grade extending around the complete outside perimeter of the mobile home, and shall satisfy the same construction standards as for single family housing. Further, there shall be provided a twenty (20) inch crawl space below the bottom of the floor, twelve (12) inches of which may be below finished exterior grade. The crawl space shall not be utilized for storage purposes. A basement satisfying the same standards as for single family housing, in accordance with applicable Township adopted codes and ordinances, may be substituted for the forty two (42) inch cement block or poured foundation. If the foundation or basement does not meet the mobile home manufacturer's specifications for pillar placement and imposed load capacity, adequate additional support shall be provided as specified in R 125.1602 of the Michigan Administrative Code. Wheels, axles and towing mechanisms shall be removed.
   06. UNIT SIZE/ADDITIONS. A mobile home, prior to any addition, shall have a minimum length of no less than forty (40) feet. That portion of the mobile home facing a public street shall have a minimum width of twenty four (24) feet with no one (1) face being less than twenty (20) feet. The minimum floor area requirements for a mobile home, including additions, shall correspond to the minimum floor area requirements for the zoning district in which the mobile home is located. Any additions to a mobile home must either be constructed by a licensed mobile home manufacturer or satisfy the applicable Township-adopted code and ordinances for single family residences. Any addition must be similar in appearance, materials and foundation to the mobile home itself. Any addition to a mobile home is subject to the same review procedures of this Section as for the mobile home itself.
   07. ANCHORING. A mobile home shall be anchored by an anchoring system meeting the standards and specifications of R 125.1605 of the Michigan Administrative Code.
   08. LOT SIZE AND COVERAGE/BUILDING HEIGHT/YARD SETBACKS. The minimum requirements for lot width and area, lot coverage, building height, yard setbacks and floor space per dwelling unit shall be the same as those required for single family housing in the zoning district wherein the mobile home is located, except that where the following minimum mobile home placement requirements are more stringent than the applicable zoning district placement requirements for single family housing, the following minimum requirements shall apply:
      A. Twenty (20) feet from any dwelling unit on an adjoining lot.
      B. Ten (10) feet from any parking space on an adjoining lot.
      C. Ten (10) feet from any structure on an adjoining lot which is not used for living purposes.
   09. UTILITY LINES/HOOKUPS. All utility and service lines, including water, sewer, telephone, electricity, heating and cooking fuels and television service, shall be located underground, except in instances where the majority of single family residences in the neighborhood are served by above-ground lines for the particular service. Utility and service lines, except for electrical and natural gas, shall be designed for permanent attachment to the mobile home using, wherever feasible, the same designs and specifications as for single family housing in accordance with applicable Township-adopted codes and ordinances. Where the Planning Commission deems that said code and ordinance requirements are not feasible for mobile homes, the Planning Commission may permit standards as described in R 125.1603 and R 125.1932 to R 125.1940 of the Michigan Administrative Code. An exterior water faucet is required.
   10. ELECTRICAL SERVICE. Electrical service installation shall be in accordance with R 125.1932 and R 125.1933 of the Michigan Administrative Code. The electrical service pedestal shall be screened from view from the adjoining street by the mobile home itself or by opaque ornamental fencing.
   11. NATURAL GAS SERVICE. Natural gas service installation shall be in accordance with R 125.1934 of the Michigan Administrative Code. The natural gas service pedestal shall be screened from view from the adjoining street by the mobile home itself or by opaque ornamental fencing.
   12. FUEL TANKS/CONTAINERS. If permitted by the Planning Commission, fuel oil systems shall comply with R 125.1939 of the Michigan Administrative Code. Liquified petroleum gas containers and fuel oil tanks, if permitted by the Planning Commission, shall be installed, mounted and secured in compliance with the National Fire Protection Association's 1974 Standard for Mobile Homes 501B, Part D, Chapter 4, paragraphs 4.2.3. and 4.3, adopted herein by reference. Above ground fuel tanks/containers shall be screened from view from the adjoining street by the mobile home itself, by enclosure in a storage shed or by opaque ornamental fencing.
   13. STORAGE FACILITIES. A garage, storage shed and/or basement, or combinations thereof may be located on the same site as the mobile home and be constructed according to the same standards as for the mobile home itself or for single family housing in accordance with applicable Township-adopted codes and ordinances.
   14. SIDEWALKS/DRIVEWAYS/PARKING. A mobile home site shall comply with the same Township-adopted codes and ordinances relative to sidewalk, driveway and parking placement, sizing and construction as for single family housing.
   15. FENCING. A mobile home site shall comply with the same Township-adopted codes and ordinances relative to fencing as for single family housing.

A copy of Zoning Ordinance No. 20, including the text, and official map, and the petitioner's request may be examined at the Township Office during business hours from 8:00 a.m. to 12:00 p.m. and from 1:00 p.m. to 5:00 p.m. on weekdays until the date of public hearing. Written comments concerning this request will be received at the Township from the date of this publication until the date of hearing.

At New Boston High

Last call for adult education

Last call for those who are contemplating on enrolling in the Huron Adult Education program this year in New Boston.

Registration will remain open until Thurs., Oct. 1 for those who wish to sign up for a last number of available classes. Persons may register between the hours of 1 p.m. until 9 p.m.

Classes are free to non-graduates, senior citizens and those under 20. For those who have graduated from high school, classes are still a bargain at $15.

Vocational classes for those persons who have received high school diplomas are $25 and some lab and book fees may be charged.

New classes have been added to the program this year. These include secretarial skills, practical parenting, and money management.

There is a complete program of high school and G.E.D. completion courses.

Further information may be obtained by telephoning Mary Cast at New Boston High School at 782-1505.

'Harvest tour' scheduled

There are still openings left in many of the fall classes at Greenfield Village and Henry Ford Museum.

The popular program with offerings for adults, teens and children, during October, November and December, still has openings in enrichment classes, craft courses and even a tour.

Christmas-related workshops teaching ornament and gift making, and decorating are available in all three age groups.

Craft programs still available include Pottery and China Head Dolls for adults, Quilting and Printing for teens, and workshops in Indian Finger Weaving and Candlemaking for children.

A "Harvest Tour of Eastern Market" is available late in October for adults, with a "get acquainted" session on an evening in advance of the tour. Folk guitar lessons are available, and for those who have previous experience with an Inkle loom, Inkle Loom Weaving II still has a few openings.

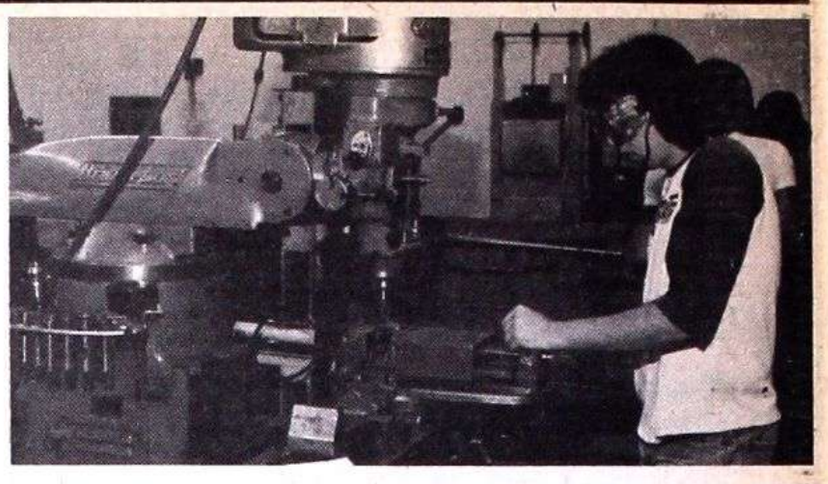
For more information on these and many other classes, call the Edison Institute at (313) 271-1620, ext. 452.

Bike-a-thon is set

The second annual Bike-a-thon for St. Jude's Research Hospital will begin at 9 a.m. Sat., Oct. 3 at St. Stephen's in New Boston.

The event, sponsored by the St. Stephen's Church, is being coordinated by Sister Patricia. Last year the group managed to raise $3,000 for the hospital.

The event will get underway at 9 a.m. and start from the St. Stephen's Parish. For further information, contact Sister Patricia at 753-4722 or Sally Kormos, (699-2133) who, last year, had seven members of her family participate.



Metal work, anyone?

CITY OF ROMULUS NOTICE OF LETTING

To approve payment of the Fire Fund bills in the total amount of $19,712.77 as detailed on the voucher list.
Roll Call Vote:
Ayes — all.
Nayes — none.
Motion Carried Unanimously.

923-6a Motion by Carey Supported by Puskar
To adopt the following resolution:
RESOLVED, that in response to a Resolution received from the City of Inkster, the Township of Huron hereby recognizes the special needs of the handicapped, mentally ill, and retarded citizens of the State of Michigan, and urges that the State of Michigan adopt a "Fair Share Policy" regarding the placement of handicapped, mentally ill and retarded individuals in the Cities and Township throughout the State.
FURTHER, BE IT RESOLVED that the Cities and Townships of Michigan be made an integral part in the planning and placement of these facilities, consistent with their land use responsibilities; and
FURTHER, BE IT RESOLVED that in order to encourage compliance by Cities and Townships that the "Fair Share Policy" could be linked to State reimbursement of funds for the various programs required or inherent as to needs of these individuals; and
FURTHER, BE IT RESOLVED that the State be urged to cease processing all Foster Care Licenses until present legislation is reviewed and revised and a "Fair Share Policy" is adopted.
NOW, THEREFORE BE IT RESOLVED that copies of this Resolution be transmitted to the Governor and our legislators in the Michigan State Legislature, as well as all communities in Wayne County, urging their support of this position.
Roll Call Vote:
Ayes — all.
Nayes — none.
Motion Carried Unanimously.

923-6b Motion by Gamber Supported by Carey
To authorize payment of the recognized portion of Huron Township's deficit to the Wayne County Board of Public Works for sewage treatment of previous years.
Roll Call Vote:
Ayes — all.
Nayes — none.
Motion Carried Unanimously.

923-6b1 Motion by Bates Supported by Geierman
To withdraw motion #78-3b made at the July 8, 1981 regular board meeting to hold in escrow the sewer rate increase proposed by the Wayne County Board of Public Works.
Roll Call Vote:
Ayes — all.
Nayes — none.
Motion Carried unanimously.

923-6b2 Motion by Geirman Supported by Puskar
To accept, under protest, the sewer rate increase by the Wayne County Board of Public Works of $1,450.00 per million gallons of sewer usage.
Roll Call Vote:
Ayes — Ashby, Carey, Gamber, Geierman, Puskar, Sullivan.
Nayes — Bates.
Motion Carried.

923-6c Motion by Carey Supported by Bates
To schedule a meeting with the Burnham & Flower Agency along with the Township Board and Frank Marvaso to review insurance coverage.
Motion Carried Unanimously.

923-6d Motion by Geierman Supported by Ashby
To adopt the following resolution as recommended by the Township engineer.
WHEREAS, serious water pollution problems exist in southerly and westerly portions of Wayne County, and
WHEREAS, existing wastewater management facilities serving the Township of Huron are known to be inadequate, and
WHEREAS, The Wayne County Department of Public Works has prepared a plan for eliminating or reducing pollution problems and providing for efficient and economical wastewater management in the area, which plan is known as the "Huron Valley Wastewater Control System", hereinafter referred to as the PROJECT, and
WHEREAS, the PROJECT as described in an Environmental Impact Statement prepared by the U.S. Environmental Protection Agency, hereinafter referred to as the EIS, consists of:
A treatment plant located east of River Road and north of Leed Road in southeastern Brownstown Township, adjacent to the site of the existing Brownstown wastewater treatment lagoons and bordering on the west boundary of Lake Erie Metropark. The treatment plant includes inlet interceptors and a 10,000 foot outfall to the mid channel of the Detroit River. A force main interceptor sewer from the treatment plant to the County Trenton Treatment Plant generally located in Jefferson Avenue.
A gravity interceptor from the treatment plant to Canton Township generally located northwesterly along the Huron River to Hannan Road, then turning northerly along Hannan Road to Joy Road, and
WHEREAS, the EIS was discussed at several public hearings, and concluded that the proposed PROJECT is urgently needed to remedy wastewater management problems in the PROJECT area, and that the PROJECT is cost effective and environmentally favorable compared to other alternatives, and
WHEREAS, portions of the PROJECT will be located within the limits of the Township of Huron and preliminiary plans of the PROJECT facilities to be located in the Township are on file with the Township Clerk, and
WHEREAS, Township officials have reviewed said preliminary plans and find that the PROJECT facilities are reasonably located in the Township;
NOW, THEREFORE BE IT RESOLVED, that the Township hereby approves the location and construction of PROJECT facilities within the Township limits, as shown on the preliminary PROJECT plans on file with the Township Clerk, and agrees to the use of Township rights-of-way for the construction and maintenance of said facilities, provided that no construction shall commence until final plans and specifications for the PROJECT providing for reasonable protection of the health, safety and welfare of the citizens of the Township, shall have been approved by the Township.
Roll Call Vote:
Ayes — all.
Nayes — none.
Motion Carried Unanimously.

923-7a Motion by Puskar Supported by Bates.
To note and file request for a Business License Ordinance.
Roll Call Vote:
Ayes — Ashby, Bates, Geierman, Puskar.
Nayes — Carey, Gamber, Sullivan.
Motion Carried.

923-7b Motion by Carey Supported by Gamber
To change the November board meeting dates to the 10th and 24th due to the holidays.
Geierman — Naye
Motion Carried.

923-8a Motion by Geierman Supported by Gamber
To participate in the SEMTA allotment for 1981.
Puskar — Naye.
Motion Carried.

923-8b Motion by Ashby Supported by Carey
To invite Senator John C. Hertel to attend a Township Board Meeting.
Motion Carried Unanimously.

923-8c Motion by Geierman Supported by Carey
To adopt the following resolutions:
WHEREAS, House Bill No. 4125 is an attempt by the Legislature to amend and update the "Abandoned Vehicle Law" in the State of Michigan, which amendment would shift the burden of such responsibility from the Secretary of State to the already burdened local police departments; and
WHEREAS, the procedures set forth in the Act raise certain property-owner due process issues which may unneccessarily expose the Township of unknown limits of liability; and
WHEREAS, the cost of said procedures would have to be borne by the already overburdened local units of government;
NOW, THEREFORE, the Township Board of the Township of Huron hereby opposes House Bill 4125 and further hereby authorizes the Township Clerk to send a copy of this Resolution to our State Senator, James DeSana, State Representative, Edward Mahalak and surrounding communities.
Motion Carried Unanimously.

923-8d2 Motion by Carey Supported by Puskar
To oppose the issuance of a new SDD license at 17200 Huron River Drive as recommended by the Police Chief.
Motion Carried Unanimously.
John Puskar excused at 10:25 P.M.

923-10 Motion by Gamber Supported by Geierman
To authorize the engineer to prepare the bid documents for the cleaning of the Hand Drain.
Motion Carried Unanimously.

923-16 Motion by Ashby Supported by Gamber
To adjourn the meeting.
Motion Carried Unanimously.
Meeting adjourned at 11:00 P.M.

Respectfully submitted by,
Mary Lou Carey, CMC
Township of Huron

LONELY WIDOWER — 70 - Wishes to meet a lonely lady 60-65 for companionship. Permanent relationship if both suited. Write to Box 928, c/o Associated Newspapers, 35540 Michigan Ave., Wayne 48184.

GEORGE S. GLASGOW
Happy Anniversary-Sept. 28
A day to remember and never forget.
A bond between us, since first we met.
Two anniversaries we have been apart.
Beautiful memories are within my heart.
Walk beside me all the way.
Kneel beside me as I pray.
Grasp my hand lest I should fall.
Hear me when I try to call.
Show me the pathway through that gate.
Remember darling I was your mate.

Love Always,
Lois

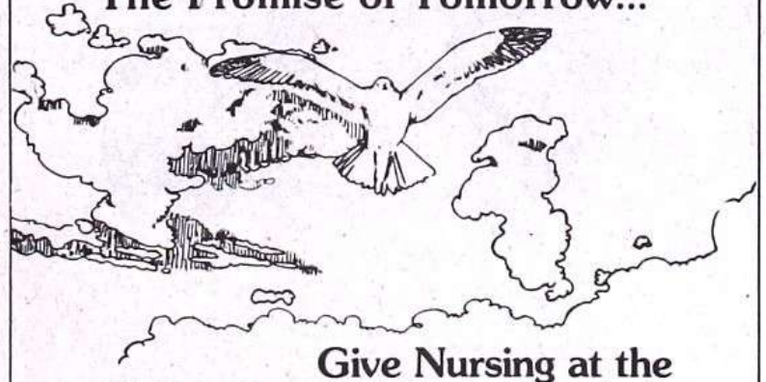
The Wonder of Today...
The Promise of Tomorrow...



Give Nursing at the University of Michigan Hospitals Serious Thought!

Any career change requires serious thought. Today's hospital is constantly changing. New advances in technology; new breakthroughs in research; and new patient care techniques make hospital nursing a challenging career.

Like today's hospital, the role of the nurse is changing. Patient classification systems, primary care, and clinical specialization have contributed to the evolution of professional nursing. At the University of Michigan Hospitals, we have pioneered many role changes in nursing. The nurses who join our teaching hospital will help shape nursing's tomorrow. If you are interested in a career with a hospital that gives full recognition to nurses, we invite you to join us.

We currently have openings in the following areas:

- General Medicine
- Gynecology
- Neurology/Neurosurgery
- Pediatrics

Give serious thought to nursing at U of M Hospitals. For details, call us collect at (313) 763-3010, or write to:

COMMERCIAL INSTALLATIONS ALSO AVAILABLE

Amana quality gives you the efficiency, dependability and comfort you want.

When you need a new furnace, you want the best: An Amana Air Command gas furnace. It gives you:

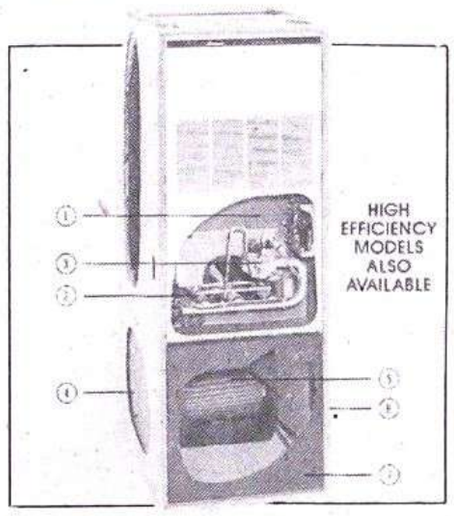
- Famous Amana quality in engineering and construction;
- Lasting dependability and peace of mind;
- Automatic operation;
- Energy-saving intermittent pilot ignition on many models;
- Budget-pleasing operating efficiency;
- Enjoyable comfort.

Simply set the Amana thermostat for the temperature you want and enjoy it. The Amana Air Command does the rest . . . gently circulating warm, filtered clean air throughout your home for true whole-house comfort.

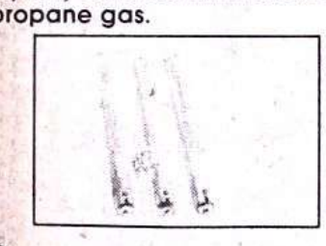
The same Amana furnace is ready to provide year 'round comfort. Central air conditioning and electronic air cleaner are easy to add for complete comfort conditioning.

Check the features. You'll see why Amana is a smart furnace buy.

1 Strong, efficient heat exchanger
Transfers heat from burning fuel to safe, usable heat for your home. Amana uses diagonally opposed cross ribs, internal baffles, heavy steel construction and continuous seam welding to produce maximum efficiency and long heat exchanger life.



2 Thrifty gas burners
Mix air and gas thoroughly for efficient, complete fuel consumption. Crossover igniter gives positive, quiet ignition. Amana design prevents dust or lint from clogging burner ports. Equally efficient with natural or propane gas.



3 Quiet, safe gas valve
Fully automatic, quiet opening Amana Servo-regulator valve gives proper gas pressure to the burners at all times, even when line pressure is below normal. Thermocouple control closes valve should pilot light go out. Fan/limit control shuts valve off in case furnace overheats.

4 Large, effective air filter
Traps much of the dirt, dust and lint in the air passing through it. Keeps air fresh and clean. Easy to replace or clean. Standard sizes make them easy to buy.

5 Quiet Turbo-bladed blower
Moves large air volume quietly. Large size keeps air velocity in the "quiet range." Felt cushions prevent metal-to-metal contact between furnace cabinet and blower; isolate vibration and noise. The finely balanced motor is rubber cushioned to reduce operating sound.

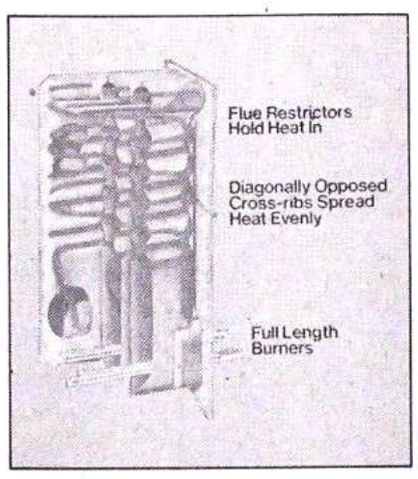
6 Strong, Durable Cabinet
Built to last. Solid construction and "picture-frame" design give quiet operation. Interior insulation adds to efficiency.

7 Amana Electro-coating finish
Protects against rust and corrosion. Keeps the furnace looking great and adds to its life. Six-stage metal cleaning process assures a perfect bonding surface for the paint.

PHONE
721-2218

Your keys to efficient gas heating:

Amana Heat exchanger and thrifty burners

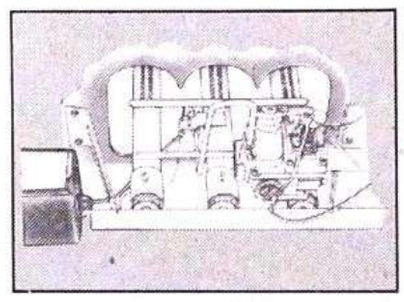


Designed for efficient heating. Full length burners provide even heating from the entire heat exchanger. Flue restrictors and diagonally opposed cross-ribs force hot gases to wind their way through the heat exchanger instead of escaping straight up the chimney. Built-in expansion loop reduces noisy and damaging metal strain.

8 Fully tested at the factory
Every Amana gas furnace is test fired and operated at the factory to assure you of worry-free heating. Tests are performed during assembly to make sure Amana's quality standards are met.

$50 DISCOUNT if you mention this ad on any Amana Gas Furnace installed — FREE ESTIMATES.

Amana Electronic ignition reduces gas consumption



Electronic ignition (intermittent pilot) and automatic gas valve save energy. Available on many models. When you need heat, Amana's electronic ignition system creates a spark and the pilot light ignites. After a sensor proves the pilot light is going, the spark stops and the gas valve opens. The main burners light and operate at full capacity. If ignition does not occur, the system closes the gas valve. Operation is safe, dependable and convenient.

Amana Gas Furnace Series	Heating Capacity BTUH Input	Add-on Cooling Capacity Max. Nominal Tons (a)
65	65,000	3
80	80,000	4
100	100,000	4
